Social Marketing in Action Debra Z. Basil,Gonzalo Diaz-Meneses,Michael D. Basil,2019-05-24 This textbook provides students with real-world social marketing case studies from different countries and regions around the world, taking learners from classroom theory to practice. The primary objective is to clearly portray to students distinct, identifiable steps that are essential for successful social marketing campaigns. Core social marketing practices are applied to each case to help students master social marketing principles and apply them to their own real world social marketing activities in order to affect positive social change. This textbook first provides the tools necessary to understand the effective application of social marketing, and then offers 24 case studies exemplifying effective social marketing efforts from all around the world. Specifically, Part I clearly and concisely explains the principles of social marketing in five chapters: • Upstream vs. downstream social marketing, SWOT, competition • Fundamentals of social marketing, ethics • Formative and Evaluative Research • Theories applied in social marketing • A historical perspective on social marketing Part II features 24 social marketing case studies that demonstrate the application of social marketing principles. All 24 cases follow a consistent structure that includes: • Background • Positioning • SWOT • Research • Objectives • The 4 P's • Target audience • Evaluation • Barriers and benefits • Discussion • Competition This format allows for students and professors to easily and effectively select individual cases and compare between cases. This textbook also allows instructors to encourage critical thinking by having students compare and contrast not only the cases themselves, but the applications used. In addition, teaching guides with answers to discussion questions, suggestions for activities inside and outside of the classroom and further readings are available to assist professors in teaching from this book.

Japanese Shoichi Iwasaki,2013-01-23 Japanese ranks as the ninth most widely spoken language of the world with more than 127 million speakers in the island state of Japan. Its genetic relation has been a topic of heated discussion, but Altaic and Austronesian languages appear to have contributed to the early formation of this language. Japanese has a long written tradition, which goes back to texts from the eighth century CE. The modern writing system employs a mixture of Chinese characters and two sets of syllabary indigenously developed based on the Chinese characters. This book consists of sixteen chapters covering the phonology, morphology, writing system, tense and aspect systems, basic argument structure, grammatical constructions, and discourse and pragmatic phenomena of Japanese. It provides researchers with a useful typological reference and students of Japanese with a theory-neutral introduction to current linguistic research issues.

Ancient Objects and Sacred Realms F. Kent Reilly,James F. Garber,2010-01-01 Between AD 900-1600, the native peoples of the Mississippi River Valley and other areas of the Eastern Woodlands of the United States conceived and executed one of the greatest artistic traditions of the Precolumbian Americas. Created in the media of copper, shell, stone, clay, and wood, and incised or carved with a complex set of symbols and motifs, this seven-hundred-year-old artistic tradition functioned within a multiethnic landscape centered on communities dominated by earthen mounds and plazas. Previous researchers have referred to this material as the Southeastern Ceremonial Complex (SECC). This groundbreaking volume brings together ten essays by leading anthropologists, archaeologists, and art historians, who analyze the iconography of Mississippian art in order to reconstruct the ritual activities, cosmological vision, and ideology of these ancient precursors to several groups of contemporary Native Americans. Significantly, the authors correlate archaeological, ethnographic, and art historical data that illustrate the stylistic differences within Mississippian art as well as the numerous changes that occur through time. The research also demonstrates the inadequacy of the SECC label, since Mississippian art is not limited to the Southeast and reflects stylistic changes over time among several linked but distinct religious traditions. The term Mississippian Iconographic Interaction Sphere (MIIS) more adequately describes the corpus of this Mississippian art. Most important, the authors illustrate the overarching nature of the ancient Native American religious system, as a creation unique to the native American cultures of the eastern United States.

Last Resorts Polly Pattullo,2005-11 The Caribbean has the fortune—and the misfortune—to be everyone's idea of a tropical paradise. Its sun, sand and scenery attract millions of visitors each year and make it a profitable destination for the world's fastest growing industry. Tourism is increasingly touted as its only hope of creating jobs and wealth—literally, the island's last resort. Last Resorts examines the real impact of tourism on the people and landscape of the Caribbean. It explores the structure of ownership of the industry and shows that the benefits it brings to the region do not live up to its claims. New developments in ecotourism, sex tourism, and the burgeoning cruise industry are not changing this pattern of short-term exploitation of the region's resources. The book shows how Caribbean societies are corrupted by tourism and its culture turned into floorshow parody. This new edition has been extensively revised and updated. It gives voice to people inside the tourism industry, its critics, and tourists themselves, and offers vital insights into a phenomenon that is central to the globalized world of today.

Translating Humour in Audiovisual Texts Gian Luigi De Rosa,Francesca Bianchi,Antonella De Laurentiis,Elisa Perego,2014 This collection of essays introduces the reader to the specificities of humour in audiovisual products and presents a series of case studies in audiovisual translation, from films to video-games, exemplifying problems and solutions to audiovisual humour in the dubs and subs in a variety of language combinations.

Virtual Competition Ariel Ezrachi,Maurice E. Stucke,2016-11-30 Ariel Ezrachi and Maurice Stucke take a hard look

at today's app-assisted paradise of digital shopping. The algorithms and data-crunching that make online purchasing so convenient are also changing the nature of the market by shifting power into the hands of the few, with risks to competition, our democratic ideals, and our overall well-being.

Trusting the Actor Brian Astbury,2012-01-16 This revolutionary book is more than just a dry theoretical study of acting techniques. Against a background of Apartheid South Africa it tells the story – both humorous and moving – of how teacher/director Brian Astbury - founder of South Africa's legendary Space Theatre - and hundreds of actors and acting students both in production and at Britain's top drama schools developed a set of exercises over two decades to help actors overcome problems not addressed in other methods. These teach how to be 'in the moment'; to gain access to the inexhaustible storehouse of the imagination; to access, integrate and properly use the emotions of the character; to overcome difficulties with learning lines; to recreate performance without conscious thought. "An idiosyncratic, challenging and practical guide to the craft of acting, crammed with anecdotes and humorous insights" Richard E. Grant Actor/director/writer (Withnail and I, The Player, Wah-Wah and many others) "A truly inspirational teacher" Julie Hesmondhalgh Actor (Hayley, Coronation Street) "A unique figure in British theatre. Provocative, controversial, doggedly inspiring. He has been the pivotal teacher, enabler and mentor for me and countless others. Rufus Norris Director (Festen, Cabaret, Market Boy, Tintin, Vernon God Little, Blood Wedding) "I cannot recommend it highly enough" Stephen Moyer Actor (True Blood, NY-LON, Prince Valiant, the RSC) "A conversational (almost chatty) love story, a tale of a theatre company's struggle against Apartheid, an irreverent look at life" Alexander Siddig Actor/director (Deep Space Nine, Syriana, Un Homme Perdu, 24, Primeval, Hannibal) "Brian Astbury was, without a doubt, the biggest influence on me. His teachings are still what I go to in trouble" Jason Flemyng Actor (Lock, Stock and Two Smoking Barrels, Snatch, The League of Extraordinary Gentlemen, The Quatermass Experiment, Drum, the RSC)

Along the Ganges Ilija Trojanow,2011-03-10 A lyrical homage to India's holiest, moodiest, foulest river... Trojanow is the perfect mix of insider and outsider... It is a treasure of a book, a must-have for anyone spending time on the Ganges and wanting to get to know her better. - Financial Times Funny, shocking, and always interesting. - The Spectator Along the Ganges was voted one of the greatest travel books of all time by Conde Nast Traveler by a jury including Gore Vidal and Paul Theroux. The River Ganges has a thousand names, and Hindu priests thought it a sin to call her a river at all. She is a goddess, the source of the world. Her waters are holy, healing, and still sold to Hindus the world over. Ilija Trojanow, an international best-selling author, traveled along the Ganges from the source, where it breaks free from the ice in the Himalayas, to the great cities. Along the way he visited the great Hindu festivals and talked to those who warn of ecological disaster caused by gigantic dams. This colorful travelogue describes a country caught between ancient traditions and astonishing modernity, and the holy river that crosses it for hundreds of miles. Ilija Trojanow is the author Mumbai to Mecca (Haus Publishing) and the best-selling novel The Collector of Worlds, for which he was awarded the Leipzig Book Fair Prize.

Fetishism in Fashion Lidewij Edelkoort,2013 This book delves into the fetishistic world of contemporary fashion to reveal a daring and instinctive future for style and culture. It investigates topics including the evolution of taste from birth to adulthood, the elevation of shoes through ever-higher heels, the psychology of branding, the effects of infantilism, the power of the color black, the fetishizing of objects, and the interaction of architecture, fashion, and the body. The avant garde art performances of Leigh Bowery are highlighted in honor of his continually growing influence on contemporary culture. Talent is sourced from around the globe, focusing on innovative and original content that illustrates a dramatic shift in aesthetics. Bolder, crazier, and more outlandish styles are on the fashion horizon, making this book a key reference in a new era of experimentation and intense creativity.

Cuki Theme Time With Coffee Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cuki Theme Time With Coffee has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching

for your next favorite book, or a professional seeking research papers, the option to download Cuki Theme Time With Coffee has opened up a world of possibilities. Downloading Cuki Theme Time With Coffee provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cuki Theme Time With Coffee has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cuki Theme Time With Coffee. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cuki Theme Time With Coffee. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cuki Theme Time With Coffee, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cuki Theme Time With Coffee has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
