Fetishism in Fashion Lidewij Edelkoort,2013 This book delves into the fetishistic world of contemporary fashion to reveal a daring and instinctive future for style and culture. It investigates topics including the evolution of taste from birth to adulthood, the elevation of shoes through ever-higher heels, the psychology of branding, the effects of infantilism, the power of the color black, the fetishizing of objects, and the interaction of architecture, fashion, and the body. The avant garde art performances of Leigh Bowery are highlighted in honor of his continually growing influence on contemporary culture. Talent is sourced from around the globe, focusing on innovative and original content that illustrates a dramatic shift in aesthetics. Bolder, crazier, and more outlandish styles are on the fashion horizon, making this book a key reference in a new era of experimentation and intense creativity.

Like Our Father Christina Fox,2022-03-02 Reveal God to your children by parenting them like He parents us. Tired of all the parenting books full of strategic checklists, how-to advice, and quick tips? Instead of focusing on parenting techniques, *Like Our Father* is about who God is, who we are in light of that, and how God's character gives form to our parenting. Christina Fox invites you to explore the Scriptures and discover the goodness of the God who makes us His own. As God's beloved creatures, we bear His image--that is, we reflect Him to others. Is anything more important to pass on to our children than this? Though it's tempting to want an instructional manual on child-rearing, what you really need is a grander vision of your Heavenly Father. As your kids share in your magnified vision of God, they'll begin to live as the image-bearers that He made them to be.

Trusting the Actor Brian Astbury,2012-01-16 This revolutionary book is more than just a dry theoretical study of acting techniques. Against a background of Apartheid South Africa it tells the story - both humorous and moving - of how teacher/director Brian Astbury - founder of South Africa's legendary Space Theatre - and hundreds of actors and acting students both in production and at Britain's top drama schools developed a set of exercises over two decades to help actors overcome problems not addressed in other methods.These teach how to be 'in the moment';to gain access to the inexhaustible storehouse of the imagination;to access, integrate and properly use the emotions of the character;to overcome difficulties with learning lines;to recreate performance without conscious thought.“An idiosyncratic, challenging and practical guide to the craft of acting, crammed with anecdotes and humorous insights”Richard E. Grant Actor/director/writer (Withnail and I, The Player, Wah-Wah and many others)“A truly inspirational teacher”Julie Hesmondhalgh Actor (Hayley, Coronation Street)“A unique figure in British theatre. Provocative, controversial, doggedly inspiring. He has been the pivotal teacher, enabler and mentor for me and countless others.Rufus Norris Director (Festen, Cabaret, Market Boy, Tintin, Vernon God Little, Blood Wedding)“I cannot recommend it highly enough”Stephen Moyer Actor (True Blood, NY-LON, Prince Valiant, the RSC)“A conversational (almost chatty) love story, a tale of a theatre company's struggle against Apartheid, an irreverent look at life”Alexander Siddig Actor/director (Deep Space Nine, Syriana, Un Homme Perdu, 24, Primeval, Hannibal)“Brian Astbury was, without a doubt, the biggest influence on me. His teachings are still what I go to in trouble”Jason Flemyng Actor (Lock, Stock and Two Smoking Barrels, Snatch, The League of Extraordinary Gentlemen, The Quatermass Experiment, Drum, the RSC)
