Pepper Schwartz

The Couple's Match Book Daniel Eckstein, 2012-05 The process of finding and making the best possible match is not an easy one. On the contrary, from an emotional perspective finding, making, maintaining, and enriching an intimate partnership is one of the most challenging tasks an adult faces. There must be an attraction or a spark for a true match to be made. When a couple comes for counseling, they come with the hope that their relationship can be renewed—that they can capture the heat and the emotion that they once had together. *The Couple's Match Book: Lighting, Rekindling, or Extinguishing the Flame* explores relationship theory and research. Including self-assessment activities to help determine what actions to take to improve relationships, this guild offers information that focuses on understanding and respecting personality differences, role perceptions, communication, and problem-solving. The balance of the book shares personal stories written by couples detailing their own experiences in an effort to help others in improving their intimate relationships. *The Couple's Match Book: Lighting, Rekindling, or Extinguishing the Flame* can be used as a supplemental text in marriage and family courses, as well as a primary resource in couples counseling and marriage and family therapy.

Modern Romance Aziz Ansari, Eric Klinenberg, 2016-06-14 The #1 New York Times Bestseller “An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives.” —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation’s sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it’s wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project,

including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

True Love Dates Debra K. Fileta, 2013-10-08 It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to kiss dating goodbye but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Love Match: Volume 3 Kyell Gold, 2020-11-02 Rocky's climbing the tennis ranks with an eye to

becoming a top ten player. He's closer than ever to bringing his sister to the States, but his old foes aren't done with him yet and his relationships only get more complicated. They're a Match Chloe Liese, 2019-08-08 One blazing relational bond formed by two fiery lovers. And a new element just joined the formula. Chemistry calls it covalence. Shakespeare named it the marriage of true minds. Historically speaking, Nairne never liked the impractical notion of marriage, and Zed never thought he'd live to see the day when tying the knot was even an option. After a decade of entanglement in the mafia, Zed's now free to play the game he loves and love the woman who owns his heart. Problem is, the spitfire's been a loner her whole life. Independent, self-reliant, and driven. And she wants nothing to do with marriage, since statistically it fails more than it succeeds, which to her scientific mind is the universally acknowledged definition of an experimental bust. But the elemental pull toward matrimony between the sexy scientist and her dark and handsome soccer star is stronger than Nairne anticipates. Can she risk her heart for her perfect match, even if it's a gamble rather than a sure bet? In the game of life, you win some, you lose some. And They Lived Happily Ever After is theirs for the taking, but for that pesky little word that so often gets overlooked...Lived. Book Three in the Tough Love Series--a suspenseful romance, full of sexy Italians, feisty heroines, a house full of friends and family, and an ending that closes the chapter on these lovers, and paves the way for new ones.
