The Songs of St Petersburg Amor Towles, 2017-02-09 From the New York Times bestselling author of *Rules of Civility*. 'A comic masterpiece.' The Times 'Winning . . . gorgeous . . . satisfying . . . Towles is a craftsman.' New York Times Book Review 'A work of great charm, intelligence and insight.' Sunday Times 'Everything a novel should be: charming, witty, poetic and generous. An absolute delight.' Mail on Sunday 'If we do a better book than this one on the book club this year we will be very very lucky.' Matt Williams, Radio 2 Book Club 'Abundant in humour, history and humanity' Sunday Telegraph 'Wistful, whimsical and wry.' Sunday Express On 21 June 1922 Count Alexander Rostov - recipient of the Order of Saint Andrew, member of the Jockey Club, Master of the Hunt - is escorted out of the Kremlin, across Red Square and through the elegant revolving doors of the Hotel Metropol. But instead of being taken to his usual suite, he is led to an attic room with a window the size of a chessboard. Deemed an unrepentant aristocrat by a Bolshevik tribunal, the Count has been sentenced to house arrest indefinitely. While Russia undergoes decades of tumultuous upheaval, the Count, stripped of the trappings that defined his life, is forced to question what makes us who we are. And with the assistance of a glamorous actress, a cantankerous chef and a very serious child, Rostov unexpectedly discovers a new understanding of both pleasure and purpose.

You Don't Belong Here Elizabeth Becker, 2021-03-02 The long-buried story of three extraordinary female journalists who permanently shattered the barriers to women covering war Kate Webb, an Australian iconoclast, Catherine Leroy, a French daredevil photographer, and Frances FitzGerald, a blue-blood American intellectual, arrived in Vietnam with starkly different life experiences but one shared purpose: to report on the most consequential story of the decade. At a time when women were considered unfit to be foreign reporters, Frankie, Catherine and Kate challenged the rules imposed on them by the military, ignored the belittlement of their male peers, and ultimately altered the craft of war reportage for generations. In *You Don't Belong Here*, Elizabeth Becker uses these women's work and lives to illuminate the Vietnam War from the 1965 American buildup, the expansion into Cambodia, and the American defeat and its aftermath. Arriving herself in the last years of the war, Becker writes as a historian and a witness of the times. What emerges is an unforgettable story of three journalists forging their place in a land of men, often at great personal sacrifice. Deeply reported and filled with personal letters, interviews, and profound insight, *You Don't Belong Here* fills a void in the history of women and of war. 'A riveting read with much to say about the nature of war and the different ways men and women correspondents cover it. Frank, fast-paced, often enraging, *You Don't Belong Here* speaks to the distance travelled and the journey still ahead.' —Geraldine Brooks, Pulitzer Prize-winning author of *March*, former Wall Street Journal foreign correspondent 'Riveting, powerful and transformative, Elizabeth Becker's *You Don't Belong Here* tells the stories of three astonishing women. This is a timely and brilliant work from one of our most extraordinary war correspondents.' —Madeleine Thien, Booker Prize finalist and author of *Do Not Say We Have Nothing*

The Wicked Wine of Democracy Joseph S. Miller, 2012-11-27 *The Wicked Wine of Democracy* is a frank account by a political operative and practicing lobbyist who in the early 1950s went from being a journalist in Seattle to working on the campaigns of such important political figures as Warren G. Magnuson, Henry "Scoop" Jackson, Frank Church, William Proxmire, and, finally, John F. Kennedy. He was so successful in managing the media for campaigns across the country that in 1957 the Washington Post labeled him "the Democrat's answer to Madison Avenue." After Kennedy's victory, Miller opened a lobbying office on Capitol Hill and took on clients as diverse as the United Steelworkers of America, the Western Forest Industries Association, and the Marine Engineers Beneficial Association. In this always revealing and often humorous memoir, Miller reports on the highlights and backroom conversations from political campaigns, labor negotiations, and lobbying deals to give an honest picture of how politics worked over his forty-year career in the nation's

Capitol.

Rough Cut Men David Dusek, 2015-03-18 In the movie industry, the rough cut is defined as the raw, first edition of a movie, which provides an idea of what the finished product will look like, giving indications of where it has problems and where it excels. Much like a rough cut movie, *Rough Cut Men* are not the "finished product". We are a work in progress. Philippians 1:6 reads: "being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." Men today have hundreds of acquaintances, but most have no real friends. Men are isolated and struggling alone. And while the Bible says we are to "Pity the man who falls and has no one to help him up." (Ecc. 4:10), most guys go into the battles of life with no covering fire. Every man needs a battle buddy. *Rough Cut Men* utilizes a strategic blend of "guy" movie scenes, real world tales of men, Biblical Truth and even throws in some of the author's personal testimony to accomplish one focused mission: To get men talking to each other about what's really going on in their lives. Each chapter contains hard-hitting questions designed to drive men deeper in their walk with other men and with Christ. *Rough Cut Men* is real, raw and authentic. And it will equip you for the battle.

Masks of Nyarlathotep Larry DiTillio, Lynn Willis, 2010-06 *Masks of Nyarlathotep* is a Lovecraftian exercise in horror and mystery. This Call of Cthulhu roleplaying classic is a series of linked adventures forming one long and unforgettable campaign. Horrifying deeds and dangerous sorcery dog those who dare attempt to unravel the fate of the Carlyle Expedition. Set in 1925, adventures begin in New York, then move overseas to England, Egypt, Kenya Colony, Shanghai, and western Australia. Such extended globetrotting requires wit and planning by the players. Their investigators must have steady finances, good language skills, and a willingness to persevere despite governmental interference and cultist harassment. Meanwhile the keeper must bring to life different exotic locales, recreate the sensibilities of other cultures, and balance non-player-character foes and friends to allow each investigator to earn his or her own destiny--ultimate triumph, perhaps, or perhaps madness and agonizing death.

Billie Starr's Book of Sorries Deborah E. Kennedy, 2022-10-04 "Funny yet bitingly realistic look at small-town life...A grim literary mystery and a hopeful family story, this genre-blending novel manages to be both charming and heartbreaking." —Kirkus "An enthralling suspense thriller...Exquisite prose matches deep characterization. Kennedy deserves to win an Edgar." —Publishers Weekly, starred review Sometimes, a woman has to rescue herself. Jenny Newberg, Queen of Bad Decisions, is about to make another one. In a small town where everyone knows everyone's business, down-on-her-luck single mother Jenny is on a first-name basis with the debt collector at the bank, who is moving toward foreclosure. She is constantly apologizing to her

precocious young daughter, Billie Starr, who is filling a book with her mother's sorries, and it seems to Jenny that no apology will ever be enough. Then a pair of strangers in black suits offers her a hefty check to seduce someone known as the Candidate. Finally, something will go her way. But nothing ever goes as Jenny plans, and she is swept into the Candidate's orbit. Surrounded by a wide universe of new ideas, she realizes how constrained her life has been by the expectations of everyone around her, and she starts to see how much more she might be capable of. And when her world is rocked to its core and Billie Starr may be in danger, Jenny is forced to do what she once thought impossible: trust in herself and her own power to make things right. Shimmering with rage and sparkling with subtle humor, *Billie Starr's Book of Sorries* showcases Edgar Award-nominee Deborah E. Kennedy's singular voice and shines a light on the town of Benson, Indiana, where lakes, grudges, and family rifts run deep – but so does a mother's love.

Boys' Life ,1986-07 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Quiet As It's Kept Toni Watkins,2019-01-21 This is a dramaromance, about a child, Jazmyn Assant , born to a couple out of wedlock. Both parents marry other people, but her biological father's wife allows Jazmyn's mere existence to consume her. Jazmyn unveils a bed of secrets, lies, deceit and betrayal orchestrated by her father's wife and his mother. Everyone won't take this secret to their grave, the truth will be told.

The World is a Stage Tamara Morgan,2017-05-08 Highland Games athlete Michael O'Leary is famous for his ability to charm a woman right out of her pants. Maybe a little too famous. When he's sidelined with a knee injury, his wingman pounces on the chance to take full advantage of Michael's idle time. Trying out for the local adult-themed Shakespearean production seems simple, but there's a catch. Michael must woo the notoriously demanding lead actress, Rachel Hewitt, thereby freeing his friend to pursue a courtship of Rachel's sister. Rachel hates the thought of handing over the lead role in her admittedly scandalous troupe to someone so wholly uneducated in the ways of the Great Bard. But she's in a bind, and the only one who can step up is a man who looks way too good in a codpiece—and knows it. To add insult to injury, he refuses to take the role until she agrees to take his place in some barbaric warrior race. She'll do it, but not with a smile. Unfortunately, the hardest part isn't antagonizing her Scottish foes. It's resisting the one man who seems determined to line and cue her heart—forever.

Shadow Partners B. H. La Forest,2009-12 Americans want to be reassured their law enforcement agencies are effective in carrying out primary missions that ensure protection wherever possible. This book epitomizes how agencies, with varying missions, can overcome adversity to achieve a common purpose. Several years after special agent Ray St. Giles vanished in West Virginia, Manfred Kurtz is assigned as ATF Detroit's Special Agent in Charge (SAC), and Angelo Tana is his assistant. Both had been Ray's DPD partners before joining ATF. Kurtz is contacted by DPD Deputy Chief Wendell Locke. He wants ATF assistance in finding those responsible for a string of bombings and murders. DPD sergeant Hugh St Giles, Ray's son, and Brian Culbert -- his counterpart at ATF, assemble a compelling team of agents and detectives. Together, they promptly develop leads on the bombings and a W.VA connection. As their case expands in several directions, agents bring in DEA. Now a Task Force, investigators will tie in political corruption, a major gun trafficking ring, stolen military materials, Colombian dope traffickers, and the man responsible for Ray St. Giles' disappearance. However, smack in the middle of the investigation further complications arise. A U.S. Senator and a White House mole strive to manipulate a Congressional subcommittee. Its Chairman struggles with his mandate - find a process to abolish ATF as a law enforcement agency. If successful, seeds for a National Police Force will have been sewn. Strings are being pulled by people with no love of country. Corrupt appointees in Departments of Treasury and Justice, a rogue ATF executive, and remnants of a home-grown terrorist organization - all conspire to bring Federal law enforcement, under a single, powerful agency. As the task force gathers evidence, agents and detectives explore connections to all these divergent angles, leaving

Kurtz and his people to sort them out.

Natural Conclusions from the Rockies David F. Dead of Veridon Tim Akers, 2014-02-27 The conclusion to the Burn Cycle is "an engaging, page-turning read . . . [for] those who enjoy their steampunk tech with a high dose of technofantasy" (Tor.com). The city of Veridon used Jacob Burn horribly. The Council, the Church, even his family betrayed his trust, and still Burn risked everything to save their lives. For his sacrifice, he lost his tenuous ties to lawful society, his place in the criminal underworld, and the only woman he ever loved. Now, to survive, Burn runs small-time jobs, like his latest gig, delivering a seemingly innocuous package to the Fehn. The Fehn are a symbiotic race that dwell peacefully under the murky Reine River, colonizing any body that slips beneath its dark waters. But moments after Burn makes his delivery, swarms of dead Fehn clog the Reine. More terrifying are the horde of pearl-white cogdead Fehn who still walk, crawling out of the river to violently ransack the city. Once again, Burn is responsible for Veridon's survival, and the Fehn are just one of many threats the city suddenly faces. Burn thought he had nothing to lose, but protecting Veridon could cost him the one thing he has left . . . his life. "Very fast-moving, full of action, color, and invention . . . It is fun, and it is interesting, and it sets a template for what could be an ongoing series in the noir detective/action fashion." —SF Site "Just when you think you know what's going on, suddenly you're not so sure. Akers writes a mean action sequence as well which stirs things up beautifully." —Graeme's Fantasy Book Review
