The Convert Stefan Hertmans,2020-02-04 Finalist for the 2020 National Jewish Book Awards In this dazzling work of historical fiction, the Man Booker International–long-listed author of War and Turpentine reconstructs the tragic story of a medieval noblewoman who leaves her home and family for the love of a Jewish boy. In eleventh-century France, Vigdis Adelaïs, a young woman from a prosperous Christian family, falls in love with David Todros, a rabbi's son and yeshiva student. To be together, the couple must flee their city, and Vigdis must renounce her life of privilege and comfort. Pursued by her father's knights and in constant danger of betrayal, the lovers embark on a dangerous journey to the south of France, only to find their brief happiness destroyed by the vicious wave of anti-Semitism sweeping through Europe with the onset of the First Crusade. What begins as a story of forbidden love evolves into a globe-trotting trek spanning continents, as Vigdis undertakes an epic journey to Cairo and back, enduring the unimaginable in hopes of finding her lost children. Based on two fragments from the Cairo Genizah—a repository of more than three hundred thousand manuscripts and documents stored in the upper chamber of a synagogue in Old Cairo—Stefan Hertmans has pieced together a remarkable work of imagination, re-creating the tragic story of two star-crossed lovers whose steps he retraces almost a millennium later. Blending fact and fiction, and with immense imagination and stylistic ingenuity, Hertmans painstakingly depicts Vigdis's terrible trials, bringing the Middle Ages to life and illuminating a chaotic world of love and hate.

The Most Reluctant Convert David C. Downing,2004-01-01 An ECPA 2003 Gold Medallion Finalist!Listed inBooklist'sBest Adult Religion Books of the Year in 2002!His books have sold millions, including classics likeMere Christianity, The Screwtape LettersandThe Lion, the Witch and the Wardrobe.Yet C. S. Lewis was not always a literary giant of Christian faith. How did he leave behind a staunch atheism to become one of the most beloved and renowned Christian authors of our time?Other biographies of Lewis explore his childhood or his dramatic conversion to Christianity. But as David Downing reveals in this fascinating book, the rarely discussed period from Lewis's childhood to his early thirties took him on a tumultuous journey of spiritual and intellectual exploration before he became a most reluctant convert. It was not despite this journey but precisely because of it that Lewis understood the search for life's ultimate meaning so well and went on to become one of the most compelling authors of the twentieth century. Weaving the people, places and events of Lewis's life together with excerpts from Lewis's own writing, Downing shows how Lewis's spiritual quest can also light the path for other seekers.

The Convert Deborah Baker,2011-05-10 *A 2011 National Book Award Finalist* A spellbinding story of renunciation, conversion, and radicalism from Pulitzer Prize-finalist biographer Deborah Baker What drives a young woman raised in a postwar New York City suburb to convert to Islam, abandon her country and Jewish faith, and embrace a life of exile in Pakistan? The Convert tells the story of how Margaret Marcus of Larchmont became Maryam Jameelah of Lahore, one of the most trenchant and celebrated voices of Islam's argument with the West. A cache of Maryam's letters to her parents in the archives of the New York Public Library sends the acclaimed biographer Deborah Baker on her own odyssey into the labyrinthine heart of twentieth-century Islam. Casting a shadow over these letters is the mysterious figure of Mawlana Abul Ala Mawdudi, both Maryam's adoptive father and the man who laid the intellectual foundations for militant Islam. As she assembles the pieces of a singularly perplexing life, Baker finds herself captive to questions raised by Maryam's journey. Is her story just another bleak chapter in a so-called clash of civilizations? Or does it signify something else entirely? And then there's this: Is the life depicted in Maryam's letters home and in her books an honest reflection of the one she lived? Like many compelling and true tales, The Convert is stranger than fiction. It is a gripping account of a life lived on the radical edge and a profound meditation on the cultural conflicts that frustrate mutual understanding.

Time's Convert Deborah Harkness, 2018-09-18 From the #1 New York Times bestselling author of *A Discovery of Witches* and *The Black Bird Oracle* comes a novel about what it takes to become a vampire—the fourth in the All Souls series. Look for the hit series “*A Discovery of Witches*,” now streaming on AMC+, Sundance Now, and Shudder! On the battlefields of the American Revolution, Matthew de Clermont meets Marcus MacNeil, a young surgeon from Massachusetts, during a moment of political awakening when it seems that the world is on the brink of a brighter future. When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing, Marcus seizes the opportunity to become a vampire. But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus's deeply held beliefs in liberty, equality, and brotherhood. Fast-forward to contemporary Paris, where Phoebe Taylor--the young employee at Sotheby's whom Marcus has fallen for--is about to embark on her own journey to immortality. Though the modernized version of the process at first seems uncomplicated, the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century. The shadows that Marcus believed he'd escaped centuries ago may return to haunt them both--forever. A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution, *Time's Convert*, the fourth books in the All Souls Series channels the supernatural world-building and slow-burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history, and a love affair that will bridge centuries.

The Secret Thoughts of an Unlikely Convert Rosaria Champagne Butterfield, 2014 Rosaria, by the standards of many, was living a very good life. She had a tenured position at a large university in a field for which she cared deeply. She owned two homes with her partner, in which they provided hospitality to students and activists that were looking to make a difference in the world. In the community, Rosaria was involved in volunteer work. At the university, she was a respected advisor of students and her department's curriculum. And then, in her late 30s, Rosaria encountered something that turned her world upside down -- the idea that Christianity, a religion that she had regarded as problematic and sometimes downright damaging, might be right about who God was. That idea seemed to fly in the face of the people and causes that she most loved. What follows is a story of what she describes as a train wreck at the hand of the supernatural. These are her secret thoughts about those events, written as only a reflective English professor could.--Back cover.

Confessions of a Convert Robert Hugh Benson, 2016-11-07 Mentioned by Pope Francis as a writer whom everyone should read, Robert Hugh Benson, author of *Lord of the World*, shares his spiritual journey from being an Anglican and son of the archbishop of Canterbury to becoming a Roman Catholic priest. Through his humble, honest, and memorable story, Benson invites us—in this republished classic—to think about what it means to wrestle with the deep questions of our Catholic faith while rejoicing in the power of their universal truths. In 1907, *The Ave Maria* magazine invited well-known English novelist Robert Hugh Benson to share his conversion story. He began the first of eight installments with a statement that captures the perils and joys faced by converts as they attempt to cross the Tiber. When one stands at last upon high ground, it is extraordinarily difficult to trace the road by which one has approached: it winds, rises, falls, broadens and narrows until the mind is bewildered. Benson weaves those challenges into *Confessions of a Convert* as he examines his own life for the signs and wonders that illuminated his way. He was astonished at how the remote God of his Anglican upbringing drew close to him, igniting a fire in his heart and a desire to know God on a deeper level. This transformation led him to the doorstep of the Catholic Church. Reluctant to venture further because he was known as an important figure in the Anglican world, Benson grappled with the sacrifices he would make, including the loss of his vocation, family, and friends. After the death of his father, Benson finally embraced the nearness of God found in the Eucharist. He shows us that coming closer to Christ and his Church is not always neat and tidy. Benson's humor and humility help bridge the century-long gap between his time and ours and he teaches us to embrace the questions, struggles, and falterings of our faith in a way that's full of God's love.
