Richard Buchko

Dark Mysteries Collection - Vol. 1 Richard Buchko,2013-09-12 It was the 1950's - the Atomic Age, the Cold War, and just the before the Space Race. Comics books were the education, the entertainment, and -- according to some -- the downfall of America. What a great time! We loved to be scared - still do, it seems - from the comfort of our own home, secure in the knowledge that there's no real danger (or so we think). Nothing could match the imagination, the surprise, and the chilling-of-your-spine like the great horror comics of yesteryear. Now you can enjoy again (or - for the first time) the colorful and scary stories that haven't seen print in many decades! The comic reprints from Calumet History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.

Dark Mysteries Treasury: Volume 1 Merit Publications, 2017-05-19 DARK MYSTERIES gave us everything we could want in early 1950s horror comics: dismemberment, cannibalism, severed heads, gravediggers, vampires, bondage and more. It was one of the more daring publications in those final years before society put comics on trial and decided that they needed to be tamed. Fat lot of good THAT did the world, right? The Mysteries of London (Vol. 1-4) George W. M. Reynolds, 2023-12-13 The Mysteries of London in 4 volumes is a penny blood classic. There are many plots in the story, but the overarching purpose is to reveal different facets of life in London, from its seedy underbelly to its over-indulgent and corrupt aristocrats. The Mysteries of London are considered to be among the seminal works of the Victorian urban mysteries genre, a style of sensational fiction which adapted elements of Gothic novels - with their haunted castles, innocent noble damsels in distress and nefarious villains - to produce stories which instead emphasized the poverty, crime, and violence of a great metropolis, complete with detailed and often sympathetic descriptions of the lives of lower-class lawbreakers and extensive glossaries of thieves' cant, all interwoven with a frank sexuality not usually found in popular fiction of the time.

Haganai: I Don't Have Many Friends Vol. 1 Yomi Hirasaka, Itachi, 2019-10-10 Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies. Realizing that they have no hope of a normal social life, the two outcasts decide to form a group called "The Neighbors Club" in order to make friends and maybe even learn a thing or two about social skills. This wild and offbeat comedy manga about quirky misfits who are obsessed with fandom is the basis for the hit anime!
