Edgar Allan Poe

*Digital Mythology and the Internet's Monster* Vivian Asimos, 2021-01-28 Exploring a prominent digital mythology, this book proposes a new way of viewing both online narratives and the online communities which tell them. The Slender Man – a monster known for making children disappear and causing violent deaths to the adults who seek to know more about him – is used as an extended case study to explore the role of digital communities, as well as the question of the existence of a broader “digital culture”. Structural anthropological mythic analysis and ethnographic details demonstrate how the Slender Man mythology is structured, and how its everlasting nature in the online communities demonstrates an importance of the mythos.

Narratives Online Ruth Page, 2018-01-25 Investigates how stories are shared in online contexts and provides a method for studying them.

DreamWorks Animation Sam Summers, 2020-06-30 DreamWorks is one of the biggest names in modern computer-animation: a studio whose commercial success and impact on the medium rivals that of Pixar, and yet has received far less critical attention. The book will historicise DreamWorks’ contribution to feature animation, while presenting a critical history of the form in the new millennium. It will look beyond the films’ visual aesthetics to assess DreamWorks’ influence on the narrative and tonal qualities which have come to define contemporary animated features, including their use of comedy, genre, music, stars, and intertextuality. It makes original interventions in the fields of film and animation studies by discussing each of these techniques in a uniquely animated context, with case studies from Shrek, Antz, Kung Fu Panda, Madagascar, Shark Tale, Bee Movie, Trolls and many others. It also looks at the unusual online afterlife of these films, and the ways in which they have been reappropriated and remixed by subversive online communities.

**Gen Z, Explained** Roberta Katz, Sarah Ogilvie, Jane Shaw, Linda Woodhead, 2022-10-26 An optimistic and nuanced portrait of a generation that has much to teach us about how to live and collaborate in our digital world. Born since the mid-1990s, members of Generation Z comprise the first generation never to know the world without the internet, and the most diverse generation yet. As Gen Z starts to emerge into adulthood and enter the workforce, what do we really know about them? And what can we learn from them? Gen Z, Explained is the authoritative portrait of this significant generation. It draws on extensive interviews that display this generation’s candor, surveys that explore their views and attitudes, and a vast database of their astonishingly inventive lexicon to build a comprehensive picture of their values, daily lives, and outlook. Gen Z emerges here as an extraordinarily thoughtful, promising, and perceptive generation that is sounding a warning to their elders about the world around them—a warning of a complexity and depth the “OK Boomer” phenomenon can only suggest. □ Much of the existing literature about Gen Z has been highly judgmental. In contrast, this book provides a deep and nuanced understanding of a generation facing a future of enormous challenges, from climate change to civil unrest. What’s more, they are facing this future head-on, relying on themselves and their peers to work collaboratively to solve these problems. As Gen Z, Explained shows, this group of young people is as compassionate and imaginative as any

that has come before, and understanding the way they tackle problems may enable us to envision new kinds of solutions. This portrait of Gen Z is ultimately an optimistic one, suggesting they have something to teach all of us about how to live and thrive in this digital world.

**Encyclopaedia Eorzea ~The World of Final Fantasy XIV~ Volume I** Square Enix, 2022-08-23 The first volume of the official Final Fantasy XIV lore books, written and compiled by the Final Fantasy XIV development team! This deluxe, full-color, hardcover volume is the definitive guide to the world of the massively popular online game. With hundreds of pages detailing everything from Eorzea's history and cultures to her geography and inhabitants, this expertly crafted tome is a veritable treasure trove of invaluable information. Encyclopaedia Eorzea offers an in-depth look at the realm's city-states, organizations, and leading players, as well as its various professions and their foremost practitioners. Readers will also gain insight into Eorzea's beastmen—their cultures, customs, and deities—and detailed data on the realm's myriad creatures, from the timid to the terrifying. A timeless gift to all who call Eorzea home. Includes an exclusive bonus item code for an in-game Namingway minion!

**The Ambivalent Internet** Whitney Phillips, Ryan M. Milner, 2017-05-30 This book explores the weird and mean and in-between that characterize everyday expression online, from absurdist photoshops to antagonistic Twitter hashtags to deceptive identity play. Whitney Phillips and Ryan M. Milner focus especially on the ambivalence of this expression: the fact that it is too unwieldy, too variable across cases, to be essentialized as old or new, vernacular or institutional, generative or destructive. Online expression is, instead, all of the above. This ambivalence, the authors argue, hinges on available digital tools. That said, there is nothing unexpected or surprising about even the strangest online behavior. Ours is a brave new world, and there is nothing new under the sun – a point necessary to understanding not just that online spaces are rife with oddity, mischief, and antagonism, but why these behaviors matter. The Ambivalent Internet is essential reading for students and scholars of digital media and related fields across the humanities, as well as anyone interested in mediated culture and expression.

**Dee's Big Nuts** Mark Thunder, 2015-08 Sit back and enjoy this children's book parody about a squirrel named Dee and his friends love for his big nuts. Each page will have you laughing and going nuts! This may look like a typical children's book but once the book opens, you will enjoy references that only adults will understand. Dee's Big Nuts makes a great gift for birthdays, anniversaries, bridal shower, wedding gifts, housewarming gifts or just a great gift to make a friend or loved one giggle in laughter.

**Go the F\*\*k to Sleep** Adam Mansbach, 2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f\*\*k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this

subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

*The Raven* Edgar Allan Poe,1898

*It's Decorative Gourd Season, Motherfuckers* Colin Nissan,2021-09-28 A passionate and profane love letter to fall, the best fucking season of the year. Do you get excited at the first brisk breeze of the year? Are you overcome with delight when you see piles of red leaves? Do you lose your fucking mind at a pumpkin patch? At last, the epically funny internet sensation *It's Decorative Gourd Season, Motherfuckers* is now a visual tour-de-force, teeming with a cornucopia of perfectly paired photos and seasonal enchantments to make it really fucking sing. Whiffy candles, wicker baskets, motherfucking gourd after gourd, and people going insane they love fall so much? Check! Also included: the equally lifechanging meditation *It's Rotting Decorative Gourd Season, Motherfuckers*, because all good things must end. Give it to everyone you love, or put it on your fucking coffee table next to a pile of shellacked vegetables to really tie the room together. Perfect for: For anyone who fucking loves fall, and fans of McSweeney's, *Go the Fuck to Sleep*, *Deep Thoughts*, *the Onion*, and *the New Yorker*.

**Penpal** Dathan Auerbach,2012-07

*Christus Vivit* Pope Francis,2019-04-04 To young Christians of the world, Pope Francis has a message for you: Christ is alive, and he wants you to be alive! In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on Young People, The Faith, and Vocational Discernment. Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

**How the Grinch Stole Christmas** Dr. Seuss,2013-10-22 Grow your heart three sizes and get in on all of the Grinch-mas cheer with this Christmas classic--the ultimate Dr. Seuss holiday book that no collection is complete without! Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT! Not since 'Twas the night before Christmas has the beginning of a Christmas tale been so instantly recognizable. This heartwarming story about the effects of the Christmas spirit will grow even the coldest and smallest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for readers young and old. Irrepressible and irresistible. --Kirkus Reviews

Tikki Tikki Tembo Arlene Mosel,2007-04-17 Tikki tikki tembo-no sa rembo- chari bari ruchi-pip peri pembo! Three

decades and more than one million copies later children still love hearing about the boy with the long name who fell down the well. Arlene Mosel and Blair Lent's classic re-creation of an ancient Chinese folktale has hooked legions of children, teachers, and parents, who return, generation after generation, to learn about the danger of having such an honorable name as Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo. Tikki Tikki Tembo is the winner of the 1968 Boston Globe - Horn Book Award for Picture Books.

Merchants of Truth Jill Abramson, 2020-02-11 Former executive editor of The New York Times and one of our most eminent journalists Jill Abramson provides a “valuable and insightful” (The Boston Globe) report on the disruption of the news media over the last decade, as shown via two legacy (The New York Times and The Washington Post) and two upstart (BuzzFeed and VICE) companies as they plow through a revolution that pits old vs. new media. “A marvelous book” (The New York Times Book Review), *Merchants of Truth* is the groundbreaking and gripping story of the precarious state of the news business. The new digital reality nearly kills two venerable newspapers with an aging readership while creating two media behemoths with a ballooning and fickle audience of millennials. “Abramson provides this deeply reported insider account of an industry fighting for survival. With a keen eye for detail and a willingness to interrogate her own profession, Abramson takes readers into the newsrooms and boardrooms of the legacy newspapers and the digital upstarts that seek to challenge their dominance” (Vanity Fair). We get to know the defenders of the legacy presses as well as the outsized characters who are creating the new speed-driven media competitors. The players include Jeff Bezos and Marty Baron (The Washington Post), Arthur Sulzberger and Dean Baquet (The New York Times), Jonah Peretti (BuzzFeed), and Shane Smith (VICE) as well as their reporters and anxious readers. *Merchants of Truth* raises crucial questions that concern the well-being of our society. We are facing a crisis in trust that threatens the free press. “One of the best takes yet on journalism’s changing fortunes” (Publishers Weekly, starred review), Abramson’s book points us to the future.

*Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of

readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**The First Book of Moses, Called Genesis**, 1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

The Palgrave Handbook of Contemporary Gothic Clive Bloom, 2020-07-10 "Simply put, there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays. Not only is it impossible to imagine a more comprehensive view of the subject, most readers – even specialists in the subject – will find that there are elements of the Gothic genre here of which they were previously unaware." - Barry Forshaw, Author of British Gothic Cinema and Sex and Film The Palgrave Handbook of Contemporary Gothic is the most comprehensive compendium of analytic essays on the modern Gothic now available, covering the vast and highly significant period from 1918 to 2019. The Gothic sensibility, over 200 years old, embraces its dark past whilst anticipating the future. From demons and monsters to post-apocalyptic fears and ecological fantasies, Gothic is thriving as never before in the arts and in popular culture. This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world. The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre. Each chapter is packed with analysis of the Gothic in both theory and practice, as the genre has mutated and spread over the last hundred years. Starting in 1918 with the impact of film on the genre's development, and moving through its many and varied international incarnations, each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes, television and theatre. The volume also looks at how Gothic intersects with fashion, music and popular culture: a multi-layered, multi-ethnic, even a trans-gendered experience as we move into the twenty first century.

**I Love Capitalism!** Ken Langone, 2018-05-15 New York Times Bestseller Iconoclastic entrepreneur and New York legend Ken Langone tells the compelling story of how a poor boy from Long Island became one of America's most successful businessmen. Ken Langone has seen it all on his way to a net worth beyond his wildest dreams. A pillar of corporate America for decades, he's a co-founder of Home Depot, a former director of the New York Stock Exchange, and a world-class philanthropist (including \$200 million for NYU's Langone Health). In this memoir he finally tells the story of his unlikely rise and controversial career. It's also a passionate defense of the American Dream -- of preserving a country in which any hungry kid can reach the maximum potential of his or her talents and work ethic. In a series of fascinating stories, Langone shows how he struggled to get an education,

break into Wall Street, and scramble for an MBA at night while competing with privileged competitors by day. He shares how he learned how to evaluate what a business is worth and apply his street smarts to 8-figure and 9-figure deals. And he's not shy about discussing, for the first time, his epic legal and PR battle with former NY Governor Eliot Spitzer. His ultimate theme is that free enterprise is the key to giving everyone a leg up. As he writes: This book is my love song to capitalism. Capitalism works! And I'm living proof -- it works for everybody. Absolutely anybody is entitled to dream big, and absolutely everybody should dream big. I did. Show me where the silver spoon was in my mouth. I've got to argue profoundly and passionately: I'm the American Dream.

**Inhuman Materiality in Gothic Media** Aspasia Stephanou, 2019-05-13 This book examines the manifestations of materiality across different gothic media to show the inhuman at the heart of literature, film and contemporary media, outlining a philosophy of horror that deals with the horror of the nonhuman, the machine and the nonorganic. The author explores how materiality lends itself ideally to discussions of gothic and horror and acts as a threat to attempts to control meaning which falls outside the realm of consciousness. It brings the two together by examining the manifestations of this materiality to focus on a form of horror that is concerned with the (in) human by reading blood as the conduit of an unnameable materiality that circulates through gothic media, seducing with its familiar mask of gothic aesthetics only to uncover the horror of a totally alienating and inhuman otherness. Film, media, popular culture, philosophy and nineteenth-century literature are brought together and juxtaposed to create a continuity of ideas, and highlighting differences. The book offers innovative readings of notions of blood inscription in different media, of the Dark Web, accelerationism and technoscience to account for the widespread haemophilia in contemporary culture. This title is an essential read for researchers, undergraduate and postgraduate students in film studies, media studies, literature, philosophy, cultural theory and popular culture. Its interdisciplinary nature, clear exposition of thought and theoretical ideas will make it a key resource for both students and for general readers with an interest in contemporary horror, media and pop culture.

### Unveiling the Magic of Words: A Overview of "**Copywaste Text Sharing**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Copywaste Text Sharing**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
