Bedtime Blessings Jan Graham,2017-11-30 Everyday, we are blessed in numerous ways. With this book, you can record your daily blessing before bedtime. Write, or have someone else write for you, each night for 365 days. Relive the moment and describe the blessing in as much vivid detail as possible. Your blessing can be a person, a place, a thing, an event, a wish come true, or a dream fulfilled. Some days your beloved blessing won't be extraordinary, but you recognize that it's still a blessing in your life. Other days, even something that does not seem like a blessing can be reconstructed into a blessing if we choose for it to, like finding a photo of a loved one who has just died or having the chance to retake an exam we did not do well on. Fortunately, some days hold lottery-winning, a new puppy, Christmas morning blessings! All are blessings that keep us mindful of the mystery and unexpected occurrences that give us pause during our daily lives. With this book, I can guarantee three things: Recounting your blessings each evening will give you a wide-eyed awareness during the day as you seek daily blessings. Recording your blessings will give you a daily photo of your life that can be rediscovered and re-remembered through the years. Counting your blessings before bedtime works better than counting sheep for a restful night's sleep and a positive tomorrow. Remember, blessings are as numerous and constant as the stars. Watch for them. They sparkle!
