*Crazy Cat* Marta Pona,2019-12-16 Look out dogs and mice . . . Crazy Cat is on the loose! She may look ordinary, but she's a champion Karate cat, and she isn't afraid of dogs. Riding her pink tricycle and wearing pilot goggles, she loves to tease the neighbourhood pooches. By day, she likes to preen herself in the sun and take long naps. (She must look rested and radiant at all times!) By night, she hunts mice. But she has a surprise for Sam, the new dog in the 'hood. She also has a secret she doesn't share with just anyone. Read her story to find out about the surprise and the secret!

Crazy Cat Lady Alison Davies,2020-10-06 Enigmatic, alluring and almost always quirky, cats and the ladies that love them share much in common. As individual as their feline counterparts, crazy cat women exude charm and, while they have their eccentricities, they refuse to hide them. Instead, they take center stage and celebrate what makes them unique; the bond between femme fatale and feline furry. While some sneer at the general adoration cat ladies dish out to their beloved puss (along with the finest fresh salmon) those of us in the know understand that what we give out, we get back in so many delightful ways. Yes, cat ladies go the extra mile when it comes to anything feline related. It's all part of the fun. So here's to all you feline loving ladies! This book is a celebration of your pawsomeness. And if you're on the fence when it comes to embracing your inner cat craziness, but recognize some of the 50 traits outlined in these pages, don't be shy. Come join the party - it really is where all the cool cats hang out.

Crazy Cat, Fraidy Cat Stacey York,2014-06-04 I have written some stories of the animals that we have had and the silly things they have done. We would like to share these adventures with you. Cat Crazy Ben M. Baglio,2000 While on vacation, Mandy and James discover a houseboat filled with cats. Mrs. Browne and her son live there and take care of the town's abandoned felines -- but they're in danger of losing their home.

Crazy Cat Lady Kitty Chatfou,2018-02-23 In 1962 they thought she was dead, all they had to do was burn the old house down with her and those damnable cats in it and everything would be normal again. No more odd antics from the Crazy Cat Lady no more death. But what they didn't realize is there was much more to her relationship with her beloved cats than met the eye. Love, trust, and the bonds of a mother to her children all played a part to the insanity the town people thought raged within the crone's mind. It's now 2018 and the stories have not ceased. Instead it seems the legend of the 'Crazy Cat Lady' have grown more horrifying than ever before prompting the local children to take a visit. Most have only come within a few feet of the old half burned house. They would stand, staring at the place, watching the creepy cats mill about the area, climbing along porch railings meowing plaintively. But three high school boys decide to take it a bit further one night which begins a horrifying look into what happens when nature is misunderstood and an old crone that harmed no one is now out for revenge.

**Crazy Cat's Bad Day** Ron Reese,1997-12 Crazy incidents and accidents fill Crazy Cats day.

Confessions of a Crazy Cat Lady Sandra Gurvis,2013-05 From Hairballs to Hair Straightening . . . Women face certain challenges when they reach, um, a certain age and who doesn't enjoy a funny cat story? With essays, really bad poetry and ridiculous photos of the author and her cats (as well as some unsuspecting family members), *Confessions of a Crazy Cat Lady* . . . And Othe Possibly Demented Meanderings offers the best of both worlds. Topics cover the full gamut of two- and four-legged dilemmas-divorced and dating after many years of marriage, purse envy, weight loss and gain, body image (human) and escape attempts, euthanasia, and rock-swallowing (critter), among other subjects. Culled from a massive literary database (aka the rather demented mind of author Sandra Gurvis), some writings appeared in publications such as *Columbus Monthly*, *I Love Cats*, and the anthology *CAT'S MEOW*, while others are completely original. This book is a must-read for cat ladies, aspiring cat ladies and/or people who love cats and/or women. It can also serve as precautionary guide for those wishing to avoid cat ladydom. But like potato chips and sometimes felines themselves-the stories may be hard to stop reading after just one!

*Cats Are Weird* Jeffrey Brown,2013-02-01 Cartoonist Jeffrey Brown's drawings perfectly capture the humor and quirkiness of cats in all their strange and charming glory. Following the success of Cat Getting Out of a Bag, this collection of color and black-and-white comic strips loosely follows the adventures of a pair of cats as they explore the world around them, indoors and out. Adventures include taking a nap, licking a shoe, attacking dust particles, hiding in cabinets, pouncing on fallen leaves, confronting the vacuum cleaner, patrolling the yard, and purring up a stormall adorably rendered in Brown's immediate and irresistible style. Sure to delight anyone who lives with cats and appreciates their sweet and batty behavior, this beautifully packaged gift book is the cat's meow.

**Krazy** Michael Tisserand,2016-12-06 In the tradition of Schulz and Peanuts, an epic and revelatory biography of Krazy Kat creator George Herriman that explores the turbulent time and place from which he emerged—and the deep secret he explored through his art. The creator of the greatest comic strip in history finally gets his due—in an eye-opening biography that lays bare the truth about his art, his heritage, and his life on America’s color line. A native of nineteenth-century New Orleans, George Herriman came of age as an illustrator, journalist, and cartoonist in the boomtown of Los Angeles and the wild metropolis of New York. Appearing in the biggest newspapers of the early twentieth century—including those owned by William Randolph Hearst—Herriman’s Krazy Kat cartoons quickly propelled him to fame. Although fitfully popular with readers of the period, his work has been widely credited with elevating cartoons from daily amusements to anarchic art. Herriman used his work to explore the human condition, creating a modernist fantasia that was inspired by the landscapes he discovered in his travels—from chaotic urban life to the Beckett-like desert vistas of the Southwest. Yet underlying his own life—and often emerging from the contours of his very public art—was a very private secret: known as the Greek for his swarthy complexion and curly hair, Herriman was actually African American, born to a prominent Creole family that hid its racial identity in the dangerous days of Reconstruction. Drawing on exhaustive original research into Herriman’s family history, interviews with surviving friends and family, and deep analysis of the artist’s work and surviving written records, Michael Tisserand brings this little-understood figure to vivid life, paying homage to a visionary artist who helped shape modern culture.
