Who's Afraid of the Teddy Bear's Picnic? Pam Smart, 2011-06-01 Description A powerful and often disturbingly graphic book about childhood abuse and its effects in later life. Pam has been through years of psychotherapy to be able to write this book about her harrowing experiences. Certainly not one for the faint hearted. About the Author Pam was born in Stoke-Newington in London. She is a mother and a grandmother. She worked as a social worker with Islington Social Services for over twenty years. Pam is now a practicing psychotherapist and lives with her partner and their dog in West Sussex. Pam is happy and settled; family, friends and colleges surround her. However life wasn't always this way for Pam. She came from a background of horrific abuse, neglect and permanent emotional fear. As a young adult she was diagnosed as incurable and her future was bleak. After years of being mistreated, with the help of enlightened professionals she slowly emerged from a world of confusion and distress to discover her own strengths and abilities. Pam wrote this book to give hope to others with similar stories and to the professionals working in this field.

So We Can Glow Leesa Cross-Smith,2020-03-10 ONE OF NPR'S BEST BOOKS OF 2020
LONGLISTED FOR THE 2021 JOYCE CAROL OATES PRIZE A lush, glittering short story collection exploring female obsession and desire by an award-winning author Roxane Gay calls a consummate storyteller. From Kentucky to the California desert, these forty-two short stories -- ranging from the 80's and 90's to present day -- expose the hearts of girls and women in moments of obsessive desire and fantasy, wildness and bad behavior, brokenness and fearlessness, and more. On a hot July night, teenage girls sneak out of the house to meet their boyfriends by the train tracks. Members of a cult form an unsettling chorus as they proclaim their adoration for the same man. A woman luxuriates in a fantasy getaway to escape her past. A love story begins over cabbages in a grocery store, and a laundress's life is consumed by her obsession with a baseball star. After the death of a sister, two high school friends kiss all night and binge-watch Winona Ryder movies. Leesa Cross-Smith's sensuous stories -- some long, some gone in a flash, some told over text and emails -- drench readers in nostalgia for summer nights and sultry days. They recall the intense friendships of teenage girls and the innate bonds between mothers, the first heady rush of desire, and the pure exhilaration of womanhood, all while holding up the wild souls of women so they can catch the light.

In the Night of Memory Linda LeGarde Grover,2019-04-02 Winner: Northeastern Minnesota Book Award - Fiction Upper Peninsula Publishers & Authors Association U.P. Notable Book Award Two lost sisters find family, and themselves, among the voices of an Ojibwe reservation When Loretta surrenders her young girls to the county and then disappears, she becomes one more missing Native woman in Indian Country's long devastating history of loss. But she is also a daughter of the Mozhay Point Reservation in northern Minnesota and the mother of Azure and Rain, ages 3 and 4, and her absence haunts all the lives she has touched—and all the stories they tell in this novel. In the Night of Memory returns to the fictional reservation of Linda LeGarde Grover's previous award-winning books, introducing readers to a new generation of the Gallette family as Azure and Rain make their way home. After a string of foster placements, from cold to kind to cruel, the girls find their way back to their extended Mozhay family, and a new set of challenges, and stories, unfolds. Deftly, Grover conjures a chorus of women's voices (sensible, sensitive Azure's first among them) to fill in the sorrows and joys, the loves and the losses that have brought the girls and their people to this moment. Though reconciliation is possible, some ruptures simply cannot be repaired; they can only be lived through, or lived with. In the Night of Memory creates a nuanced, moving, often humorous picture of two Ojibwe girls becoming women in light of this lesson learned in the long, sharply etched shadow of Native American history.

Area Zero William Bowden,2017-11-09 If you want something hidden, consider hiding it in plain sight. Unfortunately, stumbling across such a something came close to getting Nathan fired. An innocent when it came to the discovery, to be sure, but it would nevertheless be fair to say that Nathan wasn't entirely blameless in the matter, having run roughshod over all manner of military regulations. Despite the repeated screw-ups, Nathan remains an asset to the auditing firm, Mace Forensics. So, in a last ditch effort to keep him out of trouble, the firm banishes Nathan to a relic of the Cold War, a third-rate air base situated somewhere in the Nevada desert. Nathan is a forensic

accountant, and he is to audit said base until every pencil, and every paperclip has been entered into the ledger. There he will be safely out of sight, and out of mind. Welcome to Area Zero, Nathan.

The Scarlet Plan Rick W. Warren, 2019-01-18 In the town of Galesburg, Illinois, a storm is coming. Not a storm of rain and lightning but a storm of evil. It is two weeks until Halloween, and the city is celebrating its undefeated high school football team, led by its unnaturally amazing superstar quarterback, Clayton Stoneking. Football frenzy has overtaken everyone. However, the joy of celebration has also blinded the town from the darkness that has crept in unseen. Meanwhile, a pastor by the name of Jack McKenzie, who was loved by the community, is found murdered, with no clue as to who did it or why. James "Convert" Madsen, a man whose life was changed by Jack; Aaron Clark, a youth pastor who had been mentored by Jack; and Emma Ironside, a local newspaper reporter who attends Jack's church, come together in order to find and bring to justice Jack's murderer. Those three, as well as four of Aaron's students, delve into the mystery of what happened and begin to realize that things run deeper than they could have possibly imagined as they discover the Scarlet. This is a story of thrills, mystery, faith, belief, and heart. It shows the depths that evil will take to destroy and the ability of goodness to overcome all that confronts it. Even though the darkness can be great, there is always a greater light that shines through.

Freshmen Tom Ellen, Lucy Ivison, 2019-06-18 A laugh-out-loud, realistic portrayal of a freshman year in college for fans of *Emergency Contact*, *Broad City*, and *The Bold Type*. And she'll be totally different: cooler, prettier, smarter . . . the perfect potential girlfriend. Convenient: the only person from her high school also going to York is her longtime crush, Luke. Luke didn't set out to redefine himself, but as soon as he arrives on campus, he finds himself dumping his long-term long-distance girlfriend. And the changes don't stop there. . . . Just when things start looking up (and Phoebe and Luke start hooking up), drama looms on the horizon. Rumors swirl about the Wall of Shame, a secret text chain run by Luke's soccer team, filled with compromising photos of girls. As the women on campus determine to expose the team and shut down the account, Luke and Phoebe find themselves grappling with confusing feelings and wondering how they'll ever make it through freshman year. Flirty, bawdy, sloppy, and buckets of fun. --Booklist

Hummingbird Salamander Jeff VanderMeer, 2021-04-06 Named one of NPR's Best Books of 2021 From the author of *Annihilation*, a brilliant speculative thriller of dark conspiracy, endangered species, and the possible end of all things. Security consultant "Jane Smith" receives an envelope with a key to a storage unit that holds a taxidermied hummingbird and clues leading her to a taxidermied salamander. Silvina, the dead woman who left the note, is a reputed ecoterrorist and the daughter of an Argentine industrialist. By taking the hummingbird from the storage unit, Jane sets in motion a series of events that quickly spin beyond her control. Soon, Jane and her family are in

danger, with few allies to help her make sense of the true scope of the peril. Is the only way to safety to follow in Silvina's footsteps? Is it too late to stop? As she desperately seeks answers about why Silvina contacted her, time is running out—for her and possibly for the world. Hummingbird Salamander is Jeff VanderMeer at his brilliant, cinematic best, wrapping profound questions about climate change, identity, and the world we live in into a tightly plotted thriller full of unexpected twists and elaborate conspiracy.

Damn Bunch of Cripples Lew Shaver, 2003-09 I was sitting in a small upstairs room attempting to write this narrative of my education in disability awareness. For over 30 years I have been involved in working with individuals with disabilities as a coach and administrator on the intercollegiate, national and international levels. When I started this journey, at a small, Midwestern University, I had no idea of what I was getting myself into. Now that I have traveled this educational path I have come to realize that it may have been one of the most important learning experiences of my life, an experience I feel needs to be shared. In putting this narrative together, one very real issue I struggled with was how to deal with the present climate of political correctness. My decision was to tell the stories as I remember them, in the language as I remember. To do differently would change and compromise the actual experience. Thus, this is a sharing of feelings and experiences that a coach and his athletes spent in timeless hours in a gym practicing and competing, of thousands of miles traveled throughout the United States and beyond, and days and nights spent together in laughter and frustration.

The Only Game Mike Lupica, 2015-02-17 Can a young baseball star maintain his love of the game after the loss of his brother? Find out in this start to the Home Team series about a small town with high hopes, from New York Times bestselling author and sportswriting legend Mike Lupica. Jack Callahan is the star of his baseball team and seventh grade is supposed to be his year. Undefeated season. Records shattered. Little League World Series. The works. That is, until he up and quits. Jack's best friend Gus can't understand how Jack could leave a game that means more to them than anything else. But Jack is done. It's a year of change. Jack's brother has passed away, and though his family and friends and the whole town of Walton thinks baseball is just the thing he needs to move on, Jack feels it's anything but. In comes Cassie Bennett, star softball player, and the only person who seems to think Jack shouldn't play if he doesn't want to. As Jack and Cassie's friendship deepens, their circle expands to include Teddy, a guy who's been bullied because of his weight. Time spent with these new friends unlocks something within Jack, and with their help and the support of his family and his old friends, Jack discovers sometimes it's more than just the love of the game that keeps us moving forward—and he might just be able to find his way back to *The Only Game*, after all.
