*Counsel for the Defense* Scott Leroy,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A War of Self-defense Robert Lansing,Louis Freeland Post,1917

*Crystal and the Underlings* Jack Kelley,2023-02-21 The only thing she could trust was the cold steel blade in her hand. Crystal was, without a doubt, the best warrior and strategist human history had ever seen. She was part of the seventh generation of Elite humans, genetically modified to be smarter, stronger, faster, and better than normal humans. When her twin brother went missing in the Mojave Desert outside of their home in Imperial City, she was determined to do whatever it took to bring him home safely— even if it meant she had to seduce the infamous leader of the Underlings and infiltrate their military compound alone. For this to work, she couldn't have backup, and he couldn't know how much she wanted him dead. All her life, she believed Elites are better at everything than Underlings. But what if that isn't true? As Crystal wrestles with newfound emotions, she must decide whose story she' ll trust: the scientist who created her, or the Underling general who stole her heart. This high-action romance takes place in a future version of the earth as we know it, blending dystopian world powers and lively character dynamics to create a hopeful view of the future perfect for fans of Frank Herbert and Andy Weir.

**The Defense** Steve Cavanagh,2016-05-03 Originally published: Great Britain: Orion Books, 2015.

**The Best Defense** Ellis Cose,2009-07-28 It's a case of office politics turned to murder. Or is it? Acclaimed, award-winning journalist Ellis Cose delivers this provocative and timely courtroom drama in which the passions of ambition, envy, and outrage intertwine, and the best defense isn't always the truth. Cutthroat defense lawyer and rising media star Felicia Fontaine has her work cut out for her. She's agreed to defend John Wisocki, a Manhattan businessman accused of killing his office rival, a Hispanic man, over a question of affirmative action policies at work. With her reputation on the line, not to mention her usually unflappable confidence, Felicia will need to watch her every step if she is to get through this controversial case with her career and pride intact. Unfortunately, her opponent in court is a former flame, now-married prosecutor Mario Santiago. Mario is an underdog

assistant district attorney with more than one reason to want to triumph over his ex, Felicia, in the highly publicized trial. As the legal showdown begins, Felicia and Mario are determined to keep their personal lives on the sidelines and face off in the fireworks trial that will explore the difference between justice and revenge. Ellis Cose is the distinguished author of a number of powerful, thought-provoking books on American society. He now turns his, pen to fiction for an outstanding debut novel that probes the fascinating, and sometimes violent, depths of the workplace battle to succeed.

**The Defense is Ready** Leslie Abramson, Richard Flaste, 1998 Most celebrated among these were the two death penalty murder trials in which she represented Erik Menendez, who, along with his brother, killed his parents after years of sexual and emotional abuse.
