*Communion of Love* William Dewberry,2014-07-31 Communion of Love is an overview of the Bible focusing on God's plan of redemption from the time of the creation to the end of time. The book provides a view that is written in layman terms and is a comprehensive, easy-to-understand view of redemption and an introduction to God, His Son Jesus, the Holy Spirit, angels, Satan, and the people that were directly involved in God's plan. May God bless those who love God and are interested in understanding more about the great love He has always had for people.
