The Dark Forest is the second novel in the groundbreaking, Hugo Award-winning series from China's most beloved science fiction author, Cixin Liu. In The Dark Forest, Earth is reeling from the revelation of a coming alien invasion—in just four centuries' time. The aliens' human collaborators may have been defeated, but the presence of the sophons, the subatomic particles that allow Trisolaris instant access to all human information, means that Earth's defense plans are totally exposed to the enemy. Only the human mind remains a secret. This is the motivation for the Wallfacer Project, a daring plan that grants four men enormous resources to design secret strategies, hidden through deceit and misdirection from Earth and Trisolaris alike. Three of the Wallfacers are influential statesmen and scientists, but the fourth is a total unknown. Luo Ji, an unambitious Chinese astronomer and sociologist, is baffled by his new status. All he knows is that he's the one Wallfacer that Trisolaris wants dead.

The Silk Purse Raquel Ortiz, 2004-09-30 Memoir of a South Bronx Childhood *The Silk Purse*, a memoir set in the 1950s tells of Raquels ingenuity, courage, and inner strength as she struggles to keep her dreams alive while living under the close supervision of at least a dozen pairs of vigilant loving eyes. Raquels early childhood was filled with strict rules, traditional expectations, and myriad household duties imposed by her Puerto Rican Cuban extended family. From age 3-18, she lived under the watchful gaze of her parents, maternal grandparents, a great aunt, her half-sister, their majestic collie Sabu, various tenants, and many of the residents of the South Bronx, New York, apartment building where they all lived. Some episodes are touching examples of growing up; others are painful and poignant passages in the life of this young girl and her family. The story themes are about friendship, loyalty, childhood pranks, her first job, first love, first separation and much more. In spite of the cramped quarters located in the midst of a neighborhood that is showing signs of devastation, decay, and danger the apartment and building were a sanctuary for Raquel and her family. Raquel Ortiz writes with such humor and vivid description, I felt I was eating a juicy mango too! The coming of age stories of this young Latina are written with simplicity, humility and such *dulzura* you cant help but journey with the author to bitter sweet places in your own heart. -Linda Soto-Harmon, First Book, (A national childrens literary organization) Buy Your Copy Now!! Dead Heat Richard Sanders,2011-09-04 *The Lit-Crit Take: A genre-bending, character-driven, word-burning thriller about politics, love and the haunting pain of memory.* The Pure Plot Pitch: I didn't know-or care-much about the tight race for governor of New York until someone took a shot at one of the candidates and killed his wife instead. The main suspect, it turns out, was an anti-government crazy (and a devoted quilter-yes, you heard that right) I once did time with. Searching for the killer, hoping to stop another attack, I was suddenly sucked into the panicky heart of a closely fought election campaign, an affair with a troubled political operative and the dangerously surreal world of people who prefer casting their vote with a sniper's bullet.

The Affliction C. Dale Young,2018-03-13 A novel told in short stories, *The Affliction* is an astounding fiction debut by an award-winning poet full of memorable characters across

America and the Caribbean. Young beautifully weaves together the elaborate stories of many while holding together a clear focus: people are not always as they seem.

Kaplan, 2007-06-15 This book comprises twelve illustrated, interdisciplinary essays on gender and material culture across the eighteenth century. Te Ron et son Bouc Cowette Matthew Oscar Fusilier, 2020-11-25 *Te Ron et son bouc Cowette: Little Ron and the Billy goat Cowette* By: Matthew Oscar Fusilier This is a historical fiction novel based upon the coming of age of a young boy, raised on a farm in Southern Louisiana. It covers six decades, and relates in the unique style to the Cajun heritage of South Louisiana. It also covers some mutual experiences set in New Orleans, during the decades from 1921 through the mid-1970s and the era about the time of the episode known as Watergate. The inspiration to write this story was born from many personal family stories that the author grew up hearing from youth. It is the intention here to inspire readers of all adult ages to grasp the cultural and unique heritage of life in Louisiana during the years of the Great Depression, The “Kingfish” Huey P. Long, the Second World War, the 1950s and the paradox of invention and prosperity of America that also saw the rise of the tragic McCarthyism and the Lavender Scare”, the tumultuous 1960s and the drug culture during the Vietnam era, and the culmination of the story, when America saw the debacle of the embarrassing Watergate scandal. Also set in New Orleans during these same decades, the story encompasses the life in the Crescent City, two

different Mardi Gras festivities (1937 and 1970) and relates to the connection between the isolation of the rural parishes as well as big city (as seen through and told by Te Ron and his Godfather, his “Parrain”). The story is narrated by several quite colorful literary creations (which include several Native American Indians and black Americans who are closely involved with the family of Te Ron on the rural farm of Evangeline and Saint Landry Parishes). On several levels, this tale forms a progressive approach to address family, culture, music, the issue of “racial issues” and the various ways the characters all interact in the great span of the historical content expressed within. In fact, one of the most lovable characters is the old “treatoire”... a woman of Cajun, Indian, and black heritage called “Le Seer.” She provides an enigmatic character who masters both healing arts as well as sees the future in her cards as “readings.” It is a novel about “love and tolerance on several levels.” Te Ron eventually grows to have a family of his own, after many sheltered years and his dear favorite friend. A Billy goat named “Cowette” is a featured character, which was indeed based upon the life of an actual farm animal and his beloved personal pet.

Something About the Animal Cathy Stonehouse, 2011-05-31 In *Something About the Animal*, Cathy Stonehouse's first collection of short fiction, the world keeps coming apart at the seams: these are stories of imminent and often destructive crisis, which in their form and structure capture the hysterical edge of hallucinatory madness in a way few writers have ever managed. These are stories about the search for meaning, of fragile, haunted understanding; real life horror stories, stories bleakly, blackly humorous, but also imbued with real hope, generosity, and beauty; stories simply not reducible to cover copy. Cathy Stonehouse is a nightmarishly gifted author, and *Something About the Animal* is that rather magical exception to the rule; a truly breathtaking, unforgettable debut.

Morgana, My Queen Fleur Blüm, 2024-05-01 This collection of five horror novellas will thrill and terrify any reader*. What if you found yourself in a relationship with a woman who was way out of your league? Sure she's kind of goth, and might be into witchy stuff, but she thinks you're cool. Or maybe you found muddy footprints leading up to your apartment building one day, and instead of letting it go, you need to find out why. What harm could looking into footprints be? A chilling collection for any season. *Content not suitable for children.

White Walls Tatyana Tolstaya, 2016-10-25 “Tolstaya carves indelible people who roam the imagination long after the book is put down.” –Time Tatyana Tolstaya’s short stories—with their unpredictable fairy-tale plots, appealingly eccentric characters, and stylistic abundance and flair—established her in the 1980s as one of modern Russia’s finest writers. Since then her work has been translated throughout the world. Edna O’Brien has called Tolstaya “an enchantress.” Anita Desai has spoken of her work’s “richness and ardent life.” Mixing heartbreak and humor, dizzying flights of fantasy and plunging descents to earth, Tolstaya is the natural successor in a great Russian literary lineage that includes Gogol, Yuri Olesha, Bulgakov, and Nabokov. *White Walls* is the most comprehensive collection of Tolstaya’s short fiction to be published in English so far. It presents the contents of her two previous collections, *On the Golden Porch* and *Sleepwalker in a Fog*, along with several previously uncollected stories. Tolstaya writes of

lonely children and lost love, of philosophers of the absurd and poets working as janitors, of angels and halfwits. She shows how the extraordinary will suddenly erupt in the midst of ordinary life, as she explores the human condition with a matchless combination of unbound imagination and unapologetic sympathy.

The Forester's Daughter Hamlin Garland, 2019-12-10 *The Forester's Daughter: A Romance of the Bear-Tooth Range* by Hamlin Garland Hannibal Hamlin Garland was an American novelist, poet, essayist, short story writer, Georgist, and psychical researcher. The rugged, wild side of the United States is an ideal setting for romance to bloom.

The Gray Hunter's Revenge Franklin W. Dixon, 2018-10-09 Frank and Joe investigate a supernatural crime in the seventeenth book in the thrilling Hardy Boys Adventures series. One of the Hardys' favorite writers, Nathan Foxwood, has recently died in a tragic car accident. Now, the press is swarming his house in Bayport to get the scoop on the novel he completed just before his untimely death. When Joe hears that Nathan's wife is having a giant estate sale, he drags Frank with him. Who could pass up the opportunity to see inside their favorite author's home? Nathan's wife says she wants to get away as quickly as possible; strange things have been happening since their first night there and now her husband is gone and she's sure the house is haunted. But Nathan's assistant, Adam, is not so willing to blame it all on the supernatural. Valuable things keep disappearing from the house—why would a ghost need money? Adam recognizes the Hardys' from an article he read and asks for their help. Of course Frank and Joe Hardy

don't believe in ghosts and are positive they can get to the bottom of all this. But when Adam is mysteriously hurt after spending the night alone in the house, the brothers start to wonder; what is the motive for these crimes if not ghostly revenge? Could these brother detectives be in over their heads?

Broken Music Marjorie Eccles, 2015-03-19 The year is 1919 and the population of Great Britain is still struggling to its feet after being hit by the atrocities of the First World War. Progress is slow, even in quiet spots like the village of Broughton Underhill, on the edge of the Black Country. Gradually, soldiers return, wounds begin to heal and people try to move on with their lives. But for the Wentworth family, this proves to be impossible as former police sergeant Herbert Reardon returns to the village, determined to finally find out what happened the night that his daughter, Marianne, was found drowned in the lake all those years ago, when the war was just beginning. However, as Reardon begins to investigate, it becomes clear that secrets still abound and lips are staying sealed. When Edith Huckaby, a maid from Oaklands Park, is found murdered in exactly the same spot, Reardon is convinced that the two cases are linked. As Reardon tries to discover the hidden truth, his suspects and witnesses are painstakingly trying to rebuild their lives, in a world which has been changed and scarred forever. Broken Music is a masterful portrait of the horrors of the frontline and the anxiety of the home front, as the loves and losses of wartime Britain are woven together and the truth slowly dawns on a local tragedy.

Black Coffee Lightning David Lynch Returns to Twin Peaks Greg Olson, 2024-02-24

Greg Olson, author of *David Lynch: Beautiful Dark*, the essential book on Lynch's life and art, has resided in the Twin Peaks region of the Northwest for decades, and David Lynch spent youthful years in the Northwest; both of their fathers were woodsmen. Lynch

believes that the world hums with spirituality, and over a thirty-year span Lynch and Mark Frost created forty-eight hours of Twin Peaks TV and film, hypnotic cinematic music immersed in the depths and divine heights of human nature, an artistic song of the forest, America, the world, the cosmos. David Lynch is an international icon of visionary artistic innovation, humanistic thought and philanthropy, and spiritual exploration, and Twin Peaks: The Return is his magnum opus, a mytho-poetic summation of his deepest beliefs and concerns. Author Olson, in his characteristically intimate and personal way, traces the Twin Peaks currents of Lynch's emotional-visceral storytelling, themes, imagery and sound: the way the artist and viewer share an electrified circuit of mystery and understanding. Olson details Lynch's kinship with transcendence-seeking artists like William Blake, Walt Whitman, Jean Cocteau, Philip K. Dick and the post-World War II mystical Northwest painters. Small town values, coffee culture, the color pink, the Bible, Vedic literature, Marvel Comics Superheroes, and a Parisian camera crew wanting Olson to guide them through Twin Peaks territory all make appearances. Olson's chronicle includes personal interaction with Lynch, his colleagues, and the artist's inner world of karmic balancing, reincarnation, spiritual evolution, and veneration of women. Twin Peaks centers on the abiding presence of a lost woman, Laura Palmer, the downward, then upward arc of her life, afterlife, and goddess potential. Olson. Lynch and Twin Peaks have been on parallel tracks for decades. Olson's longtime love, Linda Bowers, died shortly before Twin Peaks: The Return aired, and his lived experience with Lynch's art speaks to the healing power of artistic engagement.
