**George Silberzahn**

### Darts Beginning to End George Silberzahn, 2009-06-25

Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanes (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

### **Stories from the Promised Land** Jessie

Gussman, 2024-04-06 Hi! I'm Jessie Gussman and I get emails all the time from people who spewed their coffee/half-chewed toast/cereal out all over their e-reader. Or who woke up their spouse while reading my newsletter because they were laughing so hard. Or who save my emails until they get home from work because they don't have the kind of job where howling and rolling on the floor is acceptable conduct. But not every story in this book is laugh-out-loud funny. Some of them will make you cry. Some will make you think. And some of them will make you shake your head and wonder how in the world someone like me has made it through life without being put in a straight jacket and carted away. Not even close. I get paid to write love stories. Lol Life is weird, I agree. I'm a wife, mother and farmer by day, romance novelist by night and in my spare time, I write about my life from prison. Kidding

about the prison part. (At the time of this writing, anyway. No one has figured out if there was actually a body in the car that's buried in my dad's back yard – that story's in the book, along with the time I caught myself on fire and my kid was laughing too hard to blow me out, how to charge a 1600 pound, angry mama cow (and why you'd want to), odd Amish courting rituals (involving frogs), and how not to fall out of your husband's Peterbilt as he's driving down the interstate.) There is a lot of faith, family and fun in my fiction books, and WARNING: my real life has a ton of all that, too. But life on the farm is not always fun. Sometimes it's hard and sometimes it hurts and those stories are in here, too. Thanks so much for choosing to spend a little time with me today! Love, Jessie

Reviews for Stories from Jessie Gussman's Newsletter: □□□□□ This book of newsletters is actually better described as a collection of short, real-life stories by Jessie that will leave you snorting with laughter, and sometimes, struggling with tears. - Mari □□□□□ I absolutely love Jessie Gussman's books and I always thought we should have to pay for her newsletters, but thank heavens we don't. This is a book I highly recommend even if you've never read a Jessie book you still enjoy the stories of living on the farm being the mother of four and others and the relationship with her and her husband. An absolute treat. - Janalyn □□□□□ I've been reading this book to my husband whenever we're riding in his truck together. We're both loving it! Many laugh out loud moments! - Amber □□□□□ This is a faith-based writing that is so touching that it not only will inspire the reader but entertain you in a clean and wholesome way. Jessie's real-life stories about her family and life on their farm made my day! This really is a must-read charmer! - Crystal □□□□□ This book had me laughing out loud, crying, and wondering how in the world people can live with

themselves sometimes. I truly don't know when Jessie finds time in her life to write, but when she does, it's an experience. I love Jessie's honesty, spirit, love, generosity, human-ness, kindness, parenting style, relationship with God. - Janet Books in the Stories from Jessie Gussman's newsletter series: 1. Chickens in Canaan Land 2. The Farm on Naked Creek 3. Beef Below the Blue Ridge 4. Stories from the Promised Land

**Dognapping For Beginners** Rene Roberts,2023-02-07 Stumblin' In... My name is Nikki Lawry. I'm not much of a joiner—more of a dog person, but

that suits me just fine. I have my reasons. All I dream about these days is my own animal rescue center, and I'm saving every penny I earn to purchase the land I need—one dog walking gig after another. That's why I live in a tiny house in my mom's backyard, hooked up with a garden hose and an extension cord. Fancy. Like I said, minding my own business, saving every penny. When my favorite customer, Miss K, told me about the abused black Lab chained up next door, we immediately plan a midnight rescue. Just when it seems we might pull off our clandestine mission, it's discovered there was a death in the neighborhood. When? Why, exactly when I was skulking around with my trusty bolt cutters, of course. I'm no detective, but even I can guess who the #1 Suspect is.

**The Disciples of Goedric** Jeffrey Jude, 2011-10-11 The Disciples of Goedric A Trilogy I. Gay Gene Rising II. Guardians of the Blood III. SoulFire and Tears The Sons and Daughters of Goedric had fallen. For more than 2,700 years their once noble creed drifted, trapped in time like a ripple across an endless sea with no hope of shore. All that remained were broken memories and a fragile hope that had been cast into the winds of time by Judea-the\_just and Ruth the Raven-Haired. In the not so distant future, young Etan flees his Chicago apartment, narrowly escaping IFC henchmen who will stop at nothing to get him back under their control. Burdened by relentless fits and horrific visions, his only hope rests with a rag-tag group of friends, led by two tough, old-guard lesbians who never thought they'd live long enough to witness the horrors of a second gay plague. Sue DeGault and Sue Keller pray for strength as they prepare to battle fate and the IFC, a corporate goliath controlled by a ancient and powerful family that could trace its roots to the days of King Yoshiyahu... a family that had been raging a war against homosexuals for thousands of years. Far away in the remote mountains of Mexico, a great grey-wolf raises ts muzzle and curled back his lips to taste the air. The scent of blood stings his palette, and he howls into ancient winds as they paint the mists with death. The winds were born on the battlefield, in a time long past. They saw the Great Purge of King Yoshiyahu. They witnessed the atrocities that were committed in the name of Yahweh, and they moaned in anguish as the blood of the Disciples of Goedric muddled the ground. His great howl echoed through the mountaintops, heralding the second dawn of Man's hope, and the very universe braced itself for the impossible... and

the Eternal Void trembled in fear.
