Everybody Pays Andrew Vachss,2001-09-25 A hit man defies the confines of a life sentence to avenge his sister's batterer. An immaculately dressed man hires a street gang to extract his daughter from a Central American prison, for reasons as mysterious as they are deadly. A two-bit graffiti artist with a taste for Nazi-ganda finds himself face-to-face with three punks out to make a mark of their own—literally—with a tattoo needle. From neo-noir master Andrew Vachss comes Everybody Pays, 38 white-knuckle rides into a netherworld of pederasts and prostitutes, stick-up kids and fall guys—where private codes of crime and punishment pulsate beneath a surface system of law and order, and our moral compass spins frighteningly out of control. Here is the street-grit prose that has earned Vachss comparisons to Chandler, Cain, and Hammett--and the ingenious plot twists that transform the double-cross into an expression of retribution, the dark deed into a thing of beauty. Electrifying and enigmatic, Everybody Pays is a sojourn into the nature of evil itself—a trip made all the more frightening by its proximity to our front doorstep.

Walsh,2013-02-27 Book Summary Special agent in charge of the Miami field office, Homeland Security Investigations, Jake Stein is a fast burner within the ranks of ICE (Immigration and Customs Enforcement). The Brooklyn native has a history of solving cases involving drug smuggling, human trafficking, and more. He starts to hear some “noise” about possible terrorist movements in his AOR (area of responsibility). Unknown to him, terrorists are planning to smuggle a nuclear device onto a cruise ship, sail it into Miami, and take out most of South Florida. Dino Tucci is a capo with the Battelli crime family in Rhode Island and unwittingly helps the terrorists carry out their mission. Now he’s fuming, wants revenge, and tries to stop another strike against his country. The feds, the mob, and even a washed-up television actor are all trying to stop what could be the next 9/11 type of attack in this thrilling story of international terrorism and national security.

Never Trust a Bad Boy Kira Adams,2019-11-20 MikhaelaThe day I was kidnapped was the first time I truly felt alive. My captors had no idea of the hell they were saving me from; the jail I had been living in. The monsters who controlled my world would stop at nothing to make them pay, to get me back. But we became a family - a family that looked out for each other.BoShe was never supposed to be a part of the equation, but sometimes you act on impulse. Surprisingly, she fit, kind of like a glove. Once we knew where she came from, we couldn't possibly make her go back. And maybe she was just what we needed. Someone to bring us back down to earth, to remind us what it felt like to be free.

The Unforgiving Minute Craig M. Mullaney,2009-02-19 “The Unforgiving Minute is one of the most compelling memoirs yet to emerge from America's 9/11 era. Craig Mullaney has given us an unusually honest, funny, accessible, and vivid account of a soldier's coming of age. This is more than a soldier's story; it is a work of literature. —Steve Coll, author of the Pulitzer Prize-winning Ghost Wars and The Bin Ladens One of the most thoughtful and honest accounts ever written by a young Army officer confronting all the tests of life. —Bob Woodward In this surprise bestseller, West Point grad, Rhodes scholar, Airborne Ranger, and U. S. Army Captain Craig Mullaney recounts his unparalleled education and the hard lessons that only war can teach. While stationed in Afghanistan, a deadly firefight with al-Qaeda leads to the loss of one of his soldiers. Years later, after that excruciating experience, he returns to the United States to teach future officers at the Naval Academy. Written with unflinching honesty, this is an unforgettable portrait of a young soldier grappling with the weight of war while coming to terms with what it means to be a man.

Between the Stripes Dr. John Laurie,2012-07-03 This book is over eleven hundred statements about sports officials which are designed by the author to create ten seconds of laughter and possibly twenty seconds of thought. It is a great read for the sports fan and sports officials. Hopefully it will bring a smile when you read it as well as a smile when you see sports officials during a game follow suit with many of the examples provided you in this book Zany Zebra Zingers. You dont need to have a background in sports to enjoy this book. One of the authors concerns is that the reader may take too seriously some of the quotations. It takes a good sense of humor to be a successful official and, if all of us could learn to laugh at ourselves or each other once in a while, we would enjoy the game more as well as appreciate in new ways the role that each of us play in a sporting contest. Robert Frost once commented on his famous poem Stopping By A Woods On A Snowy Evening, Dont take the poem too farjust enjoy the thought. I would like

to respectfully offer his advice reminding all of my readers to have fun with my comments not taking any impressions of criticism or perceived sarcasm too far. Just enjoy the thought! This collection of Zany Zebra Zingers has taken over thirty-five years to assemble. Additional Between The Stripes books on such topics of Leadership, Communication, Pregames, Supervisors and Observers, Good Officials and Bad Officials are being prepared for publication.

Third Coast Roni Sarig,2007-05 La 4e de couverture indique : Typically, more than half the top rap songs in the country are the work of Southern artists. In a world still stuck in the East/West coast paradigm of the '90s, the simple fact is that Southern hip-hop has dominated the genre - and defined the culture - for years. Roni Sarig explains how and why. From the crime-ridden wards of New Orleans to the upscale suburbs of Atlanta, from the secluded outpost of Virginia Beach to the international hub of Miami - plus all the small Southern towns in between - Third Coast chronicles the artists, labels, and communities that rewrote the script on how hip-hop could sound, signify, and get sold.
