Act Cool Tobly McSmith,2021-09-07 *Named a Rainbow Book List Title and one of Bank Street Children's Best Books of the Year* A trans teen walks the fine line between doing whatever it takes for his acting dream and staying true to himself in this moving, thought-provoking YA novel from the acclaimed author of Stay Gold. Aspiring actor August Greene just landed a coveted spot at the prestigious School of Performing Arts in New York. There's only one problem: His conservative parents won't accept that he's transgender. And to stay with his aunt in the city, August must promise them he won't transition. August is convinced he can play the part his parents want while acting cool and confident in the company of his talented new friends. But who is August when the lights go down? And where will he turn when the roles start hitting a little too close to home?

The Time Line New Testament Bible (2022) (Leather Look with Gold Foil Imprint and Gold Foil Pages) (Ribbon Marker) (Words of Christ in Red) (Full Color Interior and Maps) Leonard R. Hoffman,2023-01-17 The New Testament is so much more than you've been taught! Are you ready to discover the truth? Through a lifetime of research, Dr. Leonard Hoffman is able to reveal the true order and sequence of events in the New Testament in the letters of Paul and the Gospels. The Time Line New Testament presents an historically accurate timeline of the events of the entire New Testament. Go beyond the Christian owner's manual view of the New Testament as you follow Christ and His disciples through the years of His ministry on earth. Discover new insights and truths long obscured throughout the letters of Paul, as you travel with him on his journeys among the early churches. Your eyes will be opened as you see the New Testament in a new light and discover deeper truths that reveal the answers to questions such as: What did Paul really teach about persecution, and how can it help you today? What can you learn from First Century believers? What were the true foundational teachings of the First Century Church, and how can you bring those teachings to life in your life? How did Gentile churches survive those early years, and what lessons can the Modern Church learn from them? What are the real issues the Early Church faced, and how should we deal with those same issues today? Let the New Testament come to life in you as your faith is strengthened and your eyes opened to the true stories of conflict, grace, struggle, and overcoming through The Time Line New Testament.

Gold Nanoparticles in Biomedical Applications Lev Dykman,Nikolai Khlebtsov,2017-12-12 This book discusses fabrication of functionalized gold nanoparticles (GNPs) and multifunctional nanocomposites, their optical properties, and applications in biological studies. This is the very first book of its kind to comprehensively discuss published data on in vitro and in vivo biodistribution, toxicity, and uptake of GNP by mammalian cells providing a systematization of data over the GNP types and parameters, their surface functionalization, animal and cell models. As distinct from other related books, Gold Nanoparticles in Biomedical Applications discusses the immunological properties of GNPs and summarizes their applications as an antigen carrier and adjuvant in immunization for the preparation of antibodies in vivo. Although the potential of GNPs in nanobiotechnology has been recognized for the past decade, new insights into the unique properties of multifunctional nanostructures have recently emerged. With these developments in mind, this book unites ground breaking experimental data with a discussion of hybrid nanoparticle systems that combine different nanomaterials to create multifunctional structures. These novel hybrids constitute the material basis of theranostics, bringing together the advanced properties of functionalized GNPs and composites into a single multifunctional nanostructure with simultaneous diagnostic and therapeutic functions. Such nanohybrids can be physically and chemically tailored for a particular organ, disease, and patient thus making personalized medicine available.

The Book of (More) Delights Ross Gay,2023-09-19 **Named a Best Book of the Year by The Boston Globe, Garden & Gun, Electric Literature, and St. Louis Public Radio** The New York Times bestselling author of The Book of Delights and Inciting Joy is back with exactly the book we need in these unsettling times. Margaret Roach of The New York Times says, "Yes, please. I'll have another dose of delight." In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the "nefarious" scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree—and the trillion mysterious ways this glorious earth delights us. The Book of (More) Delights is a volume to savor and share.

Kings of B'more R. Eric Thomas,2022-05-31 Infused with all the joy of the best teen movies, Kings of B'more is sure to be a big hit. —BuzzFeed Two Black queer best friends face their last day together with an epic journey through Baltimore in this magnetic YA debut by bestselling author of Here for It, R. Eric Thomas. A 2023 Stonewall Honor Book for Young Adult Literature With junior year starting in the fall, Harrison feels like he's on the precipice of, well, everything. Standardized testing, college, and the terrifying unknowns and looming pressures of adulthood after that—it's like the future wants to eat him alive. Which is why Harrison is grateful that he and his best friend, Linus, will face these things together. But at the end of a shift at their summer job, Linus invites Harrison to their special spot overlooking the city to deliver devastating news: He's moving out of state at the end of the week. To keep from completely losing it—and partially inspired by a cheesy movie-night pick by his dad—Harrison plans a send-off à la Ferris Bueller's Day Off that's worthy of his favorite person. If they won't be having all the life-expanding experiences they thought they would, Harrison will squeeze them all into their last day together. They end up on a mini road trip, their first Pride, and a rooftop dance party, all while keeping their respective parents, who track them on a family location app, off their trail. Harrison and Linus make a pact to do all the things—big and small—they've been too scared to do. But nothing feels scarier than saying goodbye to someone you love. COVER MAY VARY.

Residential designer Jamie Gold has spent years defining the exciting new field of wellness design, which explores how simple changes to things like lighting, fixtures, storage, and outdoor space can make a huge difference in how you feel every day. Wellness by Design offers a room-by-room guide to refreshing your space so that it supports muscle and bone health, encourages clean eating, prevents disease, and promotes safety, fitness, serenity, and joy. Whether you're training for a marathon or recovering from an injury, building your dream home or decorating your new rental, the design of your home can help—or hinder—your active lifestyle. This book will help you keep your fitness goals and stay on track for a long and healthy life.

The Field Guide to Fundraising for Nonprofits Sarah B. Lange,2017-12-01 With this book in hand, nonprofits can increase their fundraising potential-and their overall impact-by learning how to ramp up nearly every aspect of their fundraising programs in new and creative ways. Today's competitive and ever-shifting environment demands that nonprofits adopt a new approach to raising money. This book will show them how, in part by changing the way those charged with fundraising think about this all-important task. The book will help nongovernmental organizations plan better, write more powerful grants, craft more compelling appeals and other communications, engage board members and donors-and brag about all the

great work they're doing in just the right way. It offers readers a fresh perspective on fundraising, as well as clear, practical strategies to build essential connections using varied tactics, including social media. Equally helpful is an eye-opening discussion about beliefs and attitudes that can stand in the way of fundraising success. Unlike books that focus on a single strategy such as grant writing, board development, or major gifts appeals, this volume is unique in that it details fundraising strategies that generate the highest return on investment. In doing so, the author provides a theoretical framework, creative ideas for taking best practices to the next level, and specific tools that can be applied to reach fundraising goals. By adopting the new framework, enhancing skills, and taking a fresh look at their task, nonprofits can raise the money they need to make a significant difference, regardless of their mission or cause.

Cold Hands, Warm Heart Jill Wolfson,2009-03-31 Dani was born with her heart on the wrong side of her body. In her fifteen years of life, she's had more doctor's appointments, X-rays, and tests, and eaten more green hospital Jell-O than she cares to think about. Fourteen-year-old Amanda is a competitive gymnast, her body a small package of sleek muscles, in perfect health. The two girls don't know each other, don't go to the same school, don't have any friends in common. But their lives are about to collide. Acclaimed author Jill Wolfson tackles this fascinating story with her trademark honesty and wit.
