Generations of Family Favourites Book Two Rj Woodward, 2011-05-18 Every family has favourite recipes that have passed down through the generations. I have spent a good part of my life wishing someone in our family would take the time to compile some of their favourites. As children we were encouraged to express ourselves through cooking. Many of these recipes have been tried, tested and loved by all. They have been expressed in a level that even the youngest reader can attempt their first creations without fear of failure. Take this book and make it your recipe box, mark the recipes you love, add them on. A small width but a great demand. Our family is a circle of love and strength. With every birth and every union, the circle grows. Every joy shared adds more love. Every crisis faced together makes a the

circle stronger. Memories have been cherished as well as our recipes.
