

Crown Heart

Friedrich Graf von Kielmansegge

Heart of Flames Nicki Pau Preto, 2021-04-27 The world is balanced on the edge of a knife, and war is almost certain between the empire and the Phoenix Riders. Veronyka finally got her wish to join the Riders, but while she's supposed to be in training, all she really wants to do is fly out to defend the villages of Pyra from the advancing empire. Tristan has been promoted to Master Rider, but he has very different ideas about the best way to protect their people than his father, the commander. Sev has been sent to spy on the empire, but maintaining his cover may force him to fight on the wrong side of the war. And Veronyka's sister, Val, is determined to regain the empire she lost--even if it means inciting the war herself. As tensions reach a boiling point, the characters all find themselves drawn together into a fight that will shape the course of the empire--and determine the future of the Phoenix Riders. Each must decide how far they're willing to go--and what they're willing to lose in the process.

Heart of the Crown Paul J. Bennett, 2018-09-18 For as long as he can remember, Alric dreamed of being a hero; of defeating a dragon and saving the princess. But his royal position would never allow it, until... the arrival of the Mercerian Emissaries demands a princely escort, and being neither the heir, nor the spare, he is the perfect choice. Used to a lifetime of comfort and ease, he expects this duty to be as tiresome as all the others. His tranquil life is upended from the beginning, as havoc seems to follow these dignitaries everywhere, causing him all sorts of grief. From fighting unknown creatures to defending the life of a royal, he discovers that becoming a hero is much more dangerous than he ever imagined. No matter what the outcome, his life will never be the same. *Heart of the Crown* is book three in the *Heir to the Crown* series. Heart of the Crown Hannah Currie,2021-01-15 The whole kingdom had watched her heart break. The last place Lady Wenderley Davis ever expected to find herself after swearing off princes forever was living in a palace with two of them. Even if it is only temporary. And she did agree to it. Kind of. Against her better judgement. But then, she's never been one to hide her heart, nor hold back help from anyone who needs it. And if ever there's a family who need help, it's this one. As two weeks stretch to more, Wenderley throws all she has into showing the princes and their family how to smile again, and she's loving every moment of it. Which is a problem. Because she's very quickly becoming attached, and - as the man she'd rather forget keeps reminding her-the one thing she can't do is stay.
