When Hollywood Came to Town James
D'Arc, 2010-09-01 For nearly a hundred years, the state of Utah has played host to scores of Hollywood films, from potboilers on lean budgets to some of the most memorable films ever made, including *The Searchers*, *Butch Cassidy and the Sundance Kid*, *Footloose*, and *Thelma & Louise*. This book gives readers the inside scoop, telling how these films were made, what happened on and off set, and more. As one Utah rancher memorably said to Hollywood moviemakers don't take anything but pictures and don't leave anything but money.

Unmasking the Klansman Dan T. Carter, 2023-04-15
Unmasking the Klansman may read like a work of fiction but is actually a biography of Asa Carter, one of the South's most notorious white supremacists (and secret Klansman). During the 1950s, the North Alabama political firebrand became known across the region for his right-wing radio broadcasts and leadership in the white Citizens' Council movement. Combining racism and thinly-concealed anti-Semitism, he created a secret Klan strike force that engaged in a series of brutal assaults, including an attack on jazz singer Nat King Cole as well as militant civil rights activists. Exploring his life during these years offers new insights into the legal maneuvers as well as the violence used by white Southern segregationists to derail the civil rights movement in the region. In the early 1960s Carter became a secret adviser to George Wallace and wrote the Alabama governor's infamous 1963 inauguration speech vowing segregation now, segregation tomorrow,

segregation forever. When Carter disappeared from Alabama in 1972, few knew that he had assumed a new identity in Abilene, Texas, masquerading as a Cherokee American novelist. Using the name “Forrest” Carter, he published three successful Western novels, including *The Rebel Outlaw: Josey Wales*, which Clint Eastwood made into a widely acclaimed 1976 movie. His last book, *The Education of Little Tree* (a fake biography of his supposed Indian childhood) posthumously became a number one best-seller in 1991. Author Dan T. Carter uncovered “Forrest” Carter’s true identity while researching his biography of Georgia Wallace and in a *New York Times*’ op-ed he exposed Carter’s deception. Although the difficulties of uncovering the full story of the secretive Carter initially led him to abandon the project, in 2018 he gained access to more than two hundred interviews by the late Anniston newsman, Fred Burger. These recordings and his two decades of exhaustive research finally brought Asa Carter’s story into focus. Unmasking the Klansman is the result.

Anybody Seen Dan Lovett? Dan Lovett, 2014-04-17

“Dan Lovett was an important part of Eyewitness News history.” —Al Primo, founder of the original Eyewitness News at WABC-TV in 1968 in New York “Dan has always had a great passion for sports, and his knowledge comes crystal clear in this book. Plus, anybody with hair that good has to have something going just below it.” —Ron Franklin, former lead college football broadcaster on ESPN “A man’s man in the true sense of the word. He has the unmatched ability to put your mind into his story. A legendary storyteller; plus, he is a great friend and gentleman.”

—Dan Pastorini, former Houston Oilers quarterback “I tossed him out of my garage in gasoline alley at Indy, but

felt bad about it because he was from my hometown. Dan came around and showed me he wanted to learn about racing. He is a great broadcaster and cares about my sport.” —A. J. Foyt, first four-time winner of the Indianapolis 500 “I knew when I first hired him he would be a great broadcaster on the radio. He could talk about the farm report and make it the most important story of the day.” —Curt Brown, member of the Missouri Broadcasters Hall of Fame “Dan knows how to tell the story in this book. If you like sports, you’ll Lovett.” —Sam Huff, hall of fame linebacker of the Giants and Redskins

Lessons From the Puckerbrush Dan

Wheeler,2014-08-08 How would you like to be in forty places in just one sitting? Impossible? There is this way. Step up to the Puckerbrush and you may get a new take on life. A very kind pastor, going through life quite differently than most, proves that one does not have to stick to the mold; one can be different, in a good way. Making his way through life, he picks up invaluable lessons, and unselfishly, shares it. Step into his shoes and see life through his eyes. So, what are you waiting for? Don’t just hover at the door, come on in; you are very much welcome.

Spirit of the Hills Dan O'Brien,1989-12 Spirit of the Hills pulses with raw energy, suspense and danger, expertly capturing the haunting quality of the rugged South Dakota hill country as it relates the tale of three people drawn inexorably toward the violence and beauty of the American West.

The Hydrogeologic Regime of Glacial-terrain Lakes, with Management and Planning Applications

Stephen M. Born,S. A. Smith,David A. Stephenson,1974

Hellip;at Least We Didn't Have Worms Dan D.

Anderson,2007-07 I was born and raised in south central Kansas, getting my remedial education in the small town of

Sedgwick. I had four sisters and one brother. The stories told in the book are true stories, and have been told in the family for years. I left Sedgwick after graduating, migrating to Oklahoma, California, Missouri, Arkansas, Mississippi, North Carolina, and finally settling in Missouri, in the small community of Rader, some thirty-five miles from Springfield. My work has always been in engineering, and my education for this field was from the school of a hard knocks. My life and childhood gave me the best education and experience for my field, as common sense had to be the heart of it all. Although while reading my book, you will wonder how much common sense I really had. I am now pushing sixty years old, and find that the era I grew up in was an innocent time, and the adventures I had were the foundation of my learning and integrity. I have five children, and six grandchildren. I am still working as I now have a personal business, which takes much of my time. The story here was written over a period of three years. I am ever indebted to my family for urging me to follow through with this book.

The Chronology and History of the World, from the Creation to the Year of Christ 1753 John Blair, 1754

Some Became Fools Dan Ford, Ph.d., Dan Ford Ph D, 2014-03-01 Based upon actual events including an infamous murder trial, this history-tinged tale follows the fascinating and tragic life of Sidney Mack, a brilliant African-American man who began his required service to the Confederacy as a horse handler but rapidly rose to the rank of sergeant because of his intelligence, gallantry and heroism, not to mention his friendship with important citizens of Washington, Arkansas. The love story of Sidney and the beautiful Easter Mulberry was cut short by mental aberrations brought on by the war, homemade whiskey and, the strange consequences of Hoo Doo. Easter's

mother was steeped in these arcane arts that she imported to Arkansas from Louisiana. Also, before it was called such, post-traumatic stress disorder was doubtless rampant after the War Between the States and the condition led Sidney to an unthinkable act after the war that culminated in sheer horror. The novel deals with several important issues in the development of the American South, including difficulties as contemporary as today's newspaper: aging, alcoholism, racism, the death penalty, mental illness and war to name a few. Ford's droll and often quirky tone rides upon a rapid, attention-holding pace. The South portrayed in this novel is quite different from the aristocratic images frequently put forth in stories. Washington, Arkansas was a frontier town and, as this tragic tale makes clear, things were very different there.

Biography and Genealogy Master Index ,1999

As I Saw It Marvin Scott, Dan Rather, 2017-06-30 Over a career spanning more than 50 years, veteran journalist Marvin Scott has seen it all. From international headlines to local heroes, the eleven-time Emmy Award-winner and member of the New York State Broadcasters Hall of Fame has covered the news with objectivity and integrity, bringing journalistic excellence to every level of reporting. Scott has interviewed six presidents, visited the frontlines of war in the Middle East and Asia, and witnessed the rise of America's space program—all in a day's work. Now, in *As I Saw It: A Reporter's Intrepid Journey*, Scott reflects on the stories that have stuck with him personally over the years, and the people who gave them life. Alongside marches with Dr. Martin Luther King, Jr. and tense meetings with Yasser Arafat, Scott brings us Burt and Linda Pugach, the couple whose lifelong marriage was forged in deadly obsession; Abraham Zapruder, who shot history's most infamous piece of film; Charlie Walsh, the

everyman hero who gave the banks a run for their money; and Stephanie Collado, the eleven-year-old girl who needed a heart and touched his. From political scandals to hauntings at Amityville, local tragedies, triumphs and absurdities find their place alongside accounts of crime and redemption, war and celebrity on a national scale, all told with Scott's signature passion and candor. *As I Saw It* pairs Scott's unique storytelling and photography to give readers a new look at the singular experiences of a lifelong reporter, and the stories that shaped a generation.

The Man Says Yes Dan McCall, 1969

Bear Creek Dan Arnold, 2013-06-15 When former Texas Ranger, John Everett Sage, steps off a train to stretch his legs he puts his foot into something that will change his life forever. As a witness to a cold blooded murder, John soon lands a job as a deputy town marshal. He encounters his long lost family-the travelers known as Romani. When the marshal is murdered, John is appointed as the new marshal of the town of Bear Creek, Colorado. John needs deputies, so he invites men he can trust, men he knew when he was a Ranger, including the half Comanche, half Cherokee

tracker, Yellow Horse. This story, told from the perspective of John Sage, is rich with details of life on the front range of the Rocky Mountains, at the end of the nineteenth century. It is a dramatic and, at times, humorous tale of a man finding his legacy, a man committed to do justice, to love mercy and walk humbly with his God.

Full Circle Dan F. Spencer, Jr., 2010-10-26 Dan F Spencer, Jr was born on an East Texas farm in the depths of the Great Depression. His accounts of his early farm life are of a time and place that no longer exist. His story takes us through military service, a university education, senior executive of a major corporation, management consulting, living abroad, the Internet company world and retirement. All along the way he enjoys life and its twists and turns, and has left this memoir for his grandchildren, and their grandchildren.
