Coupon Crazy Mary Potter Kenyon, 2013-06-18 A fascinating history of this marketing tactic, and why some shoppers take it to extremes—from a longtime expert couponer. *Coupon Crazy* examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world the average American doesn't even know about, Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's "Coupon Queens" (and Kings) and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. "My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points: Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book, too." —Angela Russell, *The Coupon Project*

The Super Coupon Shopping System Susan Samtur, 1994-02-01 The bestselling author of *Cashing in at the Checkout* has shared her easy and effective money-saving techniques on *Good Morning America*, *Today*, *Live with Regis & Kathie Lee*, *Donahue*, and *Oprah*. Now Sumtar introduces her simple super shopping system for saving money at the supermarket. Line drawings.

Modern Lifestyles: Coupon Royale: Save Money with Online Coupon Sites Delany McBay,2012-05-22 Shopping for an item used to mean paying a premium for buying from a local store, but the rise of e-commerce has all but leveled that issue. With millions of sales and coupon sites already operating, and millions more opening every day, the web has truly become a buyer's market, with price competition-both online and off-continually driving down prices. However, the savvy shopper knows that the trend of declining prices doesn't end with mere retailer wars-in fact, a virtual cache of cash savings awaits in the world of online coupon sites. Knowing how to use these sites gives a shopper access to amazing deals, ranging from percentage discounts off an order to free shipping or gift bonuses. The idea of using a coupon is no longer restricted to the realm of the dedicated Sunday circular clipper: casual saving through online coupon sites is the new trend.
