Doll Crafts Laurie Carlson,2017-11-01 Dolls have a unique place in childhood. They are about play, empathy, and developing communication and socialization skills. Dolls are important symbols to children of what adults value, and handmade dolls convey that the individual is

important and that to be unique—less than perfect—is just fine. These concepts guide award-winning children's author Laurie Carlson's *Doll Crafts*, which opens up the world of doll making to children. The emphasis is on following basic instructions that are clearly illustrated with line drawings in order to help children develop creative, open-ended projects that result in unique dolls and doll play. Using inexpensive, everyday, or even recycled materials, children make clever paper dolls, simple folk art dolls, soft cuddle pals, or 18-inch felt dolls as well as cute and easy doll clothing, accessories, and basic houses. Short, informative sidebars throughout explore dolls in various cultures and religions, relate doll trivia and fun facts, and expand readers' ideas about what constitutes a doll by examining the history of action figures, scarecrows, robots, and more.

Quick Decorating Ideas Under \$20 Kathleen Wilson, 2002 Teaching techniques, ways to motivate students, and scholarly presentations are not in this book. Instead you will find stories of the seamy, steamy side of piano teaching. If you want the lowdown about the frustration, humor, satisfaction, and low pay that comes with being an independent teacher of piano, then you are in the right place. This piano teacher tells all--the tension of working with demanding parents, students overloaded with activities and homework--and the peculiarities of us all. And yes, you will read of the joys of living a life in music. The reader will occupy a front-row seat next to the piano bench. Just when the student considers not going through one more piano lesson, one more correction, or practicing one more time and the teacher is having the same thoughts, a miracle occurs. At the most unexpected moment, the teacher will hear a beautiful sound of music coming from the very soul of her student. They will look at each other and smile; bonded in the realization they have just become Closer to the Ivories.
