*Howl for It Bundle: The Mane Event, Angel of Darkness & Howl for It* Shelly Laurenston, Cynthia Eden, 2012-10-01 Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male--with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good--make that spectacular--in a suit. . .and even better out of it. . . NYPD cop Desiree Dez MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle. . . Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl--even one who runs with a Pack--can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go. . . He Fell For Her Nicole St. James was a nice woman. An innocent, pretty, twenty something schoolteacher with her life ahead of her. But as the angel of death, it's Keenan's job to take that life away. So when a vampire attacks Nicole, Keenan is not supposed to snap and take out the vampire instead. It cost him his wings--but she's worth it. Except when Keenan catches up to his pretty schoolteacher, she's not so innocent anymore. Hot red lipstick, tight black shorts and long white fangs--she's ready to kick the asses of anyone who helped turn her into a damn bloodsucker. Unless that ass is unusually shapely and attached to a certain fallen angel. Even with all of heaven and half of hell after them, someone will have to teach Keenan about the fun kinds of sin. . . Cynthia's on my must-buy list. --New York Times bestselling author Angie Fox Praise for Cynthia Eden's novels Highly sensual and definitely dangerous. --Shannon McKenna on *Hotter After Midnight* A wickedly unique voice in paranormal romance! --Larissa Ione on *I'll Be Slaying You* A fast-paced, sexy thrill ride you won't want to miss. --Christine Feehan on *Eternal Hunter* They hunger for your pleasure. They growl for your touch. And in these sizzling stories by New York Times bestselling author Shelly Laurenston and Cynthia Eden, these sexy wolf shape shifters are lust at first bite. . . Like *A Wolf With A Bone* Shelly Laurenston Quiet little Darla Lewis couldn't be happier when the most-feared member of the South's rowdiest pack kidnaps her. A girl gets real tired of being overprotected by her own shifter family, and there's nothing like an oh-so-big bad wolf to start a pack feud, unleash her instincts--and have her surrender however and whenever she wants. . . *Wed Or Dead* Cynthia Eden Gage Ryder knew his human bride had a wild side. But spending their honeymoon night on the run from hunters out to finish him and his pack is sure not the kind of fun he was looking forward to. No problem--Gage will do whatever it takes to lay bare Kayla's secrets and find the truth. If he can keep from being captured by his own seductive game. . . Cynthia's on my must-buy list. --New York Times bestselling author Angie Fox Laurenston continues to dazzle readers. --Romantic Times

**The Pride Series** Shelly Laurenston, 2020-02-25 Animal magnetism has a whole new meaning when the menagerie of shapeshifters in Shelly Laurenston's Pride series prowls, sniffs, howls, and roars into hot-blooded action . . . THE MANE EVENT NYPD cop Desiree "Dez" MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those intensely gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle. . . THE BEAST IN HIM Some things are so worth waiting for. Like the moment when Jessica Ward "accidentally" bumps into heartthrob Bobby Ray Smith and shows him just how far she's come since high school. Now Jess is a success on her own terms. And she can enjoy a romp with a big, bad wolf and walk away. Easy. Or so she thinks . . . THE MANE ATTRACTION Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw's bed the morning after her brother Bobby Ray's nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack's turf for safe keeping. It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth . . . THE MANE SQUEEZE Growing up on the tough Philly streets, Gwen O'Neill knows how to fend for herself. But what is she supposed to do with a nice, suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan "Lock" MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don't believe in forever . . . Praise for the Novels of Shelly Laurenston "Hot and humorous." —USAToday.com "Shelly Laurenston's shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud." —The Philadelphia Inquirer "A little bit of everything . . . humor, passion, and suspense with a touch of paranormal." —FreshFiction

The Mane Event Shelly Laurenston, 2009-10-06 These lion-shifters really know how to make a woman purr...First in the funny, sexy series from the New York Times-bestselling author! Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male—with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good—make that spectacular—in a suit. And even better out of it... NYPD cop Desiree Dez MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle... Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl—even one who runs with a Pack—can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion-shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go... "Shelly Laurenston's shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud." —The Philadelphia Inquirer

Sahara Clive Cussler, 2009-06-30 Stranded in the Sahara desert, Dirk Pitt and his friends uncover the truth about the fate of 1930s aviator Kitty Mannock and the secret behind Lincoln's assassination. Reissue.

The Dirty Secrets Club Meg Gardiner, 2008-06-12 With this breakout novel, the meg gardiner fan club is growing... A string of high-profile murder-suicides has San Francisco more rattled than the string of recent earthquakes. Hired by the SFPD to shed light on the victims' lives, forensic psychiatrist Jo Beckett makes a shocking discovery: all the suicides belonged to a group of A-listers with lots of money and plenty to hide. And soon Jo finds herself trapped in a nightmare from her past when she gets invited to join the club...

The Art of French Horn Playing Philip Farkas, 1999-10-19 First to be published in the series was *The Art of French Horn Playing* by Philip Farkas, now Distinguished Professor Emeritus of Music at Indiana University. In 1956, when Summy-Birchard published Farkas's book, he was a solo horn player for the Chicago Symphony and had held similar positions with other orchestras, including the Boston Symphony, Cleveland Orchestra, and Kansas City Conservatory, DePaul University, Northwestern University, and Roosevelt University in Chicago. The *Art of French Horn Playing* set the pattern, and other books in the series soon followed, offering help to students in learning to master their instruments and achieve their goals.

**Beat Collection** Barry Miles, 2010-09-30 The Beats. a title that Jack Kerouac coined to define the exhausted exaltation of a generation, produced a body of works infected with a new energy. Their spontaneous, often-unedited style epitomised their own era and their famed close-knit literary community continues to inspire writers today. Barry Miles, friend and biographer of Allen Ginsberg, William Burroughs and Jack Kerouac, was there , part of the Beat Vibe. here he gathers together some of the most influential as well as the most overlooked writers of the era. He covers the writings from *The Original Beats* (New York 1944-53): *The San Francisco Scene* (1954-57) and *The Second Wave* (New York 1958-60) including works from Gregory Corso, John Clellon Holmes, Lawrence Ferlinghetti, Frank O'Hara, Diane di Prima and Alexander Trocchi to the king of the Beats Himself, Jack Kerouac. The result is a fascinating compendium that recaptures the unique but varied voices of the Beat generation..

**Cardinal Sin** J.R. Ripley, 2019-05-14 Birds & Bees owner Amy Simms will need help from her fine-feathered friends when an uncommon bird sighting plunges her into a hornet's nest of black magic and murder most foul . . . Amy's enjoying a rare moment of relaxation when a customer shows up seeking her expertise in ID-ing an unusual bird she's seen flying around her wooded cabin at the edge of town. Ruby Lake, North Carolina, newcomer Yvonne Rice resembles an exotic bird herself—apparently the kind that doesn't fly. When she's found shot to death in her locked cabin, the only witness found is a statue of a voodoo deity staring down from the mantel. Does the rare yellow cardinal Yvonne spotted hold any clues to her demise? What about the Ouija board spelling out the words I am murdered? As Amy delves deeper into Yvonne's life and meets her strangely

secretive neighbors, she's determined to stop a fowl-hearted murderer from migrating to a new killing ground . . .

**The Good Driver** Gary A James,2024-03-20 A simple malfunction in his truck has Max going back to his garage and mechanics... an action that'll alter the course of his life forever. Max Doren thought that being loyal and hardworking would be enough at his job, driving for Buffalo Bill Transport. The trucking company owner, Smith, doesn't seem to appreciate Max's diligence and dedication. Worse yet, Rick Barnes, the operations manager, seems determined to sabotage Max's career and reputation. With a friend named Axel Thomas in his corner, Max can only hope that justice will come knocking for the people trying to ruin his life for reasons unknown. Yet Rick's schemes continue to escalate until the very trucking company is in jeopardy and the friends learn there is more to the story than they originally thought. And when Max's truck is involved in a mysterious theft, Max wonders just how far someone might go to wreck his world.

Donuts in an Empty Field Rachel Barnard,2016-06-03

*Trumpet of Death* Cynthia Riggs,2017-04-25 When 92-year-old poet/sleuth Victoria Trumbull takes her city-bred tenant Zack Zeller on a nature walk on one of Martha's Vineyard's conservation areas and shows him a mushroom she calls black trumpet of death, he's sure he's found the way to rid himself of his troublesome girlfriend, Samantha. But the mushrooms he's given Samantha end up on her daddy's dinner table, and Zack, one of the invited guests, is sure he's doomed the diners to an untimely death. Meanwhile, dead bodies are cropping up on the Island. The police have questions about the identity of the culprit and call upon Victoria Trumbull, who knows the Island and its inhabitants intimately. Will she be able to find the truth and clear the name of someone close to her before the murderer finds its next victim? In addition to giving us more of the eccentric cast of characters and quirky plot we love, *Trumpet of Death*, the 13th book in Cynthia Riggs' Martha's Vineyard mystery series, describes in loving detail little-known parts of the Island that visitors seldom see.

**Children of the Halo** EJ Spurrell,2012-12-01 It's been a thousand years since the Pact was forged with the blood of heroes, uniting the five tribes and pushing the shadows back into the darkness. Since that time, peace has reigned in former Eventide. But now, dark shadows working behind the scenes for centuries have corrupted the once-pure High Magus Council, the overseers of the Pact and enforcers of its laws, twisting the justice it once stood for into a gross parody of greed and control. But an ancient, secret prophecy speaks of a lost people. People ignorant to the ways of magick and steel, but masters of a new kind of magick. The magick of crafts and machines, of information and tecknowledge. It is said they will emerge from a halo of dark light and bring with them a city of wonders. Life tends to slow to a crawl in Dunsmith, British Columbia. The small Vancouver Island town is nothing more than a crossroads. But when a strange event occurs and leaves the entire town stranded knee-deep in the Disputed Lands, they find they must band together as they face trials they were unprepared for. Invading armies, magick, elementals and even the local economy have to be taken into consideration. But how well can a small town of eight thousand hold back the furies of the Pactlands?

*Blue Skies and the Dove of Peace* Mitchell W. Pezdek,2024-02-09 All of us experience times of joy and sorrow, times of success and failure, and times of doubt and certainty. In our lives on earth, we need to ask ourselves why we are here and what purpose does God have for us. Life is a journey. In my life, I have had the moments referred to, and my guiding light has been a belief in God and Jesus, his only begotten Son. I am not a priest or preacher, but I do have some experiences that each of you readers can relate to. My purpose in writing this autobiography is to tell you about them and hope that they will interest you and, if you need it, help you in troubled times. Modern times are truly testing all of us, and many people have turned away from God. This is a sad occurrence, and I pray that my book will convince some of you who have doubts that God does love us, cares about us, and will help us when he ask for it. God bless you, and I hope my journey will enrich your faith. Without that, we are like a ship sailing with no compass.

**The Lizard of Oz** Richard Seltzer,2018-01-31

The Wandering Beloved David Small,2015-09-11 Wanna know what the problem is? It's God. Deep down inside, in that quiet place in our heart and soul, the problem is we don't know if he is real. I was betrayed by the church, hurt by the leaders and the ones I looked up too, and embarrassed about how "Christians" behave. So I walked away. For more than a decade I left it all behind, I didn't need God. I equated all the hurt and bitterness the church had caused me with God. But that's not God. After a decade focused on my career, my wealth, my happiness, my desires, I found myself on a wild adventure with God. Through the army, coaching professional hockey in Europe, helping victims of war in Burma, and a long walk in Spain, I slowly began to see the true nature and character of God. He wasn't into rules and religion, he didn't want me to memorize the Bible and follow all the traditions, he just wanted my heart. Through my struggle with depression I learned that God is real, not because of some warm fuzzy feeling I had one time, but I actually mathematically concluded that God is real. Want to meet the real Jesus? Want to know if God is really real? Come on an adventure with me.

The Blue Mule David Heath,2010-02-19 This is a story of fiction but inspired by the love of trucking and simple rural farm life as it was in the 50s and 60s.A few hours east of Fort Stockton, Texas, Julie saw the sign indicating she was still a long way from San Antonio. Her eyes felt tired. Several miles back, she had nodded off just a second, and it scared her so bad she almost went off the road into a rocky hillside. Second thoughts haunted her mind about the decision she had made to try for the Alamo city tonight. It was now 11:00 PM and the rain hadn't let up making the road almost impossible to see. She cranked up the heater as the outside temperature dropped considerably colder the further east she traveled. She picked up a Del Rio station on the radio and turned the volume up to keep the cab filled with noise. The country music eased her tired mind as the song play-ing was one of her favorites "yeah," she thought "that's me, Julie Dickinson with nothing but eighteen wheels under my seat and miles of highway ahead."

Love on the Schiz K. Marsden,2009-11-13 Love on the Schiz, is un conventional romance between a schizophrenic millionaire Kerry Gumpy and his love interest Chi Phen an ex heroin user on the run from a drug lord intent on killing the only witness to his slaying of a rival pusher. To protect Chi, Kerry must put his life on the line more than once to protect her fragile Vietnamese beauty. Fleeing to rural Victoria, to his well known stomping grounds, Kerry introduces Chi To a gentler, kinder Christian life which appeals to the damaged frightened woman he has fallen in love with. But can love save them when a killer stalks their every move?

*The Best Job Ever* Robert Gadkey,2021-12-16 Otis Covington loved his unusual job. And the six-figures it paid him. But as he approached mandatory retirement age, he needed to find a family member to take his place if he wanted to get a special pension his employer offered. However, when his twenty-year-old nephew turns him down, things begin to spiral out of control. How far will Otis go for money? This story is a novelette that is approximately fifty-two pages long.

**Hunting Pressured Turkeys** Brian Lovett,2006-11-15 Examines the modern turkey hunting scene and offers a concise, in-depth explanation of how to scout for, set up on, and kill wary longbeards. Lovett explains how turkeys react to human pressure and various terrain features and covers the essential skills of calling. He provides complete strategies for hunting different times of day, aggressive versus subtle approaches, and troubleshooting tough birds.

**8 Crazy Moments in Time** Douglas J. McGregor,2016-04-20 Three excerpts from the eight stories ... Antietam I had read the cornstalks ranged between six and ten feet high; from my perspective, the stalks looked higher. The light wind eerily swayed the late summer corn, and the first slants of daylight hit the field. The glint of the sun bouncing off the bayonets chilled my blood, and with utter fascination, I watched the Confederates move about in the green and yellow of the corn like gray ants. The Time Machine The dog grinned coyly, I know what youre thinking - maybe you can get to me - and if I were you, Id be thinking that too, but shovel or not, everything is drenched in gas, even the shovel. Rex allowed his words ample time to be absorbed before adding, Youre gonna catch on fire. That cant be avoided. No matter how smart you are, you cant think of a way out. Cuz there is no way out. You are trapped. The Last Cubicle A long pause ensured as he stared into her eyes, and then he quietly asked, Why am I sitting in the last cubicle with an angel? A sheet of paper appeared in her hand and she pointed at the letterhead. Spell D.E. Mood backwards.

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has be apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Crazy Air Horn**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
