Editing with Avid Media Composer 5 Avid Technology, Inc.,2010-10-08 Avid Media Composer is the standard editing system used by professionals in the film and television industries and with its many capabilities available at a low price, it's well within the range of serious non-professionals too. With this latest release, Avid proves to be more innovative than ever in a fast-paced world of digital media. Here to guide readers on the foundations of editing using Avid Media Composer 5 is the only book on the market officially developed and approved by Avid and used in its training courses. Each chapter covers a complete lesson in the fundamentals, with step-by-step instructions and accompanying screenshots included so readers can absorb the details and start using the program right away. After discovering how to use the tools and understanding the editing workflow, they'll go on to learn basic editing, timeline editing, and trimming, and then move on to refining audio, adding effects, performing color correction, creating titles, and finally managing projects and delivering the finished work. They'll also learn about groundbreaking capabilities new to this version of Media Composer such as a drag-and-drop Timeline that allows its users to mix formats, frame rates, and resolutions, new direct editing capabilities for QuickTime, RED, XDCAM, and other tapeless media, and much more. Not only that, with the included DVD, readers can dive right in and follow along with the projects using professional footage from top television shows and films. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for Where are the lesson files? Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Create Video with Media Composer Avid Technology,2023-05-15 Create Video with Avid Media Composer introduces users to the power of Media Composer software and marks the first steps toward developing core skills in video editing. The book covers the basic principles you'll need to complete a film project using Media Composer | First, from initial setup to final output, and it is designed for those who are new to professional video editing and also for experienced editors who are unfamiliar with Media Composer software. Each lesson and exercise will focus on a phase of the editing process, starting with organizing media, assembling a sequence, refining a sequence, creating titles and effects, and outputting your program so that others can view it. Although this book is not aimed at teaching the theory behind film and television production, the content provides some background on the craft of editing, making it appropriate for students and others new to the art. For those interested in gaining official Avid certification, this book is also a valuable introduction for further learning and through the Avid Learning Series curriculum.

Video Editing with Avid: Media Composer, Symphony, Xpress Roger Shufflebottom,2013-07-18 This is the first comprehensive guide to editing on Avid from a PAL standpoint, also including NTSC information where appropriate, making this book a worldwide manual. If you are already using Media Composer, Symphony, or Xpress and want to improve and consolidate your basic methods, or if you need to learn these systems from scratch, then this book is for you. This invaluable reference source explains, from beginner to intermediate level, the similarities and differences of these three packages and will ensure you get the most out of your Avid system. Based on his experience as a film and video editor and trainer, Roger Shufflebottom imparts all the information you need in a clear, accurate and easy to follow format. He provides a comprehensive guide to all the main editing tools of Media Composer, Symphony and Xpress. The text covers Media Composer versions 7-10, Xpress versions 2-4, and Symphony versions 1-3. Extra information is also included on Media Composer version 10.5, Symphony version 3.5 and Xpress version 4.5. Specific Apple Mac and Windows NT information is included. Moving beyond basic editing, 2D effects, 3D effects and graphic import are explained in detail. By working through the text you will be able to complete an Avid project competently and intuitively and you will learn some efficient and powerful working techniques. Roger Shufflebottom has been an editor since 1974, began training in 1993 and has run courses for major broadcasters including the BBC, Carlton, BskyB, Pearson Television and the American Forces Network as well as many facility companies. He is an Avid Certified Instructor and has written many articles for 'Avid User' magazine.

Media Composer 6 Mary Plummer,2013 Annotation MEDIA COMPOSER 6: PART 1-EDITING ESSENTIALS is the first step in achieving confidence, creativity, and

efficiency with Avid Media Composer 6, the non-linear film/video editing application used in most movie and television productions. Along with its counterpart, MEDIA COMPOSER 6: PART 2-EFFECTS ESSENTIALS, this book provides the foundation for Media Composer User Certification through an Avid Learning Partner. This book leads you through the interface and basic editing techniques before moving on to trimming, fine-tuning the edit, adjusting audio, handling multi camera editing, adding transitions, adding titles, and outputting your finished project. The training is hands-on and features project-based lessons in which you work on real-world projects ranging from extreme sports and dazzling documentary footage to an episode of the television show Hell's Kitchen. This official training course book is the best first step in mastering Avid Media Composer 6, the standard editing system used by professionals in the film and television industries.
