Anna K Jenny Lee,2020-03-03 A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.

He likes that she's the smartest person he knows and he likes her big blue eyes. He doesn't even mind her can collection. In fact, he pretty much likes everything about Anna. As his body and his world are falling apart, she still manages to make him happy. Matt is the only person Anna has ever wanted to be close to. But how can she go on a date with him if the thought of dinner at a restaurant fills her with terror? How can she ever kiss the man she loves if she can't even touch him? Maybe it's time to stop being Crazy Anna. If only she could.

Heirloom Kitchen Anna Francese Gass, 2019-04-30 A gorgeous, full-color illustrated cookbook and personal cultural history, filled with 100 mouthwatering recipes from around the world, that celebrates the culinary traditions of strong, empowering immigrant women and the remarkable diversity that is American food. As a child of Italian immigrants, Anna Francese Gass grew up eating her mother's Calabrian cooking. But when this professional cook realized she had no clue how to make her family's beloved meatballs—a recipe that existed only in her mother's memory—Anna embarked on a project to record and preserve her mother's recipes for generations to come. In addition to her recipes, Anna's mother shared stories from her time in Italy that her daughter had never heard before, intriguing tales that whetted Anna's appetite to learn more. Reaching out to her friends whose mothers were also immigrants, Anna began cooking with dozens of women who were eager to share their unique memories and the foods of their homelands. In *Heirloom Kitchen*, Anna brings together the stories and dishes of forty-five strong, exceptional women, all immigrants to the United States, whose heirloom recipes have helped shape the landscape of American food. Organized by region, the 100 tantalizing recipes include: Magda's Pork Adobo from the Philippines Shari's Fersenjoon, a walnut and pomegranate stew, from Iran Tina's dumplings from Northern China Anna's mother's Calabrian Meatballs from Southern Italy In addition to the dishes, these women share their recollections of coming to America, stories of hardship and happiness that illuminate the power of food—how cooking became a comfort and a respite in a new land for these women, as well as a tether to their native cultural identities. Accented with 175 photographs, including food shots, old family photographs, and ephemera of the cooks' first years in America—such as Soon Sun's recipe book pristinely handwritten in Korean or Bea's cherished silver pitcher, a final gift from her own mother before leaving Serbia—*Heirloom Kitchen* is a testament to empowerment and strength, perseverance and inclusivity, and a warm and inspiring reminder that the story of immigrant food is, at its core, a story of American food.
