*Santa's Bully Elf* Victoria Devine,2016-03-31 Santa's Bully Elf is a heartwarming story about bullying and the spirit of Christmas. When Sparky, a Golden Retriever who helps Santa Claus track bullies, looks into his magical telescope, he spots Isabella and Anthony. These two children are on the naughty list because they are mean and unkind to other kids at school. Sparky must leave his post at Lookout Tower to convince these two children to behave or Santa will fly past their home on Christmas Eve without stopping. Of course, no one has EVER heard of a dog as an elf, so Isabella and Anthony take some convincing. When the children arrive at the North Pole, Santa plans a surprise visit to help them understand the effects of their bullying. One look through the magical telescope, and they are shocked by what they see!

The Lean Farm Ben Hartman,2015 A practical, systems-based approach for a more sustainable farming operation To many people today, using the words factory and farm in the same sentence is nothing short of sacrilege. In many cases, though, the same sound business practices apply whether you are producing cars or carrots. Author Ben Hartman and other young farmers are increasingly finding that incorporating the best new ideas from business into their farming can drastically cut their wastes and increase their profits, making their farms more environmentally and economically sustainable. By explaining the lean system for identifying and eliminating waste and introducing efficiency in every aspect of the farm operation, The Lean Farm makes the case that small-scale farming can be an attractive career option for young people who are interested in growing food for their community. Working smarter, not harder, also prevents the kind of burnout that start-up farmers often encounter in the face of long, hard, backbreaking labor. Lean principles grew out of the Japanese automotive industry, but they are now being followed on progressive farms around the world. Using examples from his own family's one-acre community-supported farm in Indiana, Hartman clearly instructs other small farmers in how to incorporate lean practices in each step of their

production chain, from starting a farm and harvesting crops to training employees and selling goods. While the intended audience for this book is small-scale farmers who are part of the growing local food movement, Hartman's prescriptions for high-value, low-cost production apply to farms and businesses of almost any size or scale that hope to harness the power of lean in their production processes.

*Unlikely Fighter* Greg Stier,2021-11-09 Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

**The Wild Twins** Amber Shine,Serena Shine,2021-11-01 Twin sisters Amber and Serena Shine on strength, survival and a lifetime seeking adventure Amber and Serena Shine have wild in their blood. From their first steps, the twins set out from their family farm in rural Waiuku with the bush and mountains in sight. Together they've run the world's highest marathon on Mount Everest, walked jaguars in the Amazon, sailed treacherous seas from Hawai'i to San Francisco, navigated ice falls while climbing Mount Cook, raced 322 kilometres on a dogsled, and survived naked in the African wilderness for twenty-one days on the hit Discovery show *Naked and Afraid*. In *The Wild Twins*, Amber and Serena share their most extreme achievements, the secrets behind their strength and endurance, and advice on living life to its fullest. With go-getter attitudes, perseverance and fearlessness, these inspiring sisters are all about getting outdoors and reaching your potential - returning home covered in mud and with a story to tell.

**In the Pursuit of Life** James Anderson,Jim Anderson,2020-12-16 Riding a dirt bike home from South America wasn't what Jim Anderson had planned when he boarded a (first class!) flight for São Paulo in January of 2009. He

promises it wasn't. But after days of long, sweaty bus rides through busy Brazilian streets, how could he and friends (Diesel) Dave Kiley and (Brian) Nian Allphin resist plunking down their hard-earned vacation money for three used Brazilian motorbikes? They couldn't! Three guys who had met on a Lake Powell houseboat only a few months before solidified a lifelong friendship as they traveled from São Paulo to Manaus, charming everyone they met along the way, from humble Brazilian families and ace mechanics to hostile military policemen. Unable to sell their bikes in Manaus as planned and fly home, the boys hatched a brilliant, horrible plan. But sometime while riding the muddiest portions of the Trans-Amazonian dirt Highway and smuggling their motorbikes over the Caribbean Sea on drunk Captain Pedro's boat, Jim, Dave, and Nian experienced the unmistakable divine hand of protection as they crossed border after border. And somewhere in the torrential rain storms of Brazil and under some of God's most beautiful sunsets, the Wolfpack found out what kind of stuff they're really made of. Can you guess what kind of stuff it is? If you can't, you should get better at guessing. Jim's recounting of the three-month journey home to Fillmore, Utah is unlike any other travelogue you're likely to pick up. Jim's pursuit of life has become an awesome collection of once-in-a-lifetime experiences punctuated by moments of gratitude for the goodness of God. You'll wish you'd been riding doubles on the back of his bike.
