What's Your Price Adam Gilad,2013-02 When Brandon Wade, a skinny and geeky Asian guy, moved to the US to study at MIT over 20 years ago, he was painfully shy with women. He had his first kiss at 21, and his love life was a constant struggle because he had neither the social skills of a natural Casanova nor the muscular physique of an athlete. Though he looked like one of those thousands of forlorn guys seen hugging the walls, lonely and awkward in the dark corners of every bar, nightclub and party, Brandon faced a shockingly happy future. Using his brains, he would create and embark upon an amazing journey where he would date some of the most beautiful, brilliant women in the world and eventually find love with one of them. This book is about Brandon's journey from hopelessness to happiness and the vehicle of his success, his invention - WhatsYourPrice.com - a website where men like him, successful in business but shy with women, can make cash offers for the chance to go out on a first date with women so beautiful they would normally otherwise be out of his league. All he wanted for himself and men like him was to break that initial barrier so women could get to know the real man inside. A controversial approach? Yes! But don't judge the website by its cover! You will be amazed and inspired as you take a deeper look into the countless numbers of people who have found love, romance or companionship because they were willing to take a chance on this new, innovative, even if some say, scandalous, way to meet, connect and take a shot at the life they have always dreamed of.

The Bachelor Auction Rachel Van Dyken,2016-10-04 Cinderella never had to deal with this crap. Jane isn't entirely sure that Cinderella got such a raw deal. Sure, she had a rough start, but didn't she eventually land a prince and a happily-ever-after? Meanwhile, Jane is busy waiting on her demanding, entitled sisters, running her cleaning business, and . . . yep, not a prince in sight. Until a party and a broken shoe incident leave Jane wondering if princes---or at least, a certain deliciously hunky billionaire --maybe do exist. Except Brock Wellington isn't anyone's dream guy. Hell, a prince would never agree to be auctioned off in marriage to the highest bidder. Or act like an arrogant jerk---even if it was just a façade. Now, as Brock is waiting for the auction chopping block, he figures it's karmic retribution that he's tempted by a sexy, sassy woman he can't have. But while they can't have a fairy-tale ending, maybe they can indulge in a little bit of fantasy . . .

The Bachelor Bid Kate Denton,2011-07-15 And the winner is... The one woman who didn't bid! Cara Breedon is facing her biggest career challenge to date—to convince impossible, attractive and eminently eligible bachelor Wyatt McCauley to auction himself off for charity. Cara has tried every trick she knows, but Wyatt won't say yes. Underneath, Wyatt is intrigued by Cara and, little does she know, she's beginning to wear him down. He definitely wants to see more of her. All he has to do is agree to appear in the auction and place an exorbitant bid in her name so that Cara wins the prize—a weekend with Wyatt!

The Boyfriend Bid Jodie Andrefski,2019-04-08 Sarah Campbell's never bid in her high school's charity auction to win a date with one of the school's hottest guys. And she's certainly not going to start now—when she's still hurting over a bad breakup. The absolute last thing she'd ever do is bid on Mr. Ego himself, Chance DuPont. Chance just wanted to help out a worthy cause, not get roped into not one but six dates with someone who seemingly can't stand him. But when Sarah's friends bid on him on her behalf, that's exactly where he ends up. Now a local blog is covering the story by following them on all their dates, too? Seems like everyone loves a good love story—except the two living it. Disclaimer: This Entangled Teen Crush book contains one fender-bender meet-cute, two well-meaning best friends, and endless steamy moments. It may inspire you to plan your own six dates with someone special! Each book in the Girlfriend Request series is STANDALONE: * The Girlfriend Request * The Boyfriend Bid

Bound to the Bachelor Sarah Mayberry ,2015-02-20 Your date with Marietta local Beau Bennett includes a day on the slopes at Big Sky Resort, complete with a sumptuous meal in the Resort's fanciest fine dining restaurant and door-to-door transport. Dig deep to secure the attentions of one of Montana's most eligible - and elusive - bachelors. Lily Taylor knows Beau Bennett dislikes her, but that won't stop her from asking him to volunteer for the Bachelor Auction she's organized to help her friend Molly provide for her tragically injured son, Josh. If Beau's gorgeous face, piercing blue eyes and chiseled body inspires the women of Marietta to dig into their pockets for a good cause, then Lily will do whatever it takes to secure his participation. Beau Bennett isn't sure how he wound up on the auction block being eyed up by hundreds of eager women, but he knows who to blame for it - Lily Taylor, the sexy, distracting, off-limits best friend of his kid sister. As far as he's concerned, the sooner this nightmare is over, the better. The last thing either of them expects is for Lily to wind up bidding on - and winning - Beau, or that their date will lead to Beau stepping in to save Lily when her past comes back to haunt her. As Beau does his best to keep Lily safe, they discover that maybe they don't dislike each other quite as much as they thought. In fact, maybe it's just the opposite... Date and Dash Susan Hatler,2015-05-09 A humorous story about a mistake leading to love that will give you the warm fuzzies. Mary Ann Nielsen lives by her one-strike-and-you're-out dating policy, but she's always open to meeting the right guy. When she accidentally rear-ends handsome Trevor Brooks on her way to a charity auction to buy back her beloved grandmother's long lost bracelet, she figures this unconventional meeting could at least turn into a hot date. Wrong. Trevor is annoyingly responsible and more concerned with insurance reports than responding to her flirting so he earns three strikes right off the bat. Flustered from the car accident and being rejected by gorgeous Trevor, Mary Ann mistakenly bids on the wrong auction item and loses out on reclaiming her grandmother's bracelet. Instead, she wins four dates on a reality TV show with none other than stuffy Trevor Brooks. Now she's broke and the only way to get the money to buy back

her special family heirloom is to win the grand prize money from the televised couples competition by convincing the audience that she and Trevor are in love. While dating Trevor on the show, Mary Ann discovers the reliable analyst is fun and kind-hearted. In fact, the more she finds out about him the more she starts to fall for him. Could giving Trevor a second chance mean winning not just the TV show and her grandmother's bracelet but the love that Mary Ann has always dreamed of?

Bachelor Auction Boss Alex Ankarr,2015-05-04 Will doesn't mind when his company HR officer, Elizabeth, ropes him into charity events. Well, to be quite accurate, he minds, but he knows better than to protest. But a bachelor auction? In a toga? With his PA Jon at the event? (The PA he has a little crush on. A very little one. The Bachelor Auction J.C. Reed,2018-07-02 All is fair in love and business... My friend’s plan is pretty simple: win the bachelor auction in a charity event and get the most influential man to sign a business deal with us. It’s a do or die situation. But plans rarely go as you would expect. When the bids begin to take ginormous proportions, my friend can’t stop in her rush of excitement. We don’t have the money. We can’t afford him, and yet, before I can even comprehend what’s happening, we’re the highest bid.“The bachelor” aka Tyler Becks isn’t old and ugly. He isn’t very business-like, either. In fact, it’s hard to imagine that someone with his brain and bank account can be this sexy. He understands our cash-strapped situation and is kind enough to cancel the bid. Let us out of the contract. No hard feelings. Or so he claims.He’s even kind enough to want to work with us. With me, in particular. I can’t refuse, even though working for him means I have to see him every day. My future depends on it.I won't let my guard down. I won't fall for him, and particularly not now that I know he’s hiding something from me. Everything comes at a price. Even Tyler’s generosity. But how much am I willing to pay? I’m about to find out.

Neither one of them thought the auction would be a success. But Layla finds it hard to keep her hands off the cowboy, and Jack falls for her sweet smile and wild sense of humor.
