Oh My God, What a Complete Aisling! Emer McLysaght, Sarah Breen, 2017-08-31 Aisling is twenty-eight and she's a complete ... Aisling. She lives at home in Ballygobbard (or Ballygobackwards, as some gas tickets call it) with her parents and commutes to her good job at PensionsPlus in Dublin. Aisling goes out every Saturday night with her best friend Majella, who is a bit of a hames (she's lost two phones already this year – Aisling has never lost a phone). They love hoofing into the Coors Light if they're 'Out', or the vodka and Diet Cokes if they re 'Out Out'. Ais spends two nights a week at her boyfriend John's. He's from down home and was kiss number seventeen at her twenty-first. But Aisling wants more. She wants the ring on her finger. She wants the hen with the willy straws. She wants out of her parents' house, although she'd miss Mammy turning on the electric blanket like clockwork and Daddy taking her car 'out for a spin' and bringing it back full of petrol. When a week in Tenerife with John doesn't end with the expected engagement, Aisling calls a halt to things and soon she has surprised herself and everyone else by agreeing to move into a three-bed in Portobello with stylish Sadhbh from HR and her friend, the mysterious Elaine. Newly single and relocated to the big

city, life is about to change utterly for this wonderful, strong, surprising and funny girl, who just happens to be a complete Aisling.

A Life in Trauma Chris Luke, 2021-10-15 Concern.

Compassion. Doubt. Despair. Anger. Hope. Imagine juggling these feelings every day in a situation where your ability to manage them could be the difference between life and death. For Dr Chris Luke, a consultant in emergency medicine, these experiences are an intrinsic part of the job - ranging from rage at a system that often leaves vulnerable people waiting anxiously, to the incomparable satisfaction of relieving patients' suffering and distress and making a real difference in people's lives and in society. Here, Dr Luke reveals his own rollercoaster journey from orphanage boy to one of the leading emergency physicians in the country. Luke's recollections and reflections on a life spent on the frontline -

grappling with his own health issues, burnout and sometimes despair at a dysfunctional system - make for compelling reading. A Life in Trauma is a frank, remarkable account of a career spent helping others, sometimes at a painful personal cost, and ultimately offers a positive outlook on the potential of Ireland's healthcare system in the future.

A Real-Life Fairy Tale Talitha Linehan, 2021-03-17 In this deeply personal memoir, an Irish Michael Jackson fan reflects on her relationship with the star, who she met hundreds of times, at venues, at hotels, and inside the privacy of his home, and who she last spoke with, at a rehearsal studio in Los Angeles, on the last night of his life. You're my fairy tale, Michael. Oooh, said Michael, and he brushed my cheek with his hand, making me flutter. This was the moment, under a starry sky in Las Vegas, when Talitha Linehan told Michael Jackson how she'd viewed him since childhood, not just as a man but as a magical being. It was a perception that never wavered, throughout hundreds of encounters she had with him over more than a decade, in public and in private, at venues and hotels across the world, inside his most famous home, Neverland Valley, and inside his final home, in Los Angeles. In this deeply personal memoir, Talitha recalls a journey that began when she discovered Michael, while growing up in the

Irish countryside, and that ended when she last spoke to him, at a rehearsal studio in LA, on the last night of his life. By drawing on diary entries, she reveals the joy and heartache of loving and losing the most famous star on the planet and a man she simply loves with all of her heart. Fans of the star will relate to the emotional heart of Talitha's journey and gain new insight into the man behind the megastar, and his life, in public and in private, during his final years.

The Belligerent Prelate Patrick Mannix, 2012 This book is an examination and evaluation from a historical perspective of the alliance that was established and forged between the former Taoiseach and President of Ireland, Eamon de Valera, and the former President of Maynooth and Archbishop of Melbourne, Australia, Dr Daniel Mannix. The book will examine how the alliance between the two men played a pivotal role in Irelandâ (TM)s push for independence. The Archbishopâ (TM)s role is used as a symbol of the vast Irish diaspora worldwide and how their support, both financially and physically through demonstrations for Ireland, helped keep the push for autonomy alive. Having examined the role the Archbishop played in his alliance with de Valera and the clergy, the book appraises how Dr Mannix, so

revered at one stage in Irish society, became such an isolated figure after 1925. Irish history has largely neglected the role of the Archbishop. This historical analysis, grounded in research of both primary and secondary sources including previously undocumented oral evidence, archival papers, written public and private correspondence between the two characters and visual sources, will help to replenish his role.

The Beauty Queen of Leenane Martin McDonagh, 2013-04-25 The Beauty Queen of Leenane tells the darkly comic tale of Maureen Folan, a plain and lonely woman in her early forties, and Mag her manipulative ageing mother whose interference in Maureen's first and potentially last loving relationship sets in motion

a train of events that is as gothically funny as it is horrific.

Returning Light Robert L. Harris, 2023-07-18 The Acclaimed International Bestseller “It is impossible to do justice to the beauty of *Returning Light*. The whole book is a poem.” – New York Times Book Review By the lighthouse keeper on the remote, otherworldly Irish island of Skellig Michael, a profound memoir about the importance of place and what it really means to belong (Belfast Telegraph) “On Skellig Michael, thousands of birds appear and disappear, erecting towers, coming together in wings of movement which build and unravel over the empty sea. Often, no one else is there to stand beside me on the island. The mind wanders; links with the past are easily made; ancient ways of viewing things come alive.” In 1987, Robert Harris happened upon an unusual job posting in the local paper—a new warden service was being set up on the island of Skellig Michael, and the deadline was imminent. Just weeks later he was on his way to set up camp in one of Ireland’s most remote locations, unaware that he would be making that same journey every May for the next 30 years. Here he transports us to the otherworldly island, a place that is teeming with natural life, including curious puffins that like to visit his hut. From the precipice he has observed a coastline that is relatively

unchanged for the last thousand years—a beacon of equilibrium in an ever-changing world. But the island can be fierce too. It's inhabitable for only five months of the year, and solitude can quickly become isolation as bad weather rolls in to create a veil between Skellig Michael and the rest of the world, when the dizzying terrain can become a very real threat to life. A beautiful and evocative work of nature writing, *Returning Light* is an extraordinary memoir about the profound effect a place can have on us, and how a remote location can bring with it a great sense of belonging.

Any Girl Mia Döring, 2022-02-17 'Searing and generous ... a blazing beacon' - Donal Ryan 'Every man and woman should read this' - Sabina Higgins 'Written with honesty, power and insight' - Róisín Ingle 'Immensely valuable ... raw and vulnerable' - Irish Times 'A sobering ... timely call to arms' - Irish Independent How does a young woman find herself involved in prostitution in Ireland? In an era that asks us to take a 'sex-positive' view of it, how does this translate in reality? And why aren't we talking about it more? *Any Girl* is one woman's first-hand account of Ireland's sex trade. An experience of sexual exploitation as a teenager carved a direct path for Mia into the world of prostitution, a hidden part of her life during her college years in Dublin. There, in a system of casual entitlement, she met with abuse, violence and degradation, finally leaving it behind at age 24. Over a decade on, now a psychotherapist specialising in sexual trauma, Mia shares her remarkable story with passion and a determination to challenge dominant perceptions of prostitution today. *Any Girl* amounts to a radical act of truth-telling that shines with courage and hope. 'A powerful and important book' - Ivana Bacik, T.D. 'Will open your

eyes and your heart to a hidden world that most choose to ignore'

The Importance of Being Aisling Emer McLysaght,Sarah Breen,2019-08-23 Aisling is back in the follow up to the no.1 bestseller *The Importance of Being Aisling*.

Girls Play Too Jacqui Hurley,2020-09-01 Irish sportswomen have been breaking the mould for a very, very long time. In 1956, Maeve Kyle became our first female Olympian, and in 1978 rally driver Rosemary Smith broke the country's land-speed record! Through the 1990s and 2000s we had world champions in Sonia O'Sullivan, Derval O'Rourke and Olive Loughnane, and more recently, the fantastic Katie Taylor, Kellie Harrington and Annalise Murphy have been among those who have put Irish sportswomen

on the map. This book breaks the mould once more, as a first ever compendium of stories for children about our best contemporary sportswomen. With a fairytale touch, RTÉ's Jacqui Hurley tells the stories of women who have proved that being a girl is not a barrier to sporting success. Each story is one of overcoming big challenges, and the role models celebrated here are sure to inspire the next generation of Irish sportswomen. Featuring twenty-five dazzling athletes, and with delightful drawings by five wonderful female Irish illustrators, *Girls Play Too* is a celebration of some of our brightest and best sporting stars, and of all that you can achieve if you try your best and never give up on your dreams.

Once, Twice, Three Times an Aisling Emer McLysaght, Sarah Breen, 2020-04-30 The third book in Emer McLysaght and Sarah Breen's phenomenally successful, No. 1 bestselling Complete Aisling book series. Aisling's turning 30, and she's still a complete Aisling. Business is booming at her café BallyGoBrunch, her best friend Majella is expecting the hen of the century, while Aisling is in the throes of a fling with the handsome and mannerly blow-in James Matthews. Life is all go. When the big birthday hits, Aisling is faced with a huge surprise and an unexpected decision. Throw in a hapless wedding planner, a mysterious American visitor, the

return of her brother Paul, not to mention her ex John's face around every corner, and Aisling's got an awful lot on her plate. When doubts, worries and an unfortunate clash threaten to get the better of her, Aisling needs to dig deep to see if she has enough strength and inspirational quotes to make it through. Lynn Enright, The Pool 'A loving ode to a certain type of Irish woman that's hilarious, comforting and warm. A hot water bottle of a book, if you will.' The Daily Edge 'An utter ray of sunshine.
