**Coventry City Fc** George Rowland,Jonathan Strange,2004-06 A history of Coventry City Football Club

Coventry City Simon Gilbert,2016-10-03 Coventry City fans had plenty to be happy about in the late 1990s. They had been a top-flight side for more than three decades, and they were graced with a team of glittering international stars such as Robbie Keane, Gary McAllister and Mustapha Hadji. The future appeared bright with the promise of a huge new multi-purpose stadium - including a retractable roof and removable pitch - that would make the club self-sustainable. Fast-forward another 15 years and the club found itself with no stadium to call its own, playing in front of tiny crowds some 35 miles away from the club's home city. *Coventry City: A Club Without a Home* is a journey through one of the most turbulent times in the history of the Sky Blues, told by those caught in the eye of the storm.

**Coventry City Football Club** George Rowland,2001-11 This book is part of the 100 Greats series, which collects short biographies and statistics of the 100 greatest players on various sporting teams or clubs throughout their histories.

**Rise Together** Adam Sloman,2022-01-31 Rise Together: Coventry City Under Mark Robins examines the rebirth of Coventry City FC from 2017 to 2020. Having sunk to the depths of English football's lowest professional division, the Sky Blues were a million miles from the FA Cup-winning heyday of 1987 and the glitz and glamour of Premier League football. After a decade of decline, a constant churn of managers, coaches and players, the arrival of Mark Robins for a second spell in charge would end all that. Backed by a fanbase desperate for success, winning the 2017 Football League Trophy was just the beginning. Robins would mould Coventry City into a side capable of something few at the club had achieved before - success. That first trophy at Wembley would be followed by two more - victory in the 2018 League Two play-off final, then the League One title in 2020. With off-the-field issues continuing to dog the club, including a second move out of Coventry, the story of Rise Together is one that every football fan will appreciate.

Attached to Coventry City James Adams,2021-10-04 Why would a normal teenager throw his heart and soul into an average Third Division football club for almost a decade, only to walk away from them at the height of their success? After abandoning that club for 20 years, what would cause him to rekindle his passion in a conversion-like experience, and then stick with the club for the rest of his life? The answers lie in the psychology of attachment. This is the story of James Adams and his support of Coventry City, from the days of Billy Frith to Mark Robins. It's an account that delves into the crucial yet poorly understood psychological aspects of football fandom to uncover truths that every football fan can relate to. Join James on a rollercoaster ride as he asks important questions of himself and his life alongside a backdrop of footballing highs and lows, including three Wembley victories and four promotions, as well as FA Cup debacles for the Sky Blues. **Staying Up** Gekoski,1999-11-04 WHAT IS LIFE LIKE BEHIND THE SCENES AT A PREMIERSHIP FOOTBALL CLUB? Until this book, every fan was dying to know the answer to this question. In 1997-98, Rick Gekoski became the first supporter to be allowed into the inner sanctum of a top club, Coventry City. This is his account of their struggle for survival in the toughest league in the world; the journey of a stranger in a hostile land where the natives are suspicious of outsiders and do not speak his language. What he discovered surprised him and will surprise the reader too. 'If I had known that you were going to write this sort of book, I never would have allowed you access to myself or the team. Having said that, I think it's one of the best books about football ever written. The closest anybody could get to what it's really like' Gordon Strachan, manager of Coventry FC, to the author.
