Unofficial Minecraft Lab for Kids John Miller,Chris Fornell Scott,2016-06-01 Unofficial Minecraft Lab for Kids is a collection of creative, collaborative projects that connect in-game challenges with hands-on activities that are both fun and educational. An Amazon Best Kids' Books of 2016 pick! Minecraft offers players an environment focused on exploration, imagination, and creation, but its nonlinear game structure can mean spending a lot of time in the game. With these labs, you can balance your child's screen time with real-life learning and interaction. You will start the book by brushing up on some common Minecraft language and examining each of the four game modes: survival, creative, adventure, and spectator. Then, you'll use this knowledge to venture off onto the six different quests that encourage child and adult participation. For each Lab, complete the hands-on activity in art, craft, or design, then build a related in-game project. Have fun with these creative projects and more: Make a Chinese finger trap from construction paper, followed by a zombie trap in Minecraft. Build a castle from sugar cubes, then learn to build one in Minecraft. Create shadow puppets to perform a scene from your favorite story, then animate the scene using Minecraft. Make a bow and arrow from popsicle sticks, dental floss, and a cotton swab, then do some archery practice in Minecraft. Sticker badges at the back of the book reward your child as they complete each quest. You'll even learn how to screencast and narrate your own videos to share with family and friends. Unofficial Minecraft Lab for Kids provides fun, educational gaming goals that you and your child can reach together! The popular Lab for Kids series features a growing list of books that share hands-on activities and projects on a wide host of topics, including art, astronomy, clay, geology, math, and even how to create your own circus—all authored by established experts in their fields. Each lab contains a complete materials list, clear step-by-step photographs of the process, as well as finished samples. The labs can be used as singular projects or as part of a yearlong curriculum of experiential learning. The activities are open-ended, designed to be explored over and over, often with different results. Geared toward being taught or guided by adults, they are enriching for a range of ages and skill levels. Gain firsthand knowledge on your favorite topic with Lab for Kids.

Changes, Changes Pat Hutchins,2012-03-20 A charming, wordless picture book that the very youngest can “read” all by themselves. The little wooden couple are happy in their building-block house—until it catches fire. The solution? They transform the house into a fire engine! But then there's so much water that they have to build a boat... Follow these inventive dolls as they use their imagination to adapt to each situation they encounter.

The Enneagram & You Gina Gomez,2020-03-24 Unlock the power of personality types using the wisdom of the enneagram so you can strengthen your personal, professional, and romantic relationships today! The enneagram is an effective personality classification system that describes the characteristics, behaviors, and core values of nine different personality types—enneatypes—each identified by a number. The Enneagram & You helps you identify your personality type so you can discover how to best interact with your family, friends, coworkers, and love interests. You'll also learn about each type pairing—from Type 1 with Type 1 to a Type 9 with Type 9 and every combination in between—as well as the harmonies and challenges each pairing faces and advice on how to effectively communicate and better understand what each personality type needs to feel fully engaged, known, and valued. Armed with this knowledge, you'll begin to anticipate your reactions and responses to the various people in your life. And you'll also be able to better comprehend their reactions and responses to you. By understanding your own strengths and recognizing areas for growth, you can improve your relationships in ways that might have previously seemed impossible. Applying the wisdom of the enneagram-based personality types can lead to better connections and a deeper understanding of yourself and those around you!

Come Again Nate Powell,2018-07-11 As the sun sets on the 1970s, the spirit of the Love Generation still lingers among the aging hippies of one intentional community high in the Ozarks. But what's missing? Under impossibly close scrutiny, two families wrestle with long-repressed secrets... while deep within those Arkansas hills, something monstrous stirs, ready to feast on village whispers. National Book Award-winner Nate Powell returns with a haunting tale of intimacy, guilt, and collective amnesia.

#GIRLBOSS Sophia Amoruso,2014-05-06 In the New York Times bestseller that the Washington Post called “Lean In for misfits,” Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written #GIRLBOSS for other girls like her: outsiders (and insiders) seeking a unique path to success, even

when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. "A witty and cleverly told account . . . It's this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing." —Los Angeles Times "Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules." —Vanity Fair "#GIRLBOSS is more than a book . . . #GIRLBOSS is a movement." —Lena Dunham
