**Grand Dishes** Iska Lupton,Anastasia Miari,2021-03-04 This is not a book about what it’s like to be old. It’s about what it’s like to have lived. There is no food quite like a grandmother’s time-perfected dish. Inspired by their own grandmothers – and the love they shared through the food they served – Anastasia Miari and Iska Lupton embarked on a mission: from Corfu to Cuba, Moscow to New Orleans, and many more in between, they set out to capture cooking methods, regional recipes and timeless wisdom from grandmothers around the world. The result is Grand Dishes, a journey across four years of cooking with the world’s grandmothers, a preservation not just of recipes but of the stories – told through the dishes – that have seasoned these grandmothers’ lives. Featured alongside are contributions from celebrated chefs and food writers, each with their own grandmother’s recipe to share. Rich with the insight that age brings, elegant portraits, diverse recipes, and techniques unique to a region, a grandmother and her family, this is a book to pass down through generations.

*Life from Scratch* Sasha Martin,2016-03 It was a culinary journey like no other: Over the course of 195 weeks, food writer and blogger Sasha Martin set out to cook--and eat--a meal from every country in the world. As cooking unlocked the memories of her rough-and-tumble childhood and the loss and heartbreak that came with it, Martin became more determined than ever to find peace and elevate her life through the prism of food and world cultures. From the tiny, makeshift kitchen of her eccentric, creative mother, to a string of foster homes, to the house from which she launches her own cooking adventure, Marin's heartfelt, brutally honest memoir reveals the power of cooking to bond, to empower, and to heal--and celebrates the simple truth that happiness is created from within--

**Cooking In Paradise** Joel Naftali, Lee Naftali,2014-05-27 Cooking in Paradise is a rich, definitive guide to hands-on gourmet cooking vacations around the world. Ever dream of sauteing in Sicily? Or having a master divulge the secrets of perfect patisserie in Paris? How about mincing in Morocco? Cooking in Paradise will show you how to get there, and scores of other places, with over 150 listings for cooking-vacation programs around the world (and a handful right here in the United States, too). Joel and Lee Naftali give details about famous courses--like Patricia Wells's at home in her eighteenth-century Provencal farmhouse--but have also unearthed truly unusual fare, from a kosher-cooking course in Tuscany to an Australian country house gourmet retreat to a Mexican cuisine class held at a working hillside farm in Oaxaca. Cooking in Paradise provides all the information you need to book a cooking vacation today, but with its evocation of far-flung locales and over 50 unusual recipes from the schools included, it's perfect for the stay-at-home chef as well.

*Cuisine and Empire* Rachel Laudan,2015-04-03 Rachel Laudan tells the remarkable story of the rise and fall of the world’s great cuisines—from the mastery of grain cooking some twenty thousand years ago, to the present—in this superbly researched book. Probing beneath the apparent confusion of dozens of cuisines to reveal the underlying simplicity of the culinary family tree, she shows how periodic seismic shifts in “culinary philosophy”—beliefs about health, the economy, politics, society and the gods—prompted the construction of new cuisines, a handful of which, chosen as the cuisines of empires, came to dominate the globe. Cuisine and Empire shows how merchants, missionaries, and the military took cuisines over mountains, oceans, deserts, and across political frontiers. Laudan’s innovative narrative treats cuisine, like language, clothing, or architecture, as something constructed by humans. By emphasizing how cooking turns farm products into food and by taking the globe rather than the nation as the stage, she challenges the agrarian, romantic, and nationalistic myths that underlie the contemporary food movement.

Cooking Around the World Jeff Sferazza,2018-07-15 Baking, salt-packing, pickling, frying, stewing, roasting, grilling. These culinary techniques are used in countries around the world today, but they each originated out of the necessity of a certain region and its people to create meals for themselves. Readers will be so enthralled, they won't guess they're learning social studies as they journey across the world from kitchen to kitchen through the pages this book. Accessible text and foreign-yet-familiar photographs teach how different and the same we all are when it comes to preparing food.
