📖 **ISLAM AND HOMOSEXUALITY** SAMAR HABIB,2009-11-12 An extensive collection of essays that examines the place of homosexuality in the contemporary and classical Muslim world. The place of sexual and gender minorities in the contemporary Islamic world is the subject of fascinating new directions in research and scholarly thought. Islam and Homosexuality gathers together 20 experts exploring these issues to provide an expansive look at the treatment of same-sex interactions in Muslim cultures today. Islam and Homosexuality offers one volume on the specific experiences of gay Muslims today and a second volume viewing the issue from a global perspective. Essays explore the lives of LGBTIQ persons in both Islamic nations and Muslim communities in non-Islamic countries. Additional writings explore the roots of homophobia in the theology of Islam, the various judgments against homosexuality in the different schools of Islamic law, and the potential scriptural basis for including LGBTIQ persons in the Muslim community. No other resource on the relationship between LGBTIQ persons and the world’s largest religion covers the topic with anything approaching this work’s range or depth.

📖 **DOCTOR WHO** RUSSELL T. DAVIES,BENJAMIN COOK,2008 A unique look into the BBC’s most popular family drama, Doctor Who- The Writer’s Tale is a year in the life of the hit television series, as told by the show’s head writer and executive producer. A candid and in-depth correspondence between Russell T Davies and journalist Benjamin Cook, the book explores in detail Russell’s work on Series Four, revealing how he plans the series and works with the show’s writers; where he gets his ideas for plot, character and scene; how actors are cast and other creative decisions are made; and how he juggles the demands of Doctor Who with the increasingly successful Torchwood and The Sarah Jane Adventures spin-offs. Russell’s scripts are discussed as they develop, and Russell and Ben’s wide-ranging discussions bring in experiences from previous series of Doctor Who as well as other shows Russell has written and created, including Queer As Folk, Bob & Rose, and The Second Coming.
