Turning to Wallpaper Heidi Wong,2021-09-28 Wear poetry as both perfume and armor. Wong's words and artistry are both vibrant with color, richly textured, defiant, and unapologetic in their boldness. Her speaker begins her spiritual journey of remembrance that transcends body, tradition, or even nation in the pursuit of authentic art that is constructed through the radical acceptance of the past in order to leave it all behind. Turning to Wallpaper is a story where no wounds are left un confronted or softened. It is beautiful, without beauty. There is pain, but no victimhood.

**The Sporty One** Melanie Chisholm,2022-09-27 An intimate memoir from international pop star Melanie Chisholm--better known as Mel C. or Sporty Spice--chronicling her trajectory from small-town girl to overnight icon as part of the Spice Girls. 25 years ago, The Spice Girls, a girl band that began after five women answered an ad in the paper, released their first single. 'Wannabe' became a hit and from that moment and, almost overnight, Melanie Chisholm went from small town girl to Sporty Spice, part of one of the biggest music groups in history. Beginning in her bedroom in the north-west of England dreaming of performing on stage, THE SPORTY ONE follows the meteoric rise of the Melanie and The Spice Girls, from the incredible highs of becoming one of the world's most recognizable popstars – playing at Wembley, conquering the BRITs, closing the Olympics – to the difficult lows. For the first time ever, Melanie talks about the pressures of fame, the shaming and bullying she experienced, the struggles she has had with her body image and mental health, and the difficulty of finding yourself when the whole world knows your name. THE SPORTY ONE is an incredible story of resilience, hope and how you can find your power.

Who Murdered Diana? Stephen Ubaney, To write this book more than 3,900 hours of investigation went into examining new evidence to answer the following five questions: Who hated the Princess? Who wanted her dead? Why did they want her dead? Who cooperated in the coverup? and who profited from the murder? To answer those questions the book also solves these riddles (and many others). -Why did the American Secret Service have 1100 pages of transcription of Diana's phone conversations? -Why did it take Diana's ambulance almost 2 hours to get her to a hospital 4 miles away? -Why did the French police gather eyewitness testimony to the crash and then discard it? -Why did they clean up the crash site so quickly after Diana was pronounced dead? -Why was Mercedes Benz blocked (by both governments) from inspecting the car for defects? -Why did the Mercedes kill its passengers at speeds lower than its crash test rating? -Why has no one investigated the concrete pillar to officially determine the angle of impact? -Who gave the order to break British law and wait from 1997 until 2007 to do an inquest? -Why were all of the traffic cameras in and around the tunnel turned off the night of the crash? If that wasn't enough to garner your interest in this book, ask yourself a simple, logical question. Have you ever been threatened for witnessing a car accident? To date, at least seven witnesses have either been assaulted or had had their lives threatened for witnessing Diana's fatal crash. Forget everything you have ever heard about Diana's death and prepare to be fascinated. This book will not disappoint you.

**Fallen Land** Patrick Flanery,2015-01-01 From the author of the critically acclaimed Absolution, an astonishing, nail-biting story powered by a fierce anger at the utter failure of the American dream, and the greatest fears that lurk in every one of us Poplar Farm has been in Louise's family for generations, inherited by her sharecropping forebear from a white landowner after a lynching. Now, the farm has been carved up, the trees torn down; a mini-massacre replicating the destruction of lives and societies taking place all over America. Architect of this destruction is Paul Krovik, a property developer soon driven insane by the failure of his dream. Julia and Nathaniel arrive from Boston with their son, Copley, and buy up Paul's signature home in a foreclosure sale. They move into the half-finished subdivision and settle in to their brave new world. Yet violence lies just beneath the surface of this land, and simmers deep within Nathaniel. The great trees bear witness, Louise lives on in her beleaguered farmhouse, and as reality shifts, and the edges of what is right and wrong blur and are lost, Copley becomes convinced that someone is living in the house with them.

**Tap Dancing On Quicksand** Killarney Greene,2016-09-01 In The Beginning, Jessica's marriage to handsome hotelier Julian Bothwell reads like a romance novel. However, Jessica's marital bliss soon begins to unravel as she realizes she has married not only into money, but mayhem, madness, and perhaps murder as well. Desperate to save her marriage and the life she has built for her young son, Jessica becomes the keeper of things she dare not say out loud, not even to

her closest confidante and friend or her therapist. As she frantically careens from one stopgap measure to another, Jessica finds herself turning to a coping mechanism that, to her dismay, proves not only futile but also perilous. A combination of romance, intense suspense, and an examination of the darker side of human nature, *Tap Dancing on Quicksand* is not a book for the fainthearted. It examines issues that women have faced for centuries – loving too much, spousal and child abuse, alcoholism and drug addiction, family secrets, and dysfunction. It is a book about a woman for whom being in love becomes synonymous with being in terror. *Tap Dancing on Quicksand* will keep you guessing until the last page.

**Radical Happiness** Lynne Segal, 2017-11-07 Why are we so obsessed by the pursuit of happiness? With new ways to measure contentment we are told that we have a right to individual joy. But at what cost? In an age of increasing individualism, we have never been more alone and miserable. But what if the true nature of happiness can only be found in others? In *Radical Happiness*, leading feminist thinker Lynne Segal believes that we have lost the art of radical happiness- the art of transformative, collective joy. She shows that only in the revolutionary potential of coming together it is that we can come to understand the powers of flourishing. *Radical Happiness* is a passionate call for the re-discovery of the political and emotional joy that emerge when we learn to share our lives together.
