Baseball America 2015 Directory Baseball America,2015-03-24 The definitive guide to the 2015 baseball season with schedules, addresses, contact information, and much more. The 2015 Baseball America Directory is a comprehensive reference to the upcoming season, featuring major, minor, and independent league schedules, ballpark directions, organization listings, and club contact information. The 2015 Baseball America Directory is the ideal title for the baseball traveler. From schedules to personnel to addresses to phone numbers and websites, this is the guide to finding information in baseball, from the majors to the minors to college, high school, and amateur baseball.

Baseball America 2012 Directory Baseball America,2012-03-27 Provides management, field staff, contact information, league schedules, and ballpark directions for major and minor baseball leagues.

What Does a Pitcher Do? Paul Challen,2016-12-15 Baseball isn't easy. Every pitch is a test of wills between a pitcher and a batter, but pitching is more than just trying to throw a ball very hard. The strategy and skill involved in pitching is one of the most interesting things about baseball. This book takes readers onto the pitching mound to stare down the plate, choose a pitch, and try to strike a batter out. It also takes readers through the proper way to throw a baseball and execute the defensive strategy pitchers need to field the ball and make outs if a batter makes contact with a pitch.

Baseball: Teach Your Kid to Hit...So They Don't Quit! Kevin Gallagher,2020-06-08 Kevin Gallagher has written a book that provides a process to parents and coaches on how to teach children to hit a baseball or a softball. It is a process that will dramatically increase the chances of

any child to make contact with the ball. Hitting a baseball is hard and very few people know how to teach children or young adults how to hit. Throwing batting practice to a child is not teaching them to hit. This book is designed to convince the vast audience of Parents that they, regardless of their background, can teach their child to make contact with a baseball/softball, by providing a simple process that will make sense to them and their child. If we don't teach our kids to hit, they will get frustrated and quit. The book is an easy read and is a story of the state of Baseball today, and takes us on a journey on how the length of Major League games, the late hour finishes, the Launch Angle Swing and the infatuation of the Home Run, as well as the amount of non-action during games, has all contributed to the games declining popularity in America and the disappearing participation of America's youth. It is a story full of anecdotes, quotes and eye popping statistics that makes the book enjoyable, but always leading to the inevitable conclusion that making contact with the baseball is the only way you will keep a child involved in the game?? and ultimately create more action inside the game. At the books conclusion, Kevin lays out a simple 8 Step Process to make contact with the ball. It is a process for the parent to learn, understand, and own. Then, and only then, the parent will have the knowledge and confidence to teach their child. In addition to the written process, and numerous entertaining illustrations, there are links to a 24 minute instructional video broken down step-by-step to help you visualize what is being taught.

Baseball America 2013 Directory The Editors of Baseball America, 2013-04-16
The definitive guide to the 2013 baseball season with schedules, contact information, and much more. The 2013 Baseball America Directory is a comprehensive reference to the upcoming season, featuring major, minor, and

independent league schedules, ballpark directions, organization listings, and club contact information. The 2013 Baseball America Directory is the ideal title for the baseball traveler. From schedules to personnel to addresses to phone numbers and websites, this is the guide to finding information in baseball, from the majors to the minors to college, high school, and amateur baseball.

Hit Like a Big Leaguer Jack Maloof, 2006-03-16 Youth baseball players learn the secrets of hitting smart and batting big.

Baseball Bluebook College Edition Baseball Bluebook, The, 2007-01 The 2007 college baseball program directory used by professionals since 1909. Coach and administrative contact information with names, phone, emails; College team schedules, major league scout contact information, summer league programs, showcase tournaments, instructional camps and baseball related organizations.

Double Contact Christy Pastore, 2020-11-25 As a professional baseball player, women have never been a challenge. Until I met her. Brunette. Beautiful. Vivacious. Just as I'm ready to take my shot, my teammate jock blocks me. Turns out he saw her first. That was two years ago. As luck would have it, our paths crossed again, and this time, I don't waste a second. I want my chance. Lark and Brenner's story first appeared in the limited release anthology *Playing To Win*. This novella has been revised with additional chapters.

Swing As Hard As You Can In Case You Make Contact J3 Sports, 2019-11-29 This baseball notebook journal would make a great gift for anyone who loves baseball. You can use it for school or write notes from your coach. Coaches can also use it to write down notes during a game. Some other uses include

writing down your daily thoughts, making list, doodling. Some of the features include: Fun glossy cover. Perfect 6 x 9 size. 100 pages. This would make a great inexpensive Christmas gift or stocking suffer. Purchase one as a gift or buy one for yourself.

Talk Like a Baseball Player Ryan Nagelhout, 2016-12-15 Baseball is a great sport full of weird words. Trying to play a game with friends might be hard if you don't know what anyone is saying! Readers will get a look in the dugout, and even learn why they call it a dugout in the first place. With color photos and other graphics explaining different terms and concepts like a double switch or ground rules, readers are sure to learn everything they need to talk and play like a pro.

Jackson Ricky Gato, 2019-10-16 Personalized Address Book for Boys who Love Baseball They can keep track of their friends' contact information in this cute address book. Name, address phone, email, birthday, and gamer tag. Lots of friends? No problem; there is plenty of space for over 300 contacts. Several pages for each letter of the alphabet. This is a soft cover book. It is 5 x 8 inches and has 120 pages. Scroll up and grab a copy!

Making Contact Tom Romita, 2018-03-12 Nine-year-old William Dobbs has only one thing to remember his biological father by, a picture of him wearing a New York Yankees hat. When Will's adoptive parents inform him that his father did not die in a car accident eight years earlier as he had always believed, he resolves to make contact the only possible way he can think of, by becoming a New York Yankee. He succeeds, but in his rookie season, a wayward fastball tragically diverts his quest, and nearly ends his life. Will awakens from a coma eight weeks later, better than before, with inexplicable, almost superhuman abilities that eventually throw his search, entire life, and the

game of baseball itself into turmoil. Making Contact is the story of a son's search for his father, the sanctity of America's pastime, Baseball, and one man's struggle to undo the damage done to him, and that which he has done to others.

Visualizing Baseball Jim Albert, 2017-10-02 Visualizing Baseball provides a visual exploration of the game of baseball. Graphical displays are used to show how measures of performance, at the team level and the individual level, have changed over the history of baseball. Graphs of career trajectories are helpful for understanding the rise and fall of individual performances of hitters and pitchers over time. One can measure the contribution of plays by the notion of runs expectancy. Graphs of runs expectancy are useful for understanding the importance of the game situation defined by the runners on base and number of outs. Also the runs measure can be used to quantify hitter and pitch counts and the win probabilities can be used to define the exciting plays during a baseball game. Special graphs are used to describe pitch data from the PitchFX system and batted ball data from the Statcast system. One can explore patterns of streaky performance and clutch play by the use of graphs, and special plots are used to predict final season batting averages based on data from the middle of the season. This book was written for several types of readers. Many baseball fans should be interested in the topics of the chapters, especially those who are interested in learning more about the quantitative side of baseball. Many statistical ideas are illustrated and so the graphs and accompanying insights can help in promoting statistical literacy at many levels. From a practitioner's perspective, the chapters offer many illustrations of the use of a modern graphics system and R scripts are available on an accompanying website to reproduce and

potentially improve the graphs in this book.

Making Contact James Dillon, 2023-09-26 In 1961, Jack Dolan's dream of hitting home runs like his heroes, Mickey Mantle and Roger Maris, quickly turns into a nightmare. He hasn't gotten a hit all season. Not even a foul tip. How could he when the other team chants No Contact Jack when he is at bat? But when his neighbor, once a semi-pro Negro League star, teaches him the game, he not only makes contact with the ball but with his overworked father—all by keeping his head up in more ways than one. Making Contact tells the story of a young boy's, sometimes painful journey, from No Contact Jack to team hero when he gets the winning hit in a championship game. His story shows how practice and persistence leads to success. More importantly, Jack's journey deepens his relationships with his teammates, friends, neighbors, and most of all his father. Although Making Contact is set in the past, young readers, who followed Aaron Judge's pursuit of Roger Maris's home run record in 2022, will not only discover how baseball and the world was different in 1961, but how the challenges of playing baseball and growing up remain the same.

Wyatt Ricky Gato, 2019-10-18 Personalized Address Book for Boys who Love Baseball They can keep track of their friends' contact information in this cute address book. Name, address phone, email, birthday, and gamer tag. Lots of friends? No problem; there is plenty of space for over 300 contacts. Several pages for each letter of the alphabet.
