World Crusade Human Destiny Michael P. Wright,2017-02-01 This book explains the world events between the Christians and the Muslims which has brought humanity into the tenth crusade. Those who don't know history are condemned to repeat it. My book explains what is taking place in the world right now in our life time and why. Have these world events been planned by God? Most likely yes and all of us are on a path of no return. My book also explains how humanity can change its future for harmony, growth, and prosperity for all. The second half of my book explains many possibilities that mankind can achieve through cooperation which is the key for the longevity of humanity.

A young woman, Machi Velistar, who's dream is to be one of the heroes in the books she loves, is soon caught up in the struggle to save her friends and her own life from the vehement destruction of the Hive. Dawn Crusade E. Reed,2021-05-28 Thirteen years ago, a curious star fell to the island of Somerset. That night Ike Ryder met Alina, the little girl who fell from the heavens. Now Ike Ryder is on the cusp of manhood and being called to join his father's decade-long war, a fight he vehemently opposes. Before Ike is forced to take up arms, a messenger from the island of Somerset's Great Spirit visits him. Ike is named the Great Spirit's new champion and called to make a perilous journey to the Spirit's sanctuary. While all of Somerset seems to doubt Ike's abilities as a warrior, he resolves to reach the Spirit and use her power to end the bloodshed plaguing the world of Dawn. Miles from Somerset, Alina fights alongside the Knights of Tenshi, the legendary peacekeepers of Dawn. After most of their regiment is killed in an ambush, Alina and the few survivors race to warn Somerset of a coming invasion. Although she and the other Knights fear their enemies of war, the real danger may come from someone much more sinister...a foe with supernatural powers and a growing collection of faces.

The Black Rood Stephen R. Lawhead,2009-03-17 "LAWHEAD KNOWS HOW TO SPIN A TALE." —Booklist In a time of legends and heroes, blood and mystery, one man will carry on his family's destiny as he sets upon a dangerous and glorious quest. The Great Crusade is long over, or so Duncan, son of Murdo, believes until a long-lost uncle appears from the East bearing tales of immense treasure. Though the Iron Lance had been won for the emperor, an even holier relic has been found: the Black Rood—the prayer-worn, blood-stained remnant of the True Cross—now endangered by the greedy ambitions of ruthless crusader barons bent on carving kingdoms from the desert sands of the Middle East. When Duncan's life is shattered by tragedy, he sets sail on his own pilgrimage to Jerusalem, following in the footsteps of his father. But the gates to the Holy Land are guarded by the warrior priests known as the Knights Templar. These fearsome guardians hold the key to more than just Duncan's fate—the very destiny of the West is in their hands. "HISTORICAL DETAILS BRING THE SETTING TO ROBUST LIFE." —Publishers Weekly

Destiny of Fire Zoé Oldenbourg,1998-12-31 The final installment of Oldenbourg's bestselling and brilliant historical trilogy describes the fate and misfortune of the noble Seigneur of Montgeil and his family, victims of the cruel Fourth Crusades at the beginning of the 13th century.

Reap The Hurricane Stephen Ricketts,2020-02-26 Reap the Hurricane is the 5th book in the Lords of Destiny series. Following Arc on his Lion Crusade across Mander the story takes us to new heights in the struggle against oppression. The Lion Lord's early successes against the Mandorians have brought warriors flocking to his banner. Now, he must lead his army deep into the heart of Mander to face the Emperor.Reap the Hurricane weaves threads from1500 years of history into the fabric of its narrative. Based on Julius Caesar's campaign across Gaul, the 2nd Crusade, the fall of Constantinople, and elements from the war of the roses, the tale blends historical events into a fictional storyline. In a, what if, approach, strong female characters take on roles historically denied to them, to face death shoulder to shoulder with their male counterparts. Three lords, one destinyA prophecy whispered through cautious lips is coming to pass. The Lords of Destiny have risen from its verses to carry the burden. They alone can turn the foretold into reality, before the last embers of hope are extinguished in the hearts of men.The Lion Lord has risen up against the white fanged beast of Empire. His warning echoing through every town and city across Mander. 'You have sown the winds of tyranny, now you shall reap the hurricane of retribution.'The Lion Crusade has clawed its way along the blood-soaked path of vengeance, to reach far into the Mander homeland. Every victory dragging Arc deeper into the realms of darkness, where hatred and loathing wait in the shadows to pick the flesh from his soul.With their shackles of oppression left lying in the dust, Avolonia's Storm Legions follow a warrior princess and a new code of honour. Enola leads her army against the Emperor, carrying its warriors into battle on the wings of the Valkyrie. Victory or death. There is no longer room in this world for both nations to exist. In the end, there can be only one... this is their inevitable... Destiny.

Chaos Fallen Gloria N. Cassum,2008-11 After the ravages of the Great Civil War in heaven, God replaces both the dead and Fallen

to fill the vacancies their duties demand. These replacements are slightly modified to ensure revolution would not occur again. Viziel is the first reborn, suspected by many to be a close replica of Lucifer himself, and thus a horrific danger to all of heaven. His assigned duties are withheld from him until he bow before the very throne of God, an allowance granted only to the most honorable of God's servants or most vicious of traitors. Before God's throne he is named the Angel of Chaos. Unfortunately, because chaos naturally opposes God's providential order, God has no choice but to command Viziel's betrayal. If Viziel refuses the order he is treacherous, if he obeys, a traitor nonetheless. The commandment is a paradox, which cannot be defied. Due to his unavoidable transgression, Viziel is sentenced to execution so as not to feed Lucifer with new recruits. In his imprisonment, before a formal facade of a trial, a superior informs Viziel that his execution is meant as a symbolic victory to God as overcoming his chaotic forces. Viziel's execution does not end in death, but reincarnation, where he will again be reformed, assigned as Angel of Chaos, and executed for his natural defiance once more. This damned reincarnation is eternal. God imposes this perpetual punishment to reinforce his never ending control over chaos and secure the safety of his providential design as well as all the beings within it, especially His most prized - humanity. Viziel, as Angel of Chaos, however, has a unique power to invoke discord. As a result, his execution goes horribly wrong. Chaos is unleashed to fulfill his own agenda. This is the story of the beginning of his revenge.
