Coop Michael Perry,2009-04-21 In over his head with two pigs, a dozen chickens, and a baby due any minute, the acclaimed author of *Population: 485* gives us a humorous, heartfelt memoir of a new life in the country. Living in a ramshackle Wisconsin farmhouse—faced with thirty-seven acres of fallen fences and overgrown fields, and informed by his pregnant wife that she intends to deliver their baby at home—Michael Perry plumbs his unorthodox childhood for clues to how to proceed as a farmer, a husband, and a father. Whether he’s remembering his younger days—when his city-bred parents took in sixty or so foster children while running a sheep and dairy farm—or describing what it’s like to be bitten in the butt while wrestling a pig, Perry flourishes in his trademark humor. But he also writes from the quieter corners of his heart, chronicling experiences as joyful as the birth of his child and as devastating as the death of a dear friend.

Pokey Jr Brad Hauter,2020-09-22 “Pokey Jr is a story about friendship and affection, growing up and growing older, power and purpose, loss and despair, failure and redemption and the impact of friendship... all told through the life of the handsome young rooster, Pokey Jr. Hatched on little farm in the midwest, we follow Pokey Jr’s youthful adventures as he learns how to “rooster”, eventually challenging for the right to lead the flock. Status and power are fleeting, however and in due time Pokey Jr is dethroned, and dejectedly moves himself to the back porch of the farm house. Here, rooster and farmer grow an unlikely friendship that includes tractor rides, trips into town for coffee and hanging out with the cat on warm summer evenings. But, even as Pokey Jr settled into his remarkable new life, the call to rejoin the flock echoes in his genes. It was time to return to roostering and once again challenge for the leadership role. This heartwarming story reminds us of the healing power of friendship and that second chances and a little perseverance can lead you to your life’s purpose.

Hello, Holland Beth Leipholtz,2020-10-11 Hi mama (or dad!). I've been where you are. The darkness, the unknowns, the fear, the uncertainty -- everything that accompanies a hearing loss diagnosis. You may feel all of these things at once. You may ebb and flow between them. Or you may not know what you feel at all. And that is okay. When you are told your child has significant hearing loss, there is no right reaction. Tears may flow, or they may refuse to come. Anger may boil over, or it may fester. Grief can pave the way, or it can be pushed aside. We all process serious, life-altering news differently. My own family received that news on October 18, 2019. In some ways, it feels like a lifetime ago. In others, the pain and emotions are still fresh. Time is funny that way. My goal in sharing my son Cooper's story -- our story, really -- is to show you that you are truly never alone. This journey to Holland (hang in there, I'll get to the relevancy of this) can feel like a lonely one at the beginning. But when you find acceptance, when you open your heart, there is so much beauty to be found along the way.
