Grocery Story Jon Steinman, 2019-05-07 Hungry for change? Put the power of food co-ops on your plate and grow your local food economy. Food has become ground-zero in our efforts to increase awareness of how our choices impact the world. Yet while we have begun to transform our communities and dinner plates, the most authoritative strand of the food web has received surprisingly little attention: the grocery store—the epicenter of our food-gathering ritual. Through penetrating analysis and inspiring stories and examples of American and Canadian food co-ops, *Grocery Story* makes a compelling case for the transformation of the grocery store aisles as the emerging frontier in the local and good food movements. Author Jon Steinman: Deconstructs the food retail sector and the shadows cast by corporate giants Makes the case for food co-ops as an alternative Shows how co-ops spur the creation of local food-based economies and enhance low-income food access. *Grocery Story* is for everyone who eats. Whether you strive to eat more local and sustainable food, or are in support of community economic development, *Grocery Story* will leave you hungry to join the food co-op movement in your own community.

Coop Michael Perry, 2009-04-21 In over his head with two pigs, a dozen chickens, and a baby due any minute, the acclaimed author of *Population: 485* gives us a humorous, heartfelt memoir of a new life in the country. Living in a ramshackle Wisconsin farmhouse—faced with thirty-seven acres of fallen fences and overgrown fields, and informed by his pregnant wife that she intends to deliver their baby at home—Michael Perry plumbs his unorthodox childhood for clues to how to proceed as a farmer, a husband, and a father. Whether he's remembering his younger days—when his city-bred parents took in sixty or so foster children while running a sheep and dairy farm—or describing what it's like to be bitten in the butt while wrestling a pig, Perry flourishes in his trademark humor. But he also writes from the quieter corners of his heart, chronicling experiences as joyful as the birth of his child and as devastating as the death of a dear friend.

What do you do at a summer resort? Eric, Mindy and Cindy come up with the funniest and sometimes most daring adventures ever dreamed up by kids on vacation. The land of old Rip Van Winkle is now gripped with action as the Chicken Coup Gang challenges the guests of the lodge with spoon diving contests, masquerade balls, talent shows, softball games, horseback riding, ghosts of the civil war and much more. Join the gang and their families as they turn a normal vacation experience into something bigger and better than the movies.

Little Coop Holly Valentine Sherman, 2021-01-13 *Little Coop By: Holly Valentine Sherman* Growing up is hard to do. Children are afraid of the unknown – and everything is unknown to them. Trying new things, meeting new people, experiencing new environments, are all scary things to them. *Little Coop* is no different. A lot is expected of him and he doesn't know how to cope with the pressure. Being an airplane comes with many responsibilities, and many challenges. How *Little Coop* learns to overcome his fears and meet the challenges will help teach children of all ages that being afraid is natural - but overcoming that fear is all part of the process of growing up.

A Cop & a Coop Hillary Avis, 2020 It's a mother-clucking murder! When Leona Davis hatches a plan to return to her beloved hometown of Honeytree, Oregon, she hopes to build the egg farm of her dreams and leave behind the marriage of her nightmares. But the yolk's on her when she breaks ground on her chicken palace and unearths a skeleton in her front yard. It's clearly fowl play. The bones may be decades old, but there's no statute of limitations on murder. With a county forensics team roosting on her lawn and a flock of town gossips poking their beaks where they don't belong, Leona's well-laid farming plans may be nothing more than a wing and a prayer. Her spicy high school ex, Sheriff Eli Ramirez, assures Leona he'll crack the case, but he's not exactly a hardboiled detective. Her best hope to get back to a life with more hens and less mens' Scramble to uncover her small town's buried secrets before everything's totally plucked. *A Cop and a Coop* is the first book in the clever, irreverent *Clucks and Clues Cozy Mysteries* that will keep you chuckling and guessing until the end.

From the author of the hit *Minerva Louise* series, this new rowdy reader about the Loopy Coop Farm hens is also a perfect lesson in reading.

The Cooperative Sports & Games Book Terry Orlick,1978 All the fun of active sports -- without the hurt of losing The idea behind this book is simple: people should play together, not against each other. To show you how enjoyable (and challenging) that, can be, Terry Orlick has created and collected over one hundred brand-new games based on cooperation, not competition, with the perfect one for every occasion. Who can play? People of every size, shape, age, and ability, from preschoolers to senior citizens. Where can you play? In the gym, on the beach, in the swimming pool, around the playground, in the classroom, in your backyard, or even in your own living room. What do you need? Nothing fancier than a ball, a mat, or a net -- and an active imagination. What kinds of games are there? -- Completely original ones like Sticky Popcorn, Bump and Scoot, Double Bubble, Big Snake, Fish Gobbler, and Collective Beach-blanketball. -- Familiar ones like Musical Chairs and even football and hockey recycled into fun-for-all adventures. -- Games from the Arctic, New Guinea, and the People's Republic of China. -- Plus ideas for making up a whole new set of games on your own. Games nobody loses means no more disappointed players sitting on a bench or out in the first round of play -- because taking the competition out leaves more room for fun for everybody!
