The Ultimate Book of Darts Anne Kramer,2013-09-13 Share in the euphoria that comes of the “kill shot” by learning the skills and techniques required to play a great game of darts. From the history of the sport to choosing the right type of equipment, The Ultimate Book of Darts is written in an accessible style that is perfect for both novices and seasoned professionals. Dart throwing is now a global phenomenon with new players emerging every day. This amazing sport demands remarkable precision and an agile mind from its competitors. Learn the rules for playing team games and tips for improving your score and ability for more advanced competitions. Author Anne Kramer focuses on the mechanics of dart throwing by discussing the pros and cons of various stances, such as toes square to the line versus one foot behind the other. This guide emphasizes good form over accuracy. If you develop good form, the accuracy will follow. Aside from mechanics this book also discusses the necessary equipment from types of darts to board materials, dimensions, and mounting. Whether you’re an expert marksman who competes in a pub league or a guy who just enjoys throwing sharp objects, this is the go-to guide to a longstanding and fun tradition.

Darts Beginning to End George Silberzahn,2009-06-25 Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanen (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

Where possible, hosting organisation and the year that the tournament was first held will be listed. Other facts about the tournament will be listed if available. This book provides the reader and dart enthusiast information on other published books and magazines, links to web sites of dart manufacturers, Professional Bodies and Organisations, and dart stores.
