Judah M. Cohen

Through the Sands of Time Judah M. Cohen,2012-06-26 An enlightening look at a unique and remarkable Jewish community

Wholehearted Librarianship Michael Stephens,2019-05-21 Stephens is back with a newly curated collection of succinct writings that will refresh your view of the profession and invigorate your work. He encourages curiosity and creativity in his students and all library workers by connecting trends from outside the profession to its bedrock values.

Ill Nature Joy Williams,2015-10-10 Most of us watch with mild concern the fast disappearing wild spaces or the recurrence of pollution - related crises such as oil spills, toxic blooms in fertilizer-enriched rivers, and the increasing violence in our own country. Joy Williams does much more than watch. With guts and passion, she sounds the alarm over the general disconnection from the natural world that our consumer culture has created. The culling of elephants, electron-probed chimpanzees, and the vanishing wetlands are just some of her subjects. Razor-sharp, controversial, scathingly opinionated, and refreshingly unafraid of conflict, Williams refuses to compromise as she lashes out at the greed of Americans and decries our own turpitude. It is not enough to mourn the passing of the natural world, Ill Nature shouts. Get out of our homes and our cars and our cubicles and do something...now.

And They Shall Be My People Paul Wilkes,2007-12-01 A “lucid, compassionate, [and] inspiring” chronicle of an American Rabbi’s struggle to keep the faith of his congregation (Chicago Tribune). Journalist Paul Wilkes spent a year with Rabbi Jay Rosenbaum of Congregation Beth Israel in Worcester, Massachusetts. He silently observed the Rabbi’s life and work, got to know his congregation, and listened in as he performed the myriad tasks both spiritual and practical that occupy a Rabbi’s long day. Wilkes quickly learned that Rabbi Rosenbaum is an extraordinary individual—a spiritual leader deeply committed to his congregation, a Jewish scholar steeped in ancient tradition, and an American man too familiar with the temptations of secular society. Wilkes watched as Rabbi Rosenbaum worked—with unyielding confidence and nearly constant frustration—to draw his conservative congregation into more than just intermittent observance. This fascinating, thought-provoking book is at once an intimate portrait of a year in a rabbi’s life and a vivid account of the state of American Judaism today.

The Swing Joe Cepeda,2006 Josie's parents lose everything - from stuff they've borrowed to their dog. Even worse, they lose track of the time they promised to spend with Josie. But a swing, a special tree, and some wacky magic help Josie see that nothing is lost forever. Engaging fantasy. - Kirkus Reviews [S]olves a compelling real-world predicament with a truly fantastic plot twist. Cepeda's art is vibrant and engaging. - School Library Journal

The Origin of Consciousness in the Breakdown of the Bicameral Mind Julian Jaynes,2000-08-15 National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s The Origin of Consciousness in the Breakdown of the Bicameral Mind. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, The New Yorker “He is as startling as Freud was in The Interpretation of Dreams, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

How to Be Interesting Jessica Hagy,2013-03-19 You want to leave a mark, not a blemish. Be a hero, not a spectator. You want to be interesting. (Who doesn’t?) But sometimes it takes a nudge, a wake-up call, an intervention!—and a little help. This is where Jessica Hagy comes in. A writer and illustrator of great economy, charm, and insight, she’s created How to Be Interesting, a uniquely inspirational how-to that combines fresh and pithy lessons with deceptively simple diagrams and charts. Ms. Hagy started on Forbes.com, where she’s a weekly blogger, by creating a “How to Be Interesting” post that went viral, attracting 1.4 million viewers so far, with tens of thousands of them liking, linking, and tweeting the article. Now she’s deeply explored the ideas that resonated with so many readers to create this small and quirky book with a large and universal message. It’s a book about exploring: Talk to strangers. About taking chances: Expose yourself to ridicule, to risk, to wild ideas. About being childlike, not childish: Remember how amazing the world was before you learned to be cynical. About being open: Never take in the welcome mat. About breaking routine: Take daily vaca- tions . . . if only for a few minutes. About taking ownership: Whatever you’re doing, enjoy it, embrace it, master it as well as you can. And about growing a pair: If you’re not courageous, you’re going to be hanging around the water cooler, talking about the guy that actually is.

Staging the World Ida Ostenberg,2009-05-21 An illustrated study of the Roman triumphal procession, Ida Ostenberg analyses the stories the Roman triumph told about the defeated and the ideas it transmitted about Rome itself.

The Keillor Reader Garrison Keillor,2014-05-01 Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the Anoka Herald, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from A Prairie Home Companion, stories from The New Yorker and The Atlantic, excerpts from novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, The Keillor Reader also presents pieces never before published, including the essays “Cheerfulness” and “What We Have Learned So Far.” Keillor is the founder and host of A Prairie Home Companion, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the Good Poems collections, and a member of the American Academy of Arts and Letters.

Visiting Day Jacqueline Woodson,2015-08-11 A young girl and her grandmother visit the girl's father in prison.

Place Makers Ronald Lee Fleming,Renata Von Tscharnner,1981

Daughter of Smoke & Bone Laini Taylor,2011-09-27 The first book in the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious errands; she speaks many languages--not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers--beautiful, haunted Akiva--fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

The Rotarian ,1959-01 Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians.

Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

Ta-Da! Kathy Ellen Davis,2018-06-26 What makes a good story? One little girl thinks it's a princess with magical powers that can—ta-da!—overcome any obstacle. Her friend thinks it's—dun dun duh!—a combination of dragons, pirates, and fire that cause total chaos. But as their stories intertwine, these two young storytellers soon learn that a good story needs both conflict—dun dun duh!—and resolution—ta-da! An irresistible celebration of imaginary play, storytelling, and the joys of collaboration, this gorgeous picture book features two strong voices throughout, making it the perfect read-aloud.

Fortitudine ,1994

The Arctic Fury Greer Macallister,2020-12-01 A dozen women join a secret 1850s Arctic expedition—and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations, USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance and hope.

California Cultivator and Livestock and Dairy Journal ,1918

Objects Untimely Graham Harman,Christopher Witmore,2023-03-21 Objects generate time; time does not generate or change objects. That is the central thesis of this book by the philosopher Graham Harman and the archaeologist Christopher Witmore, who defend radical positions in their respective fields. Against a current and pervasive conviction that reality consists of an unceasing flux – a view associated in philosophy with New Materialism – object-oriented ontology asserts that objects of all varieties are the bedrock of reality from which time emerges. And against the narrative convictions of time as the course of historical events, the objects and encounters associated with archaeology push back against the very temporal delimitations which defined the field and its objects ever since its professionalization in the nineteenth century. In a study ranging from the ruins of ancient Corinth, Mycenae, and Troy to debates over time from Aristotle and al-Ash‘ari through Henri Bergson and Alfred North Whitehead, the authors draw on alternative conceptions of time as retroactive, percolating, topological, cyclical, and generational, as consisting of countercurrents or of a surface tension between objects and their own qualities. Objects Untimely invites us to reconsider the modern notion of objects as inert matter serving as a receptacle for human categories.

I Want My Hat Back Jon Klassen,2016-10-25 A New York Times Best Illustrated Children's Book of 2011! A picture-book delight by a rising talent tells a cumulative tale with a mischievous twist. Features an audio read-along! The bear’s hat is gone, and he wants it back. Patiently and politely, he asks the animals he comes across, one by one, whether they have seen it. Each animal says no, some more elaborately than others. But just as the bear begins to despond, a deer comes by and asks a simple question that sparks the bear’s memory and renews his search with a vengeance. Told completely in dialogue, this delicious take on the classic repetitive tale plays out in sly illustrations laced with visual humor-- and winks at the reader with a wry irreverence that will have kids of all ages thrilled to be in on the joke.

Cool Reader Bronze Donation Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change.
