Let Your Spirit Guides Speak Debra Landwehr Engle,2016-09-01 Live without your spirit guides and you miss out on an enormous support system that could make your life infinitely easier and more enjoyable. This is a clear and thoughtful introduction to building relationships with your spirit guides. It shows readers how helpful spirit guides and angels can be in everything from the simplest to the most challenging of life decisions and how easy they are to connect with, too. Our spirit guides help us to: Fulfill our purpose Make decisions that will move us forward faster Stop sabotaging ourselves as well as judging ourselves and everyone else Remember that we are more than our job or house or relationship See ourselves as beautiful and everything in life as a gift Give ourselves and everybody else a break Keep growing until the day we leave our bodies behind Go beyond the life we hoped for and onto the life we never even imagined And they do all of these things when we're ready and not a nanosecond before. They also often come quietly. As the author states: If we expect help from Spirit to arrive with the sound of trumpets and blinding light, we'll overlook all the nuanced help that's delivered in small ways every day.

Spirit Guide Contact Through Hypnosis Bruce Goldberg,2005-05-15 Contacting spirit guides is as old as civilization itself. Shamans dating back to at least 50,000 B.C. ritually contacted nonphysical entities. The Mystery Schools of Ancient Egypt, Greece, Persia, Rome, and India also dealt with contacting spirit guides. Every major religion acknowledges the reality of discarnate entities or spirits, whether they are called saints, angels, the Holy Spirit, and so on. One of the purposes of this book is to demystify this process. The media's depiction of spirit contact has led to the false assumption that anyone who establishes this contact must be in great danger. In reality, this communication is natural, relatively simple, and a wonderful growth experience. Spirit communication removes the fear of death and bereavement, and results in a form of spiritual empowerment. Contacting your spirit guides can help us: Develop your intuition and other psychic abilities. Increase your ability to love yourself and others. Become more aware of the workings of the universe. Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution. Protect you from negative entities and/or other forces in the universe. Access the wisdom of the ancients. Establish and maintain your own physical, mental, emotional, and spiritual health. Overcome bad habits and fears. Eliminate the fear of death. See into the future. Master the art of out-of-body experiences. Learn your true karmic purpose. Spirit Guide Contact Through Hypnosis includes free audio companion downloads.

Seven Planes of Existence Vianna Stibal, 2016-01-26 First developed twenty years ago by Vianna Stibal, ThetaHealing is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is – the energy in everything – to witness healings of the physical body, and to identify and change limiting beliefs. This book is for those who have already started to experience the magic of this energy healing modality, and wish to deepen their understanding of the Seven Planes of Existence – the philosophy behind the creation of ThetaHealing. Vianna presents exciting new information to help you take your skill with this work to the next level, and brings the reader into dimensions that she believes to be the beginnings of life itself, on a journey that leads outward, past the universe, to transform beliefs, showing that with a theta state of mind it is possible to connect to a Divine Energy before it becomes anything in this universe.
