

Conversational Esl Lesson 2

Tina Kasloff Carver,Sandra Douglas Fotinos-Riggs

Intermediate English Discussion Topics Nigel Mark Openshaw, 2017-06-21 The lessons that follow can be adapted to run from 30 to 90 minutes. They often start with about 5-10 minutes of free talking. This can cover how the students are, what they have been doing or plan to do, as well as contributions from the teacher. The structure of the lessons is modular, with clear and obvious steps to take. Everything starts with the teacher's preparation work. Depending on the students' ability, topics might need a quick worksheet or short classroom activity at the start of the lesson, and you will need to set aside time to devise this. The purpose of each lesson is for students to gain confidence and increase their vocabulary by talking about different topics. If they are unsure about what to do, this might mean introductory work is needed first. I have taught classes with anything up to twenty students using these materials. The lessons are easy to adapt depending on your classroom size and level. For example, with a large class you can encourage smaller groups to discuss topics together and then ask students to share their ideas with the whole class. Be aware of students' sensitivities. Some students may be a little nervous about expressing their opinions and emotions in front of the class. However, over time, they will come to realize that everyone else feels the same and their confidence will improve.

ESL Conversation Dialogues Scripts 61-70 Volume 7: General English Conversations Phrasal Verbs II Jason Hogan, *ESL Conversation Dialogues Scripts 61-70 Volume 7: General English Conversations Phrasal Verbs II* features some common phrases and sayings as well as difficult vocabulary thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. This series of dialogues and conversations has been released to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. Some suggestions include: a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how

useful the dialogues are and always request more, which is why there are more dialogues on the way.

The ESL / ELL Teacher's Survival Guide Larry Ferlazzo, Katie Hull Sypniewski, 2012-08-06 A much-needed resource for teaching English to all learners The number of English language learners in U.S. schools is projected to grow to twenty-five percent by 2025. Speak English for Success Lucia Gorea,2009-12 Speak English for Success - ESL Conversations, Topics, and Dialogues is a book of reproducible activities designed for intermediate and advanced adult conversation classes to help students develop speaking skills through role-playing, discussion, pair work, or small group interaction. This collection of stimulating activities provides students with an opportunity to use English in social situations and to develop their critical thinking skills. Each activity encourages genuine communication, allowing students to voice their own opinions. The contemporary topics presented in this book are real and provocative, allowing students to exchange ideas about a wide range of themes and engage in lively dialogues about issues they face in their daily lives. Some of the topics and activities presented in this book are Tell Me about Yourself - Friends - Language Learning - Cultural Issues - Jobs and Employment - Dating and Relationships - Holidays - Traveling - Crime - Music - In Case of Emergency - Major World Issues - Pets - Movies and Entertainment - What Would You Say or Do? - Up Close and Personal - Newspapers Headlines - Board Games. With such a versatile range of exercises and topics for discussion, this book is a great tool for teachers, who want to reinforce language skills already taught, and for students, who must interact in English to complete problem-solving tasks, play language-oriented board games, comment on famous sayings, or finish dialogues. Students using this book will acquire better speaking skills as well as greater cultural awareness needed to function in the new society and communicate confidently in English.
