

Cools

Greg Foley,Andrew Luecke

Cool Greg Foley,Andrew Luecke,2017-05-09 Cool is a compendium of global youth subcultures and street styles—from Flappers to Swing Kids, to Goths to today’s Normcore—that have shaped the fashion zeitgeist. It’s no secret that the youth of the world buck conventional mainstream culture every chance they get, blazing countercultural trails in the process. Driven by their thirst for art and music, and their environment, young people combine their inspirations with the innate desire to rebel, resulting in a defiant subculture; and mainstream society runs to catch up, to co-opt it, and drag it to the mainstream. Lindy Hoppers of the 1930s, greasers of the 1950s, Rude Boys of the 1960s, glam rockers of the 1970s, club kids of the 1980s: there are countless subculture styles that were born from resisting authority. COOL: Style, Sound, and Subversion is equal parts historical chronicle and handbook of the myriad subcultures—most unknown to mainstream culture—that have influenced style. Authors Greg Foley and Andrew Luecke have compiled a comprehensive list of subcultures that have evolved over more than one hundred years, taking a look at the fashion, the art, the films, the books, the music, and historical context of these style movements, many of which came to influence conventional culture and eventually became a norm. Lavish with original illustrations, COOL references a wealth of ephemera—including a timeline, zeitgeist films, ’zines, secret music scenes, art collectives, and over one hundred music playlists tied to specific subcultures through the years—to give the reader a thoroughly vibrant picture of each movement and their sub-movements. COOL: Style, Sound, and Subversion is sure to appeal to fashionistas, culture mavens, and pop culture fans alike.

The Cool Factor Andrea Linett,2016-04-26 “An excellent idea for a book. . . . Next time I spend more than \$40 on an article of clothing, I’ll run it by Linett first.” —The New York Times Book Review In a culture where trends are born and die every minute, maintaining style and effortlessness at every age requires that little extra something—the cool factor. Being “cool” isn’t about chasing trends or defying age but about following a few key guidelines. Yes, the cool factor is a skill that can be learned! In this photo-packed guide, Andrea Linett, a famed personal stylist and founding creative director of Lucky magazine, offers easy-to-implement, actionable tips that will change the way women dress. The tips are modeled by real-life style icons like Kim Gordon of Sonic Youth and Christene Barberich, founder of Refinery29, as Andrea highlights the ingenious ways in which they skillfully pile on layers, or dress up denim for work or a party. The book is organized into chapters that include wardrobe classics, denim, leather, suits, dressing up, and accessories, and features style hacks that turn an outfit into a masterpiece (choosing shoes that instantly slim you, combining tough and feminine pieces, and accessorizing a day-to-night look). Packed with useful lists and examples, this guide is the would-be stylish woman’s best friend.

The Book of Cool Marianne Taylor,2009-06-30 From jazz music to wearing sunglasses indoors, “cool” has always been the ultimate social label. The craving for this acceptance has powered popular culture for the last hundred years. Fashion, music, cars, pop idols, attitudes, and even some schools and parents, have been labeled Cool. But by whom? The truth is: no one in particular. And then there is the whimsical nature of being Cool: The arbiters of taste and style are so eager to pronounce something Cool, that something immediately becomes uncool as the masses rush to adopt it, in order to be Cool first. Something or someone can be so “In” they quickly become “So Five Minutes Ago” before spiraling downward to “Out.” And then, like nerds and bell-bottoms, something can be so “Out”, it’s “In.” (That’s cool.) Taylor details the history of Cool, spotlighting its current manifestations. She charts the evolution of Cool from the sidewalks to the boardrooms, separating who creates cool from who merely markets it.

Architects' and Builders' Magazine ,1903

Cool Flowers Lisa Mason Ziegler,2014 Presents simple techniques for an early spring garden of color profiling 30 hardy annual flowers.

Spit Mary Batten,2019 Spit uncovers the secrets secreting in the many mouths on the globe. From humans to cows to vampire bats to spitting spiders, this book looks at spit from many different angles to provide readers with the fascinating world found in this gross-out subject.--

Performing Mourning Guy Cools,2021-06 Each person’s grief is as unique as their fingerprint. But what everyone has in common is that no matter how they grieve, they share a need for their grief to be witnessed. David Kessler (2019) The pandemic has once again made us more aware of the fragility of life and the importance of being able to properly mourn the dead. Dramaturg Guy Cools has been researching laments and other rituals of mourning. He is particularly interested in how the emotions of loss need to be externalized. The laments are a formal device, used in many cultures to express and contain the emotions of grief. In a poetic, meandering, personal way Cools explores cultural habits, traditions, rituals, and artists’ performances. His narrative looks into many forms of laments: literary, anthropological, philosophical, and in contemporary art practices. The latter part delves into artistic strategies to address or embody mourning: dialogical strategies that deal with personal losses; collective mourning rituals and how they invite communities to witness these losses; contemporary examples of laments that are not only used to dialogue with the dead but also to communicate with loved ones who are absent because of migration or exile; a very specific form of mourning that occurs when we grieve for the unrealized potential of a child’s un-lived life, including that of an unborn child. And finally, the very recent phenomenon of lamenting not just the losses of the past, but also the loss of a future.

The Death of Cool Gavin McInnes,2013-07-16 The cartoonist from the award-winning comic *Pervert* and creator of *Vice* magazine unabashedly recounts such outrageous misadventures as his streaking through New York City during the 2003 blackout and his invention of the Warhol Children. 50,000 first printing.

Where the Cool Kids Hung Out Steven Scragg,2020-10-12 Where the Cool Kids Hung Out is the story of the UEFA Cup's glory years, when it was a tournament that boasted a stronger field of teams than its senior siblings, the European Cup and the European Cup Winners' Cup. Since then it has drifted into its poor current form as the Europa League, the Champions League having siphoned off most of Europe's biggest clubs. Yet the UEFA Cup enjoyed some very stylish years, no more so than during the two-legged final period. It was an era when Ipswich Town swept to glory, Liverpool conditioned themselves to conquer the continent, Tottenham Hotspur twice captured the cup and Dundee United came agonisingly close. It was also a time when Borussia Mönchengladbach made their name, Real Madrid regenerated as a force and Serie A came to dominate. Drawing on an encyclopaedic knowledge of the tournament plus interviews with players, journalists and fans who lived and loved the competition, Steven Scragg brings you the definitive account of the UEFA Cup's halcyon days.

The Bona Fide Legend of Cool Papa Bell Lonnie Wheeler,2021-02-09 The first full biography of the star Negro Leaguer and Hall of Famer James “Cool Papa” Bell (1903–1991) was a legend in black baseball, a lightning fast switch hitter elected to the National Baseball Hall of Fame in 1974. Bell’s speed was extraordinary; as Satchel Paige famously quipped, he was so fast he could flip a light switch and be in bed before the room got dark. In *The Bona Fide Legend of Cool Papa Bell*, experienced baseball writer and historian Lonnie Wheeler recounts the life of this extraordinary player, a key member of some of the greatest Negro League teams in history. Born to sharecroppers in Mississippi, Bell was part of the Great Migration, and in St. Louis, baseball saved Bell from a life working in slaughterhouses. Wheeler charts Bell’s ups and downs in life and in baseball, in the United States, the Dominican Republic, and Mexico, where he went to escape American racism and MLB’s color line. Rich in context and suffused in myth, this is a treat for fans of baseball history.

ways to cool your home Without Air Conditioning Charles Nehme, As the temperatures rise, finding effective ways to keep your home cool without solely relying on air conditioning can not only help you save energy but also create a more sustainable and comfortable living environment. Freaks, Geeks, and Cool Kids Murray Milner Jr., 2013-04-15 In this timely and insightful book, award-winning sociologist Murray Milner tries to understand why teenagers behave the way they do. Drawing upon two years of intensive fieldwork in one high school and 300 written interviews about high schools across the country, he argues that consumer culture has greatly impacted the way our youth relate to one another and understand themselves and society. He also suggests that the status systems in high schools are in and of themselves an important contributing factor to the creation and maintenance of consumer capitalism explaining the importance of designer jeans and designer drugs in an effort to be the coolest kid in the class.

Coolfarming Chapter 1: How Do You Turn a Cool Idea into a Trend? ,

Totally Cool Grandparenting Leslie Linsley, 1997-08-15 Offers advice, humor, and time-tested tactics for making the most of grandparenting.

LL Cool J's Platinum 360 Diet and Lifestyle LL COOL J, Dave Honig, Chris Palmer, Jim Stoppani, 2010-04-27 Multi-platinum, Grammy award-winning rapper and best-selling author LL Cool J shares the secrets to his enviable physique and, perhaps even sexier, his hard-earned contentment and peace of mind. His high-energy, no-nonsense program includes a 30-day workout regimen designed to build lean, sexy muscles and a breakthrough diet plan that can help you shed up to 20 pounds in just 4 weeks—even with weekend cheat meals! But what truly elevates the LL Cool J's Platinum 360 Diet and Lifestyle is LL's practical, easy-to-follow advice for personal transformation. Through self-reflection and spiritual guidance, he'll show you how to develop your own internal strength, giving you the tools and wisdom to transform your life from the inside out. It's not just about how to get fit, but you can—and deserve to be—your best self.

We Real Cool bell hooks, 2004-08-02 When women get together and talk about men, the news is almost always bad news, writes bell hooks. If the topic gets specific and the focus is on black men, the news is even worse. In this powerful new book, bell hooks arrests our attention from the first page. Her title--We Real Cool; her subject--the way in which both white society and weak black leaders are failing black men and youth. Her subject is taboo: this is a culture that does not love black males: they are not loved by white men, white women, black women, girls or boys. And especially, black men do not love themselves. How could they? How could they be expected to love, surrounded by so much envy, desire, and hate?

Keto Cooking for Cool Dudes Brad Kearns, Brian McAndrew, 2019-11-08 A hilarious and irreverent cookbook written just for dudes (like Brad and Brian) who are interesting, successful, confident, and extremely good looking; dudes who like to eat healthy, colorful, creative keto-friendly creations, but are too busy and important to stress over time-consuming, complex recipes. Co-authors Brad Kearns and Brian McAndrew pose as experts to help you swagger into the low carb, moderate protein, high fat ketogenic diet the right way, without the stress and frustration of ordinary keto cookbooks. While naysayers may criticize keto as a "bacon and butter" fat-fest, and disparage Brad and Brian as a couple of posers trafficking on their sex appeal and athletic prowess instead of their cooking skills, this book emphasizes an incredible array of genius or near-genius level recipes featuring nutritious natural animal foods, colorful vegetables, and other nutrient-dense ingredients that will help optimize gut health, boost immune function, and improve performance on the athletic field, in the bedroom, and at work by three to four levels. You will be amazed at the creativity these two dudes will inspire in you to become a freakin' kitchen legend in less time and less hassle than you ever dreamed possible before meeting these two dudes. While originally envisioned as a great gift idea for females to give to their favorite dudes, several female recipe testers, photographers, designers and key grips on the project have indicated that they want to keep the book for themselves. Brad and Brian are prepared for viral acceptance by females and agree to show up and rock the house at any ladies book club meeting they are invited to.
