

# Couch To 5k

Higdon, Hal

*5k Training for Beginners* Jago Holmes,2013 If you've ever fancied running a 5k or just getting fit enough to run 5 kilometers in one go (that's 3.1 miles to you and me!) and you want to do it in the shortest amount of time, without risking injury, boredom or stagnation, then this book is exactly the one for you. '5k Training For Beginners - From Couch to 5k Runner In 8 Weeks Or Less,' contains everything you need to know about running a 5k in the fastest, most efficient and fun way. The book comes in 2 parts so if you're in to reading all about why and how your body changes then start by reading part 1. Part 2 deals with the physical side of running and jogging and features 4 fantastic simple to follow running programs for beginners of all shapes, sizes and fitness levels. You'll have access to some of the most up to date, cutting edge techniques to help improve your running. THE PROGRAMS AND TECHNIQUES IN THIS BOOK WORK, plain and simple. They've been honed and refined over 12 years having been road tested by a myriad of clients from all types of backgrounds and fitness levels. You won't be bored following this unique, time saving 5k training program AND you won't need to start running endless miles each week in order to see results. If you could get the same benefits by doing a shorter more enjoyable and invigorating run as opposed to a long, arduous and grueling one, which one would you choose? Hopefully you chose the first option, because this is what the whole concept behind '5k Training for Beginners' is all about. Here are 4 reasons why you should choose this running book... You'll be able to successfully and comfortably run a 5k at the end of your training; you'll have accomplished something that most people only think about doing. This program will help you lose weight quickly, build muscle and tone your body. By committing to something like this, the chances are as a side effect, you'll get in to the best shape of your life! You'll radically improve your health. Keep up with your training and you'll have more energy, be thinner, happier and live longer, you'll just feel great most of the time. Supercharge your energy levels on demand. You'll know exactly how to create your own 'feel good factor' which you can turn on and off like a tap. This program has been designed for beginners and that's the way it's intended, but if you're an experienced runner you'll learn a few things to help you to get better, faster and reduce the amount of time you need to spend running and jogging. No grueling or tedious long distance running needed AND no special equipment required. Here are some more of the secrets you'll learn inside: How the biggest mistake that most new runners make is to set off at the beginning of their run, like a dog out of the traps... way too fast. Meaning within a short distance they need to stop because they're too tired and breathless to carry on. This is one of the worst ways of getting better at running because you'll need to rest after only a short amount of time. You'll discover how using advanced running techniques throughout your 5k training will transform your fitness and stamina levels... in just days never mind weeks. As well as this, these great strategies will actually reduce the overall time you need to spend on your training! It's designed for anyone who wants to start running but hasn't got hours to spare each week to do so. This truly is THE only running book you'll ever need.

C25k Matthew Lee,2013-10 Couch to 5k is a proven running program that has converted thousands of couch potatoes into runners in just a matter of weeks. The program eases you into running, beginning with a combination of running and walking that gets progressively more challenging. You'll run just three times a week for nine weeks. At the end of the program you'll be able to run for 5 Km -- about 3 miles or 30 minutes. This book gives you everything you need to become a runner. It includes the nine-week schedule with detailed explanations of each week's runs. It also includes background information on the program and its philosophy. Most importantly, it answers common questions about the program including how to modify it and how to stay motivated.

Faster Road Racing Pete Pfitzinger, Philip Latter,2014-11-24 Renowned running authority, coach, and best-selling author Pete Pfitzinger teams with Philip Latter, senior writer for Running Times, in this must-have training guide for the most popular race distances, including the 5K, 10K, and half marathon. Faster Road Racing: 5K to Half Marathon presents easy-to-follow programs proven to give you an edge in your next race. You'll discover detailed plans for race-specific distances as well as expert advice on balancing training and recovery, cross-training, nutrition, tapering, and training over age 40. And for serious runners who compete in numerous races throughout the year, Pfitzinger's multi-race, multi-distance training plans are invaluable. Faster Road Racing is your all-inclusive resource on running your fastest at distances of 5K, 8K to 10K, 15K to 10 miles, and the half marathon.

*Not Your Average Runner* Jill Angie,2017-12-29 Run for fun—no matter your size, shape, or speed! Do you think running sucks? Do you think you're too fat to run? With humor, compassion, and lots of love, Jill Angie explains how you can overcome the challenges of running with an overweight body, experience the exhilaration of hitting new milestones, and give your self-esteem an enormous boost in the process. This isn't a guide to running for weight loss, or a simple running plan. It shows how a woman carrying a few (or many) extra pounds can successfully become a runner in the body she has right now. Jill Angie is a certified running coach and personal trainer who wants to live in a world where everyone is free to feel fit and fabulous at any size. She started the Not Your Average Runner movement in 2013 to show that runners come in all shapes, sizes, and speeds, and, since then, has assembled a global community of revolutionaries who are taking the running world by storm. If you would like to be part of the revolution, this is the book for you!

The Run Walk Run® Method Jeff Galloway,2016-05-23 Jeff's quest for the injury-free marathon training program led him to develop group training programs in 1978, and to author Runner's World articles which have been used by hundreds of thousands of runners of all abilities. His training schedules have inspired the second wave of marathoners who follow the Galloway RUN-WALK-RUN™, low mileage, three-day suggestions to an over 98% success rate. Jeff has worked with over 200,000 average people in training for specific goals. Jeff is an inspirational speaker to over 200 running and fitness sessions each year. His innovative ideas have opened up the possibility of running and completing a marathon to almost everyone. Philosophically, Jeff believes that we were all designed to run and walk, and he keeps finding ways to bring more people into the positive world of exercise.

**Running Like a Girl** Alexandra Heminsley,2013-10-08 The inspiring, hilarious memoir of a "Bridget Jones-like writer" (The Washington Post) who transforms her life by learning to run, with stories of miserable defeat, complete victory, and learning to choose the right shoes. When Alexandra Heminsley decided to take up running, she had hopes for a blissful runner's high and immediate physical transformation. After eating three slices of toast with honey and spending ninety minutes creating the perfect playlist, she hit the streets—and failed spectacularly. The stories of her first runs turn on its head the common notion that we are all "born to run"—and exposes the truth about starting to run: it can be brutal. Running Like a Girl tells the story of getting beyond the brutal part, how Alexandra makes running a part of her life, and reaps the rewards: not just the obvious things, like weight loss, health, and glowing skin; but self-confidence and immeasurable daily pleasure, along with a new closeness to her father—a marathon runner—and her brother, with whom she ultimately runs her first marathon. But before her first marathon, she has to figure out the logistics of running: the intimidating questions from a young and arrogant sales assistant when she goes to buy her first running shoes, where to get decent bras for the larger bust, how not to freeze or get sunstroke, and what (and when) to eat before a run. She's figured out what's important (pockets) and what isn't (appearance), and more. For any woman who has ever run, wanted to run, tried to run, or failed to run (even if just around the block), Heminsley's funny, warm, and motivational personal journey from nonathlete extraordinaire to someone who has completed five marathons is inspiring, entertaining, practical, and fun.

**Marathon** Hal Higdon,2005-09-03 Features instructions for runners of all ability levels on preparing for a marathon, including training schedules, advice on diet, defensive running strategies, and tips for staying motivated.

**Run to the Finish** Amanda Brooks,2020-03-03 Inspiration and practical tips for runners who prioritize enjoyment over pace and embrace their place as an average runner In her first book, popular runner blogger Amanda Brooks lays out the path to finding greater fulfillment in running for those who consider themselves middle of the pack runners -- they're not trying to win Boston (or even qualify for Boston); they just want to get strong and stay injury-free so they can continue to enjoy running. Run to the Finish is not your typical running book. While it is filled with useful strategic training advice throughout, at its core, it is about embracing your place in the middle of the pack with humor and learning to love the run you've got without comparing yourself to other runners. Mixing practical advice like understanding the discomfort vs. pain, the mental side of running, and movements to treat the most common injuries with more playful elements such as Favorite hilarious marathon signs and Weird Thoughts We all Have at the Start Line, Brooks is the down-to-earth, inspiring guide for everyone who wants to be happier with their run.

**Run Your Butt Off!** Leslie Bonci,Sarah Butler,Budd Coates,2011-03-15 Shed unwanted pounds and keep them off ONCE AND FOR ALL with Run Your Butt Off!, a back-to-basics, test

panel-approved weight-loss plan and beginners' running program that yields sustainable, healthy results. The Run Your Butt Off! program is founded on the simple concept that in order to lose weight, calories burned must exceed calories consumed. No gimmicks, no shortcuts, no silver bullets can circumvent that reality. With this program, you'll learn to burn fat from both sides of the weight-loss equation—the calories in and the calories out—at the same time. Run Your Butt Off! will make you fitter, stronger, and leaner.
