*Northern Tradition for the Solitary Practitioner* Galina Krasskova, Raven Kaldera, 2008-11-21 An essential guide to expand your spiritual practices for followers of Norse Paganism, Heathenry, Asatru, and other Northern Traditions. *Northern Tradition for the Solitary Practitioner* is a groundbreaking look at devotional work in religions from Theodism to Asatru to Norse Paganism, all of which comprise the umbrella of the Northern Tradition. Although interest in devotional and experiential work within these traditions has been growing rapidly in the past few years, this is the first book to show the diverse scope of such practices as a living, modern-day

religion. It features an in-depth exploration of altar work, prayer, prayer beads, ritual work, sacred images, and lore, and a thorough examination of common cosmology that forms the foundation of belief for Northern Tradition communities and related Heathen practices. Northern Tradition for the Solitary Practitioner is not denomination-specific: rather, it seeks to provide an entry into interior practice for anyone involved in a branch of this broad family of traditions of the ancient Norse, Germanic, and Saxon peoples, using material suitable for the solitary, independent practitioner. Those outside of the Northern Tradition who wish to deepen their own devotional practice will find this book helpful in their own work, as well.

*The Ásatrú Edda* The Norroena Society, 2009-04-24 From the ashes arises the sacred lore of the North, the ancient stories and proverbial wisdom of the satr religion. Mighty Gods and fierce Giants battle in the never-ending struggle between order and chaos, while men seek honor and glory in the eyes of their beloved deities. After many years of research and piecing together sources, now comes the first known holy text ever presented for the satr faith. Giving these ancestral accounts in their true, epic form, *The satr Edda* is designed as a religious work by and for the men and women of this path. In reconstructing this sacred epic, the idea is to create a living storytelling tradition that will honor the legacy of the ancient Teutonic peoples, while providing an in-depth source of satr wisdom for our modern world.

Exploring the Northern Tradition Galina Krasskova, 2005-01-01 Provides an overview of Heathenry, a modern polytheistic religious movement based on the ancient religion of the Germanic and Scandinavian peoples.

*Life and the Love of Life* Bryan D. Wilton, 2018-10-07 One of the signs of a great society is the diligence with which it passes culture from one generation to the next. This culture is the embodiment of everything the people of that society hold dear. When one generation no longer esteems its

own heritage and fails to pass the torch to its children, it is saying in essence that the very foundational principles and experiences that make the society what it is are no longer valid. What is required when this happens and the society has lost its way is for leaders to arise who have not forgotten the discarded legacy and who love it with all their hearts.- Winston Churchill What happens to these great societies and the faiths which supported them when the catastrophes of cosmic, earthly and man-made disasters kill so many people that we cannot carry those stories forward. Lif and Lifthrasir are not people of our age who happened to hide in a tree. They are our ancestors, sequestered away, prepared to impart the knowledge of the Runes and how to live life according to them in a new world. This book outlines what challenges that information has had to overcome to be present in this day and age. This information is here now for you to make the most use of. Using the Hynluljoth, the Reginsmol, Fafnismol and many others I have pointed out how we might prepare ourselves not only for daily life as Asatruars but also our children for whatever the future might hold for them.
