Acrobatic Sex Positions Emily Dubberley, 2013-01-01

Acrobatic Sex Positions brings exciting twists and turns to 69 sex positions so wild you almost won't believe them. Not for the timid, these positions challenge flexibility and stamina and will get readers head over heels--as well as sideways and upside down--to facilitate deep penetration, hit multiple hot spots, and yield amazing orgasms. -

Stairway to Heaven: A sexy intercourse position where she stands one step above him on the staircase. He enters her from behind and lifts and folds her legs back and around his waist giving her amazing G-spot stimulation. - Over the Rainbow: His palms and feet are flat on the floor with his body arched. She is draped over his body, her back following the same bend as his, her feet resting on his chest. From the side, their bodies form an arc-shaped rainbow. The rush of blood to the head makes this demanding position even more thrilling and intense. - The Pretzel: He stands upright, and penetrates her in rear-entry position. He supports her waist while she pushes her arms back and raises her legs until she can grasp her ankles with her hands, as in the bow yoga position. Once she's in place,

the grip of her thighs should be enough to support her. He can keep one arm wrapped around her waist for added support; the other is free to stimulate her breasts and clitoris. The ultra-tight penetration means more stimulation for him and an ultimate filled-up feeling for her.

The Contemporary Femme Fatale Katherine Farrimond, 2017-07-06 The femme fatale occupies a precarious yet highly visible space in contemporary cinema. From sci-fi alien women to teenage bad girls, filmmakers continue to draw on the notion of the sexy deadly woman in ways which traverse boundaries of genre and narrative. This book charts the articulations of the femme fatale in American cinema of the past twenty years, and contends that, despite her problematic relationship with feminism, she offers a vital means for reading the connections between mainstream cinema and representations of female agency. The films discussed raise questions about the limits and potential of positioning women who meet highly normative standards of beauty as powerful icons of female agency. They point towards the constant shifting between patriarchal appropriation and feminist recuperation that inevitably accompanies such representations within mainstream media contexts.

Kiss Me Again Barbara Wilson, 2009-09-15 Do you ever wonder why marriage can seem like the end of intimacy and sexual desire instead of the beginning? Ever wonder

Naked and Unashamed Gerry Root, Claudia Root, 2018-06-15 Happy marriages don't just happen. Despite the abundance of magazines and self-help books available, people continue to struggle with marriage. *Naked and Unashamed* describes the diligent, necessary work to maintain marriage, as well as holistic character—that the nakedness asked of each individual extends from how we communicate, to how we grow spiritually, to how we manage our finances, and to how we make love. Every marriage is a snapshot of and testimony to God's covenant relationship with His Church. Without mincing words, Dr. Jerry, Claudia, and Jeremy offer real help through practical and spiritual advice on these topics and more. *Undressing for Intimacy: Unpacking Communication, Exploring Expectations*. *Undressing for Sex: Naked and Unashamed* challenges couples to embrace a holistic, lifelong undressing for marriage. Throughout, the book presents a picture of marriage in which relational and spiritual intimacy may be found in every aspect of the relationship. The book should enrich both marriages and the Christian life of the individuals within marriage. "I have performed scores of

weddings over the years, and my wife and I have done the premarital counseling. I wish this insightful book had been available for us.” —LYLE W. DORSETT, PhD, Billy Graham Professor of Evangelism, Beeson Divinity School “Naked and Unashamed is a must-read for any couple seeking to do Christian marriage in a way that is glorifying to God. Part master class, part playbook, this frank and easy-to-understand guide is packed with critical insights and practical wisdom that can be applied immediately. This book leaves its readers equipped to engage in their marriage relationship in a truly transformational way. I cannot recommend it highly enough.” —MICHELLE MOUJAES, Founder and Executive Director, Faithtree Resources “This is the premarital resource I have been waiting for! Incredibly rich with wisdom and insight, Naked and Unashamed is for every couple who are more interested in staying married than they are in getting married. I highly recommend this book for anyone seeking a deeper, fuller, richer, understanding of biblical marriage.” —JIMMY DODD, Founder and President of PastorServe, author of *Survive or Thrive: Six Relationships Every Pastor Needs*

Just Trust Me G. Randy Kasten, 2012-12-13 SUVs are the safest vehicle because they're so large—right? Wrong! That's the advertising pitch, but in 2000, they had the highest rollover rate (36%) of any vehicle type involved in fatal accidents. Yet two years later their safety myth was still so strong that one of four vehicles sold in the U. S. was an SUV The world of spin we live in is full of such potentially hazardous illusions. We need to know if particular foods can hurt us with Salmonella or cholesterol, whether our government is truthful in its reasons for waging war, what

problems a political candidate may cause or resolve if elected, and whether the items we purchase are durable or junk. But gaining those insights can be challenging when so many of the illusions surrounding us are deliberately created. As a civil-litigation attorney for over twenty-five years, Randy Kasten has heard thousands of lies. He has witnessed that those who dispense the information we need to make decisions-advertisers, salespeople, politicians, and the media-often have a vested interest in manipulating us. Truth's biggest enemies are the people whose job it is to sell us incomplete versions of the facts and our willingness to believe what we want to believe. Often, we believe what we believe because it is the only story available. To help us see through deceptions of all types, Kasten discusses eight kinds of lies and what we can do about them, as well as methods for discerning the truth gleaned from his practice of law. Other topics include advertising magic, thirty-six places where the truth hides, lessons from science, the media and misinformation, and how we fool ourselves. Altogether, he provides a unique tool for enabling us to make decisions that will lead to more prosperity, better health, greater intimacy, and a life based on lasting values
