About Time Andrew Bolton,Jan Glier Reeder,Jessica Regan,Amanda Garfinkel,Theodore Martin,Michael Cunningham,2020-06-15 “An hour, once it lodges in the queer element of the human spirit, may be stretched to fifty or a hundred times its clock length; on the other hand, an hour may be accurately represented on the timepiece of the mind by one second.” —Virginia Woolf, *Orlando: A Biography*, 1928 *About Time: Fashion and Duration* traces the evolution of fashion, from 1870 to the present, through a linear timeline of iconic garments, each paired with an alternate design that jumps forward or backward in time. These unexpected pairings, which relate to one another through shape, motif, material, pattern, technique, or decoration, create a unique and disruptive fashion chronology that conflates notions of past, present, and future. Virginia Woolf serves as “ghost narrator”: excerpts from her novels reflect on the passage of time with each subsequent plate pairing. A new short story by Michael Cunningham, winner of the Pulitzer Prize for Fiction for *The Hours*, recounts a day in the life of a woman over a time span of 150 years through her changing fashions. Scholar Theodore Martin analyzes theoretical responses to the nature of time, underscoring that time is not simply a sequence of historical events. And fashion photographer Nicholas Alan Cope illustrates 120 fashions with sublime black and-white photography. This stunning book reveals fashion’s paradoxical connection to linear notions of time.

Renaissance and Baroque Art Leo Steinberg,2020-08-19 Leo Steinberg was one of the most original art historians of the twentieth century, known for taking interpretive risks that challenged the profession by overturning reigning orthodoxies. In essays and lectures ranging from old masters to contemporary art, he combined scholarly erudition with an eloquent prose that illuminated his subject and a credo that privileged the visual evidence of the image over the literature written about it. His writings, sometimes provocative and controversial, remain vital and influential reading. Steinberg’s perceptions evolved from long, hard looking at his objects of study. Almost everything he wrote included passages of formal analysis, but always put into the service of interpretation. This volume begins and ends with thematic essays on two fundamental precepts of Steinberg’s art history: how dependence on textual authority mutes the visual truths of images and why artists routinely copy or adapt earlier artworks. In between are fourteen chapters on masterpieces of renaissance and baroque art, with bold and enlightening interpretations of works by Mantegna, Filippo Lippi, Pontormo, El Greco, Caravaggio, Steen and, finally, Velázquez. Four chapters are devoted to some of Velázquez’s best-known paintings, ending with the famously enigmatic *Las Meninas*. *Renaissance and Baroque Art* is the third volume in a series that presents Steinberg’s writings, selected and edited by his longtime associate Sheila Schwartz.

**Studio 54** ,2015 In 1977, at the height of the disco craze, a club opened at 254 West 54th Street in New York City. Studio 54 was--and, arguably, remains--the world's most renowned and legendary disco. Regularly attended by celebrities such as Andy Warhol, Elizabeth Taylor, Mick Jagger, Bianca Jagger, Jerry Hall, Debbie Harry, Grace Jones, Michael Jackson, Calvin Klein, Elton John, John Travolta, Brooke Shields and Tina Turner, the club fostered an atmosphere of unadulterated hedonism for New York's art and fashion set. Hasse Persson and his camera were frequent club guests from 1977-80. The images he photographed there have become legendary, capturing the club's famed revelers, dancers in costume and general, drunken exhilaration--and yet, incredibly, Studio 54 marks the first time in history that they have seen publication. Almost 35 years after the club's unceremonious and sudden closure, this beautiful hardback volume superbly documents the zeitgeist. Hasse Persson (born 1942) has had a long career as a photojournalist. Though Swedish born, he spent nearly a quarter century, from 1967 to 1990, working in New York. He has published five books on America and his photographs have appeared in such publications as *The New York Times*, *Time*, *Newsweek* and *Life*. He worked as the artistic director of the Hasselblad Center in Gothenburg and today he is the artistic director of Strandverket Konsthall in Marstrand, Sweden.
