Once upon a time there was ... a princess who loved all her beautiful ponies, a cool muscle dude who rode an awesome motorcycle. But a giant came and started stealing them! And he took the princess's gold thread for payment The end! Wait a minute! That's not how it ends! Oh no? McQueen's Motorcycles Matt Stone, 2017-01-15 The long-departed Steve McQueen is still the coolest man on two wheels. Get an intimate look at his coolest bikes right here, right now, in McQueen's Motorcycles. Even thirty years after his death, Steve McQueen remains a cultural icon. His image continues to appear in advertising and pop culture and his fan base spans from car lovers to racing enthusiasts to motorcycle obsessives. In his movies, McQueen's character always had an envy-inducing motorcycle or car, but in his personal life, motorcycles were always McQueen's first true love. McQueen's Motorcycles focuses on the bikes that the King of Cool raced and collected. From the first Harley McQueen bought when he was an acting student in New York to the Triumph desert sleds and Huskys he desert raced all over California, Mexico, and Nevada, McQueen was never without a stable of two wheelers. His need for speed propelled him from Hollywood into a number of top off-road motorcycle races, including the Baja 1000, Mint 400, Elsinore Grand Prix, and even as a member

of the 1964 ISDT team in Europe. Determined to be ahead of the pack, McQueen maintained his body like it was a machine itself. He trained vigorously, weight lifting, running, and studying martial arts. Later in his life, as he backed away from Hollywood, his interests turned to antique bikes and he accumulated an extensive collection, including Harley-Davidson, Indian, Triumph, Brough Superior, Cyclone, BSA, and Ace motorcycles. Today, McQueen still has the Midas touch; anything that was in the man's possession is a hot commodity. McQueen's classic motorcycles sell for top dollar at auctions, always at a multiple of what the same bike is worth without the McQueen pedigree. McQueen's Motorcycles reveals these highly sought-after machines in gorgeous photography and full historical context.

My Cool Motorcycle Chris Haddon, 2020-05-04 Motorcycle riders today have an increasingly sophisticated and more specialised range of bikes to choose from but interest in classic bikes has also influenced the design of these new machines. Looking back across the 100 years or so of the motorcycle, my cool motorcycle features over 60 stylish bikes of all shapes and sizes along with a cross-section of passionate owners and their personal stories. Many of these iconic bikes have been customised with unique styling and the high-quality, stylish photography illustrates a plethora of bike detailing covering signage, gauges, dials and bike typography. The book also includes details of extraordinary intercontinental journeys, bike culture, early examples of powered bicycles used in the First World War through sidecars for carrying the family to cutting edge, 21st century design capable of speeds over 150mph, bike collectors, iconic legends of motorcycle racing, and a look at different uses for motorcycles.

Can We Help Us? Timothy Shepard, 2011-06-24 Growing up in the sixties was bad enough, but to grow up in the sixties as an inter-racial kid was really bad. The blacks, who were already being

openly hated for being black, didnt accept me because I was half white and the whites didnt accept me because I was black. No one seemed to accept me except a few from either side; and this was inside my own family. I didnt meet my mothers father until I was fourteen. I was being prepared for the real world that was all too ready to jump right in line and pick up where my family left off or may have missed a lesson or two. Why did these and more, much more happen to me? Because if youre going through hell right now or been through it; been abused; thinking of hurting yourself or someone else; thinking of suicide; thinking no one loves you or ever could; thinking no one cares; this is why I went through what you have to read in this book to believe. It was for you. Blessed be GOD, even the Father of our Lord JESUS CHRIST, the Father of mercies, and the GOD of all comfort; Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of GOD. For as the suff erings of CHRIST abound in us, so our consolation also aboundeth by CHRIST. And whether we be affl icted, it is for your consolation and salvation, which is eff ectual in the enduring of the same suff erings which we also suff er: or whether we be comforted, it is for your consolation and salvation. 2 Corinthians 1:3-6 KJV. Th erefore being justifi ed by faith, we have peace with GOD through our Lord JESUS CHRIST: By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of GOD. And not only so, but we glory in tribulations also: knowing that tribulation worketh patience: And patience, experience; and experience, hope: And hope maketh not ashamed; because the love of GOD is shed abroad in our hearts by the Holy Ghost which is given unto us. For when we were yet without strength, in due time CHRIST died for the ungodly. For scarcely for a righteous man will one die: yet peradventure for a good man some would even dare to die. But GOD commendeth His love toward us, in that, while we were yet sinners, CHRIST died for us. Romans 5: 1-8 KJV. And the grace of our Lord

was exceeding abundant with faith and love which is in CHRIST JESUS. Th is is a faithful saying, and worthy of all acceptance, that CHRIST JESUS came into the world to save sinners; of whom I am chief. Howbeit for this cause I obtained mercy, that in me first JESUS CHRIST might show forth all longsuffering, for a pattern to them which should hereafter believe on Him to life everlasting. Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory for ever and ever. Amen. 1 Timothy 1: 14-17 KJV. Can We Help Us? T I M O T H Y S H E P H A R D
