

Courier

Scott C. Dulebohn

The Courier Gerald Brandt,2016-03-01 The first installment in the San Angeles trilogy, a thrilling near-future cyberpunk sci-fi series Kris Ballard is a motorcycle courier. A nobody. Level 2 trash in a multi-level city that stretches from San Francisco to the Mexican border—a land where corporations make all the rules. A runaway since the age of fourteen, Kris struggled to set up her life, barely scraping by, working hard to make it without anyone's help. But a late day delivery changes everything when she walks in on the murder of one of her clients. Now she's stuck with a mysterious package that everyone wants. It looks like the corporations want Kris gone, and are willing to go to almost any length to make it happen. Hunted, scared, and alone, she retreats to the only place she knows she can hide: the Level 1 streets. Fleeing from people that seem to know her every move, she is rescued by Miller—a member of an underground resistance group—only to be pulled deeper into a world she doesn't understand. Together Kris and Miller barely manage to stay one step ahead of the corporate killers, but it's only a matter of time until Miller's resources and their luck run out....

Courier from Warsaw Jan Nowak,1982

National Courier ,1914

The American University Courier ,1905

The Courier Charles W. Harwell,2013-10-16 Andrew Jackson Sowell was a civilian courier for Colonel William B. Travis, commandant of the Alamo. While a student at Trinity University in San Antonio, I discovered a plaque in the Alamo upon which Sowell was memorialized. More than fifty years later, I chose Sowell to be the central character in my first novel, *The Courier*. Sowell's service during the Texas War for Independence is both exciting and surprising. Enjoy your ride with him.

St. Louis Courier of Medicine ,1882

Death of a Courier Marc Olden,2012-06-26 *DIV* To break the mafia, Bolt must face his murderous ex-partner Narcotics agents aren't supposed to ride horses. But today John Bolt is tailing a drug courier in Central Park, and in two feet of snow, horseback is the only way to ride. When he hears the pop-pop-pop of a .32 pistol, he knows his man is dead. Bolt charges to the scene, and the gunmen open fire. They kill his horse, and Bolt avenges the animal. As one of the killers bleeds into unconsciousness, he says they were sent by Apache. Apache. Codename for Paris Whitman, a former top man in Bolt's department who flipped to the other side. Now a mafia enforcer, Apache is working his way up the mob ladder by targeting his old colleagues. Once, he and Bolt were partners. Now they fight each other in a duel to the death that will determine whether the trickle of drugs into this country stops, or becomes a flood. /div

The Last Courier John Martin,2012-12-06 A computer file survives the raid on Osama bin Laden in the hands of his last courier and it launches a mission across the Middle East, Europe, Canada and into New England to kill four American soldiers. Iranian intelligence has decided to assist in the mission, but are caught off guard when it's hijacked by a former terrorist leader on his own mission of vengeance. A double agent in Pakistan warns the Americans, but no one knows what form the attacks will take or where they will come from. As they scramble to uncover all the players in the game, a mole in their own ranks jeopardizes everyone's safety. An unscrupulous Army General plans to use the soldiers as bait to trap the courier alive and get as much information out of him as possible. He doesn't plan on them taking matters into their own hands to end the terrorist threat once and for all, even if it means crossing international borders. From a dusty checkpoint in Afghanistan to a cabin in the woods of New Hampshire, nobody knows for sure who all the players are.

Cajun Courier ,1993

A Courier of Empire John Harvey Whitson,1904

The Swiss Courier Tricia Goyer,Mike Yorkey,2009-10-01 It is August 1944 and the Gestapo is mercilessly rounding up suspected enemies of the Third Reich. When Joseph Engel, a German physicist working on the atomic bomb, finds that he is actually a Jew, adopted by Christian parents, he must flee for his life to neutral Switzerland. Gabi Mueller is a young Swiss-American woman working for the newly formed American Office of Strategic Services (the forerunner to the CIA) close to Nazi Germany. When she is asked to risk her life to safely courier Engel out of Germany, the fate of the world rests in her hands. If she can lead him to safety, she can keep the Germans from developing nuclear capabilities. But in a time of traitors and uncertainty, whom can she trust along the way? This fast-paced, suspenseful novel takes readers along treacherous twists and turns during a fascinating--and deadly--time in history.

The Courier Jay MacLarty,2003 In this stunning debut thriller, Simon Leonidovich is a high-tech international courier of packages that range from priceless works of art to human organs to nuclear materials. Suddenly, he's on the run, trying to protect secret data that could save the lives of millions. Original.

Courier Terry Irving,2015-03 it's 1972. The Watergate scandal has Washington on edge. Rick Putnam, A Vietnam veteran and motorcycle courier for a television network is trying to get his life together after the nightmare of the war. But when Rick picks up film from a news crew interviewing a whistleblower, everyone involved turns up dead and Rick realizes he's next.

The Courier Robert Alan Ward,2020-11-04 In the long-awaited sequel to “Between Two Seas,” “The Courier” takes up the story with the shadowy, cloaked figure sailing from the island of Melitene, leaving behind a path of misery and destruction. But though the young man has escaped the island, can he escape himself? Fifteen-year-old Eletia, pregnant and new to the faith, is wondering how she will raise her child alone, with the father nowhere to be found. Though the fledgling church on Melitene is thriving under the leadership of Publius and his wife Amoenitas, sinister forces are at work on the island, determined to destroy both freedom and the church. The centurion Julius, a follower of Christ, is charged with conveying Paul to Rome. He longs to leave the army and to settle down to married life. A certain young lady has caught his eye, but duty comes first. Inspired from the book of Acts and within the historical context of the first century church and its surrounding culture, “The Courier” spins a tale of rousing action, romance, intrigue, persecution, heartbreak, redemption, and triumph. How the first century followers of Christ dealt with their hardships informs how we who dwell in the twenty-first ought to live in our time, as we face the same age-old struggle between the kingdom of God and the kingdom of darkness.

Star Courier A. Bertram Chandler,1977

Spiritism Shown as it Is! Boston Courier (Firm),1859

Hitler's Last Courier Armin Dieter Lehmann,2000

Musical Courier ,1908 Vols. for 1957-61 include an additional (mid-January) no. called Directory issue, 1st-5th ed. The 6th ed. was published as the Dec. 1961 issue.

The Courier: Andrew Britton,2013-12-31 A former CIA agent is on the hunt for a terrorist armed with a nuclear device in the New York Times bestselling author’s “timely and intelligent thriller” (BookReporter.com). Ryan Kealey now knows he'll never really put the game behind him. But now the game itself has changed. Between tense interagency cooperation that gums the works, and an overreliance on data-crunching and wiz-kid tech, today's US intelligence service has lost a step to its ever-bolder, viciously adaptable global enemies. And thanks to an incredible discovery in the Arctic, those enemies now have a nuke—capable of unleashing unthinkable terror. To hunt down the devastating package before it can be used, Kealey forms an unlikely partnership with the young Farsi-speaking nuclear physicist Rayhan Jafari. But once on the ground, with technology and their by-the-numbers command failing them, they're on their own—trusting only their guts and each other—to conduct the dirty business of combating horrific destruction. [Britton] may well give Tom Clancy a run for the money. —St. Louis Post-Dispatch

Cereal Courier U.S.- Bureau of plant industry. Office of cereal investigations,1927

The Top Books of the Year Courier The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
