A Lone Star Cowboy Charles A. Siringo,1919

Mighty Blue California Cowboys Delene Bost,2000-04 Sonny is raised in a white trash family on the wrong side of town. His buddy, Aubrey, has an even worse reputation for hell raising. Both of their lives would have ended badly had they not been invited to work on the biggest ranch in the county. The prize, marriage to the sickly ranch owner's daughter, Missy. The prize turns into a competition where friends become enemies. During a drunken beige, Beau, the man Sonny calls his father, murders Sonny's mother and is sent away. It is a tragedy that marks the biggest change in the young cowboy's life. When Beau is released, revenge becomes all consuming for Sonny. He convinces Aubrey to help him. The two connive to do the old drunk in, but the old sot outfoxes the young cowboys, forcing Sonny to provide him a job on the Forest Ranch. The old man suffers a dehumanizing accident, and witnessing the suffering, Sonny has a change of heart concluding fate has punished Beau and set him free. Freedom from his obsession for revenge allows him to put all his energy into winning the hand of the boss' daughter, Missy. This becomes a fierce competition with Aubrey. After all, a cowboy dreams of owning the land on which he works. That dream can only come true if he marries into the family. The competition between the two cowboys for Missy's frail hand is filled with amusing shenanigans as well as tragic consequences. The novel is filled with rich characters scratching out a living on the vast empty ranch land of Central California. Where there is little to go around, cowboys turn to thieving, drinking, womanizing and rabble rousing. But there are consequences to such a hard life, death, accidents and heartache. Silver linings do exist once in a blue moon. Which of the two handsome cowboys have a silver lining in their future? It belongs to only one of them.

Hoodoo Brown Glen Enloe,2011-11-01 In an effort to shine light on a dim corner of our Old West heritage, Hoodoo Brown: the Baddest Cowboy of Them All, pieces together the fragments of the colorful and mysterious life and times of Hyman Graham Neill, better known as Hoodoo Brown. In his day, Hoodoo was as infamous as Billy the Kid, Jesse James or the Dalton Gang, but for some strange reason his fame and that of his murderous Dodge City Gang has faded. While their reign of terror was short, they have sadly both been relegated to the status of a sometimes remembered footnote to history. Only the emergence of a video game in recent years has brought them back to life. Hoodoo Brown is the true story of a man who possibly could have gone on to much better and greater things, but instead succumbed to his own dark and deadly muses.

"The Cowboy" Jim Dyer,2010-05-13 Jim Dorion was recruited and trained to launder money for an International Trust Co. He was told that this money was investors' money. He later found out that he was investing millions of

dollars for an organized crime family as well as the Colombia Cocaine Cartel. With the IRS hot on Jims trail for laundering money, someone stole \$500,000 of the Cartel's money; and he was held responsible. Now, with \$500,000 of the Cartel's money missing, he became a hunted man with \$100,000 reward on his head, dead or alive. Discarded by his mentor with nowhere to hide, he had to disappear. For six years he hid in seclusion on a remote Mesa in Utah, but the abduction and rescue of a woman forced him to come out of seclusion and face the world. The Cartel still wanted him dead and was looking for him all over the world. He finally decided that he was tired of running; he had nowhere to go and nothing left to lose. He decided if it's war they wanted, it's war he would give them. He would hit them where it really hurt, and they wouldn't see it coming. Greed would be his weapon.
