Despite his overbearing nature, Shade delights in her new role as wife and mother. When her husband suddenly dies years later, she uncovers secrets from his past—secrets so profound they derail the lives of both her and her daughter. After tragedy strikes, thirty-six-year-old Shade gains custody of her young grandson, Tyler, and moves to a small Michigan beach town where she becomes the owner of a successful bakery and café. **Scent Of A Mate: League Of Gallize Shifters 4** Dianna Love, 2019-10-18 New York Times Bestseller Dianna Love's League of Gallize Shifters are back with a wild ride and sizzling romance in *Scent Of A Mate*. Gan never wanted to be a shifter and now he's got a monster Siberian Tiger inside of him. He's spent his whole life as a prisoner. This is no different. The minute he convinces the happens, Gan plans to vanish and live in a wilderness, leaving shifters behind forever, because he'll have control of the crazy tiger. He gets his chance at freedom by hiding the fact that his animal is still insane. All he has to do is keep his tiger buttoned down long enough to observe on a mission and pay back a debt he owes to a sexy cougar shifter. That might have worked perfectly if Gan's heart hadn't fallen victim to the female running the mission ... and if his tiger hadn't busted loose. As a cougar shifter, Scarlett spends most of her days rescuing female shifters from predators. She has no intention of calling in the marker Gan owes her until she needs a rogue to help her save an innocent from powerful people she's avoided her whole life. Unlike the other Gallize, an angry Gan has no problem breaking a few rules, and she's seen the true man inside who will protect a vulnerable innocent. She had a sound plan, one that would cost only her if things went bad, until that crazy tiger shifter destroyed any hope of walking away from him. When Gan and Scarlett face impossible odds, each of them must put the one thing they hold most dear on the line to protect the other. "... a ground-breaking paranormal romance." Always Reviewing

Drop What You Are Doing This Is Heaven Greg Belter, 2013-01-31 Our final destiny in life will be to join our creator in heaven after our long journey on earth ends. Before we go to the spirit, into the eternal light, we will learn what heaven is all about from a man who has more out of body experiences than most. With more of an extraordinary ability to receive and share visual information sent down from the heavens, spiritual messaging will come as a very big surprise. The inclusion of special meditations relieves inner tension, opens the spiritual eye

within, and is the perfect solution to inner harmony between God and ourselves. Foreword Brighter than the twinkling stars in the sky, and yet softer than the wool on a baby lamb, the light of God will be upon us in the next life too. Abundantly so with goodness, and much to our delight, we will hardly be grasping it entirely, unless one has been immersed into and has experienced the connecting light while fully maximized. The fear of passing away should no longer exist in our mind. Complicated thinking is all that it is. Just as simple as knowing there is love in the afterlife, that is where our heart and soul belongs. Travel to heaven in the highway of your mind. It is very safe lifting a yielding conscious to achieve exceptional knowledge within the spirit world.

*Winter Heart* H. S. Winter, 2022-07-19 Why can't she stay away... ..from the cold, dark forest? Retreated to her grandmother's house in the middle of nowhere, Sini tells herself that she's just recuperating from the tragedy that cost her the future she had taken for granted. When Sini realises she can't go on another cold and dark winter abandoned by everyone—even the ones who loved her the most—she wants to give up on life. Instead, she opens a gate to a new world and a connection to a beautiful stranger who both gives her the attention she yearns for and asks of her things she can never fulfil. As Sini learns of the lifelong obligation passed over from generation to generation since the beginning, she is forced to make the choice between walking a dangerous path or a new start in life somewhere far away. *Winter Heart* is a different take on Finnish mythology and folklore, gloomy winters, and love that reaches across worlds. *Winter Heart* begins the *Winter Heart* series – the epic story of having the courage to become the hero you never wanted to be, because the fate of two worlds lies upon your shoulders, and you would do anything for the one you love the most. If you love reading about spirit animal companions, ancient magic, and finding your own tribe, then this is the book for you!

Drawing inspiration from the work of Kalidas' Meghdoot—the first literary masterpiece about Clouds—this novelette plays around the personification of a cloud, named Cludo. **Gardenia Lane** K.L. Smith, 2019-08-27 Gardenia Lane is a fictional novel that tells of the Lister family's day-to-day life when they move back to a small military town in eastern North Carolina. It is the fourth book in a series about the Lister family. Gardenia Lane continues the story where Gemmy's Dreams ends. The Lister family must make a life in a new neighborhood among unconventional neighbors. Most of them are poor. What they lack in money they make up for with rich personalities. They do not wrap themselves in layers of pretense and deceit. The Lister girls work hard and seek lives different than the one they were born into. They develop good friendships with their neighbors. They learn that their neighbors mostly have good hearts and, like themselves, want to get through life the best way possible. The story unfolds in 1956 and follows the family's life through 1967. To make ends meet Leo has to take on a second job to supplement his wages at the local furniture mill. With two full time jobs, Leo is seldom home. Conflicts often occur when the family members are faced with the challenges that arise when dealing with the mental illness of the oldest Lister offspring. This story is about how the Lister family interacts with each other, their friends, and the neighbors as they navigate their way through life trying to find the place where they fit best. The Lister girls have different goals and dreams for their lives than their parents have for them. Leo does not realize that he is raising strong, independent daughters that have been exposed to new age thinking for women. Dissensions are common when the daughters' principles clash with those of their parents. The fifties and sixties were turbulent times in our country. The Lister family see dreams and lives shattered. They see dreams restored and lives mended. They maintain a close relationship with God to give them strength and guidance through whatever life has in store for them. They maintain hope for peace and faith for better lives.
