Brynn Paulin

Sybil Disobedience Brynn Paulin,2022-02-07 Sybil Anderson is caught in a dilemma. She's been in the BDSM scene long enough to know what she needs, but the man she wants doesn't want the same things she does. Oh he's dominant; there's no doubt about that. He'll demand, he'll tie her up, he'll torment her with pleasure, but he refuses to lay a hand on her lily-white rear. And that's what she wants most. Concerned that he'll lose control, Kellon Marecek has always avoided the spanking part of BDSM, but when he meets Syb, she wants more than he's ever given. He'll need to change now or lose her. And he's not giving up Sybil for any reason, not because of his reluctance and definitely not because of her rampant disobedience.

BDSM Mistress Dede,2015-05-24 What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline.

Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.

Derek Jarman: Protest! Seán Kissane,Karim Rehmani-White,2020-06 Derek Jarman was a very English rebel, a maverick and radical artist whose unique and distinctive voice was honed protesting against the strictures of life in post-war Britain. In an innovative practice that roamed freely across all varieties of media, Jarman refused to live and die quietly. He defined bohemian London life in the 1960s, exploded into queer punk in the 70s and with unbounded creative rage, ingenuity and sheer personal charm, he triumphed over an atmosphere of fear and ignorance in the age of AIDS to produce timeless, eloquent works of art which resonate still more strongly today. This major new publication offers a definitive

overview of Derek Jarman's life and work. It covers all aspects of his oeuvre, from his features to his Super-8 films, his painting, design for theatre, poetry, gardening, memoir and political activism. Protest! contains excerpts from Jarman's own writings, short interviews with friends and collaborators and newly commissioned texts from a wide range of contributors including John Maybury, Peter Tatchell, Philip Hoare, Sir Norman Rosenthal and Olivia Laing. Generously illustrated with previously unseen images drawn from Jarman's personal archive and unseen works from all stages of his career, this book brings the reader fresh and surprising insights into the world of this much-loved artist.

Addendum No. 1 Mistress Scarlet,2021-05-03 Over four years ago I published, Gratifying Domination and Submissive Contentment - A Guidance Manual. I never dreamed it would be so popular; or so well received and commended. In those four years I have been very fortunate to begin close on-line associations with a good number of couples who are in long term dominant/submissive (DS) relationships. More specifically and most often, close associations with the Domes in those relationships. We have shared experiences as a group and from each other learned many new refinements; and even developed further refinements and techniques through discussion and experimentation. The very best of these refinements, (that can be as simple as utilising certain verbal mechanisms), provide huge gains in the subjugation of the submissive and in the pleasure of the Domme. Huge gains in the relationship symbiosis. In addition, in those four years, there have been considerable developments in new technology pertinent to the contents of this book and BDSM has become more mainstream which has meant there are well designed products and equipment easily available on-line that were not readily available four years ago. So, set out in this book, is a collection of activities and techniques and simple sophistications that were not at all included, or barely touched on, in my original manual. This book is my undertaking to share this collection. (This book does not supersede my published Manual, this book is an addendum to the Manual.) The equipment, activities, enhancements and techniques included in this book, absolutely optimise the symbiotic relationships of new DS couples, long-term DS couples, or couples drawn together just for the pursuit of DS experiences.

Caregiver's Guide for Canadians Rick Lauber, 2014-02-15 One in five Canadians are now providing eldercare to a parent in need, and as baby-boomers age, this number is likely to grow. What do you do when your mother or father grows old? It's the natural course of life, but so many children of aging parents are unprepared. When a parent's health begins to fail, an adult child is left scrambling to find help, to balance their time, and to cope. The Caregiver's Guide will provide readers with valuable tips and advice to help them to provide the best eldercare possible while balancing the demands on their time. This is not a mental "self-help" book. While it does provide encouragement and support for caregivers, it also provides practical advice on how to care for elders in need. This comprehensive guide answers all a caregiver's common questions, such as: • Should my parent stay at home or move to assisted living? • How do I balance caregiving responsibilities with my personal life? • When to apply for guardianship and/or trusteeship • How to hire a professional caregiver should the need arise

very grown-up and very desirable ward, Cate of Lochmaben. A born fighter, Cate was clinging to life when Gregor rescued her after a vicious English raid on her village left her mother dead.
